Requesting Entity: City of Hamilton, located at 223 South 2nd Street, Hamilton, MT 59840

Amount: \$500,000

Description: The funding will be used for improvements to the Wastewater Treatment Plant which will allow for better solids handling and improve water quality in the Bitterroot River

ENERGY AND WATER

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: BOR—Water and Related Resources

Project: North Central/Rocky Regional Water System

Requesting Entity: Chippewa-Cree Tribe of the Rocky Boy's Reservation, R.R. 1, Box 544, Box Elder, MT 59521 and the North Central Montana Regional Water Authority, P.O. Box 170, Havre, MT 59501

Amount: \$7,000,000

Description: Authorized construction of a water system to provide safe rural, municipal and industrial water for residents of the Rocky Boy's Reservation, Choteau, Glacier, Hill, Liberty, Pondera, Teton and Toole Counties, Montana. The Project is being jointly developed with the Chippewa Cree Tribe of the Rocky Boy's Indian Reservation. The completed system would serve about 30,000 North Central Montana residents.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: BOR—Water and Related Resources

Project: Ft. Peck Dry Prairie Rural Water

Requesting Entity: Assiniboine and Sioux Tribes of the Fort Peck Reservation, P.O. Box 1027, Poplar, MT 59255 and the Dry Prairie Rural Water Authority, P.O. Box 577, Culbertson, MT 59218.

Amount: \$10,000,000

Description: The project involves construction of a water distribution system on the reservation of the Fort Peck Tribes and the surrounding communities. The new system will supply clean water to 30,000 residents of Northeast Montana. The FY 2009 funding will finance an ongoing contract for construction of the water treatment plant and construction of treated water pipelines from the water treatment plant to Poplar and Wolf Point needed to deliver treated water on the Fort Peck Indian Reservation and for construction of branch lines in the Dry Prairie Project. The local share is nearly one-fourth of the total off-reservation cost.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: BOR—Water and Related Resources

Project: St. Mary's Rehabilitation

Requesting Entity: St. Mary Rehabilitation Group, 74 4th Street North, Glasgow, MT 59230

Amount: \$500,000

Description: Funding request is for the first phase of a multi-year effort to rehabilitate the St. Mary Diversion Facilities and address associated environmental impacts on the Blackfeet Reservation. As authorized under Section 5103 of WRDA 2007, funding will be used to address project coordination and planning, NEPA studies, engineering design, emergency response planning, and right-of-way issues. The St. Mary Diversion Facilities import water from the St. Mary River Basin to the Milk River Basin in north-central Montana serving the drinking water needs for 15,000 in municipalities and 140,000 irrigated acres.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Fossil Energy R and D
Project: MSU—Center for Zero Emissions Research and Technology

Requesting Entity: Montana State University, 207 Montana Hall, P.O. Box 172460, Bozeman, MT 59717

Amount: \$5,709,000

Description: New technologies hold great promise to significantly reduce emissions from fossil fuels, but the engineering, economic, and environmental viability of these zero emission fossil energy technologies must be validated. This virtual center encompasses three national labs (Pacific Northwest National Laboratory (PNNL), Los Alamos National Laboratory (LANL), and Lawrence Berkeley National Lab (LBNL)) and two research universities (Montana State University (MSU) and West Virginia University (WVU)) in heavy coal producing states to monitor and validate deep geological carbon dioxide sequestration and clean power and hydrogen generation from coal.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Non-Defense Environmental Cleanup

Project: MSE—Western Environmental Tech Office (WETO)

Requesting Entity: MSE Technology Applications Inc., P.O. Box 4078, 200 Technology Way, Butte, MT 59701

Amount: \$1,903,000

Description: DOE, through their Western Energy Technology Office, has contracted with

MSE Technology Applications, Inc., (MSE) to provide support to DOE's environmental cleanup and closure missions. A typical project would develop this way: MSE and the DOE site would jointly identify a high priority mission need (for instance, unexpectedly unearthing unknown hazardous liquid chemicals during pit cleanup at Idaho National Laboratory and needing a method for solidification without chemical analysis). MSE would propose an approach, and upon acceptance by the DOE site and DOE-HQ. MSE would evaluate the technical approach at the Butte facility and then along with DOE site personnel test and implement the solution.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Corps of Engineers, Construction

