

EXTENSIONS OF REMARKS

CITY OF WHEATON 150TH ANNIVERSARY

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 23, 2009

Mr. ROSKAM. Madam Speaker, I rise today to commemorate the 150th Anniversary of the incorporation of Wheaton, Illinois, in the heart of my Congressional District.

In 1836, the vibrant community of Wheaton found its roots when Erastus Gary and brothers Warren and Jesse Wheaton purchased a plot of land from the federal government. They quickly set about building a town and, through the enterprising spirit that continues to characterize Wheaton to this day, secured a rail line through the center of the town. By 1859, the City of Wheaton was officially incorporated.

In the years since its humble founding, Wheaton has become a center of government and commerce, serving as the Seat of DuPage County and home to businesses, professionals, educational institutions, publishing houses, churches and organizations that have had an impact all over the world. Throughout the State of Illinois and across the nation, Wheaton has developed a reputation as a wholesome place to raise a family. In fact my wife Elizabeth and I are proud to call Wheaton home and the place where we are raising our four children.

On the occasion of this 150th Anniversary, we join together to celebrate Wheaton's legacy of growth and prosperity and to look ahead to the opportunities facing our city and our nation. Today both marks 150 years of working together to build a brighter future, and reminds us that our work continues.

Madam Speaker and Distinguished Colleagues, please join me in recognizing Wheaton Mayor Michael Gresk, the Wheaton City Council and the citizens of Wheaton, and in wishing them happiness on this special occasion.

RECOGNIZING MICHELLE CAMPBELL AS THE WALTON COUNTY 2009 SUPPORT PERSON OF THE YEAR

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 23, 2009

Mr. MILLER of Florida. Madam Speaker, on behalf of the United States Congress, it is an honor for me to rise today in recognition of Michelle Campbell, Walton County's 2009 Support Person of the Year.

There is more to a school than the primary educators and administrators. To be successful, a school relies on the efforts of countless other individuals whose unique skills and contributions enable the rest of the school to function. One such individual is Michelle Campbell,

an Exceptional Student Educational Paraprofessional.

For the past fifteen years Ms. Campbell has dedicated herself to helping children in the community realize and reach their full potential. Working with small groups of students, Ms. Campbell provides instructional support to those students with disabilities while also providing much needed assistance for teachers. Through these small groups, Ms. Campbell focuses on strengthening and reinforcing reading and math skills. It is also through this setting that Ms. Campbell has come to form close bonds with her students. Her support and praise brings much needed encouragement and propels her students towards academic success.

In addition to time spent within the classroom, Ms. Campbell spends hours tutoring students during after-school hours. She is also an active member of her school's reading carnival and family science night. As highlighted by her work ethic and reinforced by the praise she receives from both teachers and students, Ms. Campbell is a valuable asset to Walton County. The First District of Florida is greatly indebted to her service and is honored to have her as one of its own.

Madam Speaker, on behalf of the United States Congress, I am proud to recognize Ms. Michelle Campbell on this outstanding achievement, the Walton County 2009 Support Person of the Year.

HONORING JOHN D. DINGELL FOR HOLDING THE RECORD AS THE LONGEST SERVING MEMBER OF THE HOUSE OF REPRESENTATIVES

SPEECH OF

HON. PHIL HARE

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 11, 2009

Mr. HARE. Mr. Speaker, I rise today in strong support of H. Res. 154, a resolution honoring my good friend and colleague, Representative JOHN DINGELL for becoming the longest-serving member of the U.S. House of Representatives.

A true public servant, Mr. DINGELL has devoted more than half of his life to the service of our nation both in his home state of Michigan and in the United States Congress. Today marks the 54th year of his commitment and dedication to the American people and a day when Mr. DINGELL has surpassed every other member of the House of Representatives with the longest tenure in House history.

Over the past half-century, Mr. DINGELL has proudly championed the rights of workers from being a longtime supporter of equal pay for equal work, to supporting collective bargaining rights. However, he is perhaps best known for his vigorous approach to government oversight.

As an icon serving on the House Committee on Energy and Commerce, Mr. DINGELL fought

for environmental protections and defended consumer rights. He displayed great leadership and stewardship in ushering through important pieces of legislation such as the landmark Endangered Species Act of 1973, and the Clean Air Act of 1990. Additionally, Mr. DINGELL has consistently sought to uncover government corruption and waste, ensuring American tax dollars are spent wisely and transparently.

Today, I proudly recognize Mr. DINGELL's distinguished service to the United States. He has been and will continue to be a role model to me and hundreds of others in this chamber. I am honored to serve with him and wish him well on this historic day.

AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

SPEECH OF

HON. SILVESTRE REYES

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, February 13, 2009

Mr. REYES. Mr. Speaker, I rise today in support of the conference report accompanying H.R. 1, the American Recovery and Investment Act.

This jobs creation package comes at a critical time for our nation as we face one of the greatest economic crises in our country's history. According to the U.S. Bureau of Labor Statistics, the unemployment rate in my home state of Texas climbed from 4.2 percent in December 2007 to 6 percent in December 2008. The employment situation has grown worse in 2009 as major employers across the country continue to cut tens of thousands of jobs. These dire circumstances require swift and bold action by the Congress to create jobs, jumpstart growth, and transform our economy to compete in the 21st century.

I support the American Recovery and Investment Act because it will help businesses create jobs and will allow families to afford their bills while laying a foundation for future economic growth in key areas like health care, clean energy, education, and infrastructure. This \$789 billion compromise package will create or save 3.5 million jobs nationwide over the next two years. This comes down to an estimated 269,000 jobs in Texas and 7,600 jobs in my congressional district. The jobs created will be in a range of industries from education to healthcare, with over 90 percent in the private sector.

The tax cuts in the legislation will place more money in American workers' wallets by providing direct tax relief to 95 percent of workers. This refundable tax credit of up to \$400 per person or \$800 per couple will provide much needed tax relief and help stimulate our economy.

By offering an additional \$100 per month in unemployment insurance benefits, this bill will help the 677,000 workers in Texas who have lost their jobs in this recession as well as provide extended unemployment benefits to an additional 125,000 laid-off Texas workers.

I am particularly pleased that this legislative package will provide funding to modernize schools in Texas. According to preliminary estimates, El Paso-area school districts could receive tens of millions of dollars in funding for renovation projects, Title I grants to help disadvantaged children, and grants for special education. Our schools have been neglected for far too long and this important funding will ensure that our children have the labs, classrooms, and libraries that are necessary to learn and compete in a global economy.

The legislation's huge investment in our nation's roads, bridges, and mass transit systems will greatly assist several projects in my district that have gone without necessary repairs and upgrades for years. By investing in these neglected projects we will create good jobs as well as make much needed improvements to our nation's infrastructure.

Mr. Speaker, I urge my colleagues to vote in favor of this economic recovery bill that will help average Americans, as well as cash-strapped state and local governments, weather this current economic downturn.

TRIBUTE TO HON. BETTY J.
LESTER, J.S.C.

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, February 23, 2009

Mr. PAYNE. Madam Speaker, I ask my colleagues here in the House of Representatives to join me as I rise to recognize the Honorable Betty J. Lester for her many years of service to the community and to congratulate her upon her historic retirement from the Essex County Superior Court bench. I would like to express my personal thanks and voice the gratitude of the many people for whom she has paved the path and set standards of excellence.

Judge Lester holds the distinction of being the first African American female judge in Essex County and the second African American female judge to be appointed to the superior court bench in New Jersey. As a trail-blazing woman of color, Judge Lester has built a great legacy in her 32 years of service to the city of Newark, Essex County, and the State of New Jersey.

Judge Lester has served on many committees of the Supreme Court including the Committee to Study New Jersey Bar Admission, the Committee on Municipal Courts, the Task Force on Women in the Courts, the Task Force on Municipal Improvement, and the Task Force on Minority Concerns. She has been a member of the New Jersey State Bar Association, the Essex County Bar Association, and the National Association of Women Judges. On the national level, Judge Lester was appointed as a commissioner for the Commission on Accreditation of Law Enforcement Agencies.

Madam Speaker, I know my colleagues agree that Judge Lester is an excellent role model for women and minorities in the law profession. She will leave a lasting impact on those who were fortunate enough to benefit from her guidance. I am pleased to join all those in attendance in wishing her a wonderful retirement.

HONORING WANDA ELLIS MITCHELL ON HER SERVICE TO THE PUBLIC

HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 23, 2009

Mr. GENE GREEN of Texas. Madam Speaker, I rise today to commend Mrs. Wanda Ellis Mitchell on a lifetime of work and dedication to the Baytown community and the people of Texas.

Mrs. Mitchell spent the past 14 years of her life serving the city of Baytown as the director of the Baytown Historical Museum. Under Mrs. Mitchell's leadership the Baytown Historical Museum has added many exciting collections given by volunteer donors, including from one of her former junior high students, the grandson of the great Ashbel Smith of Texas. Even though he had been asked by the University of Texas at Austin to acquire his grandfather's historical belongings, he declined and chose to give those historical belongings of his grandfather's to Mrs. Mitchell to preserve and display them in the Baytown Historical Museum.

Mrs. Mitchell has lived in Baytown, TX, since the age of 1. She served the community in many different ways; among others, she served the community as a teacher and director of Baytown Historical Museum. The City of Baytown greatly appreciates her service and dedication to the community. Her absence in the community will be greatly missed, and I know the community wishes her all the best when she moves with her husband Seth to Corpus Christi to live close to her daughter.

It is with great pleasure that I recognize Mrs. Wanda Ellis Mitchell for her service to the Baytown Historical Museum and the city of Baytown.

LAGERGREN UPON HER
ACHIEVEMENT OF THE
ESCAMBIA COUNTY, FLORIDA
TEACHER OF THE YEAR AWARD

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 23, 2009

Mr. MILLER of Florida. Madam Speaker, I rise today to recognize Amanda Lagergren, who has received Escambia County, Florida's Teacher of the Year Award for 2010. Her passion and dedication prove that teachers can truly make a difference in the lives of their students, and I am proud to honor such an admirable leader of our local community.

Ms. Lagergren began her teaching career at Edgewater Elementary in 2006 as a 5th Grade General Education Teacher. While maintaining her usual teaching duties for class, she has gone above and beyond by working both inside and outside of the classroom to better her students' lives. As Grade Level Chair for the 5th Grade, Ms. Lagergren ensures that her teachers have everything necessary to provide the best education to their students. Her membership on the Continuous Improvement Model Team and Accelerated Reading Committee highlights her focus on improving the

reading abilities of Edgewater Elementary's pupils. An expertise in classroom technology makes her a valuable asset to other teachers, and she recently began mentoring new educators on effective teaching methods and classroom models. For the past three years, Ms. Lagergren has inspired both her students and her colleagues with her dedication to teaching, and she is to be admired for her passion.

Madam Speaker, on behalf of the United States Congress, I would like to thank Ms. Lagergren for her public service to the students and community of Northwest Florida. Vicki and I wish her and her family best wishes for continued success.

IN COMMEMORATION OF THE
LAKE WORTH COMMUNITY HIGH
SCHOOL DEBATE TEAM

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 23, 2009

Mr. HASTINGS of Florida. Madam Speaker, I rise today to honor the debate team of Lake Worth Community High School in Lake Worth, Florida. The team recently competed in a 22-school tournament and took home five awards. Pierre Dorsainvil won best presiding officer; Shermeeka Scott, best speaker and best presiding officer; Gia Cerease, original oratory; and Jennifer Price, first overall for declamation.

I am very proud of these fine young people for their skill as debaters and for the many hours of hard work and dedication that resulted in their supremacy over so many other schools. I am delighted, though not surprised, to know that a school in my district is providing an excellent education in the fine art of oratory. It is a skill that my esteemed colleagues and I value very highly, and I hope that some of these talented students will join us in Congress some day.