Project: Fort Peck Cabin Conveyance

Requesting Entity: U.S. Army Corps of Engineers Omaha District, P.O. Box 5, Omaha, NE 68101

Amount: \$1,500,000

Description: Funds will be used to contract for sanitation, assessments/engineering services, surveys, appraisals, contract administration, and deed preparation. Funding will be used to continue communication strategy with stakeholders, specifically cabin owners, U.S. Fish and Wildlife Service, Fort Peck Lake Association, BLM, and MT DEQ.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Corps, General Investigations
Project: Yellowstone River Corridor Comprehensive Study

Requesting Entity: Yellowstone River Conservation District Council, 1371 Rimtop Drive, Billings, MT 59105

Amount: \$430,000

Description: The U.S. Army Corps of Engineers and Yellowstone River Conservation District Council, composed of 12 conservation districts along the Yellowstone River in Montana and North Dakota, are conducting a partnered feasibility study for 716,800 acres and 560 river miles in the Yellowstone River Valley. The study, authorized by the Water Resources Development Act of 1999, looks at how human actions have affected the river and its banks over the last 100 years. Once complete, it will allow the Army Corps of Engineers to make defensible "404" permitting decisions for railroads, governments and landowners along the river that take into account the cumulative impacts of development, and design appropriate mitigating measures. (Corps decisions on riverbank structures following the floods of 1996 and 1997 were found deficient in federal court because the Corps could not determine the overall cumulative effect of the permitting decisions.) It will also help local conservation districts define Best Management Practices for managing the river and riparian area.

LABOR, HEALTH AND HUMAN SERVICES, EDUCATION

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Project: Benefis Cardiology Suite

Requesting Entity: Benefis Healthcare Systems located at 2800 11th Avenue South, Great Falls, MT 59405

Amount: \$761,000

Description: Funds will provide bricks and mortar for a new Cardiology Suite, which will house catheterization labs, operating rooms, outpatient diagnostics, pre and post procedure rooms, and a patient education center, as part of the Benefis Heart and Vascular Institute.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Project: Community Medical Center (CMC) mammography unit

Requesting Entity: Community Medical Center located at 2827 Fort Missoula Road, Missoula, Montana 59804

Amount: \$476,000

Description: This funding would allow CMC to redevelop and modernize its endoscopy department. The current endoscopy department lacks adequate space that makes it difficult for patient access and compromises patient and treatment separation.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Project: North Country Medical Clinic-Eureka

Requesting Entity: North Valley Hospital Foundation located at 1600 Hospital Way, Whitefish, MT 59937.

Amount: \$404,000

The Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Project: Roundup Memorial Healthcare health facilities and construction

Requesting Entity: Roundup Memorial Healthcare located at 1202 2nd Street West, Roundup, MT 59072.

Amount: \$333,000

Description: The medical clinic in Roundup, which was built in the 1970s, is in need of a remodel and renovation. Space limitations make it difficult for patients with wheelchairs to navigate throughout the clinic. Funds will be used to expand the facilities so that they are ADA compliant.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Project: Beartooth Hospital

Requesting Entity: Beartooth Hospital and Health Center located at 600 West 21st Street, Red Lodge, MT 59068

Amount: \$333,000

Description: The current Beartooth Hospital and Health Center is an outdated facility—the patient rooms are too small, nursing stations are crowded, and that clinical information systems are substandard. These funds will sup-

port construction of a new hospital, including eight inpatient rooms, a larger emergency department to manage the hospital's exceptionally high rate of emergency care, a larger rehabilitation department to assist persons returning home from either Billings hospital after procedures such as hip or knee replacements or cardiac surgery, and a larger laboratory.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Higher Education

Project: Salish Kootenai College

Requesting Entity: Salish Kootenai College located at P.O. Box 70, Pablo, Montana, 59855.

Amount: \$238,000

Description: Funds will be used to develop training and certification programs in multiple nondestructive inspection disciplines for aging infrastructure. The curriculum will include necessary classroom courses, laboratory courses and at least one quarter of apprenticeship. No similar college training programs for NDI careers are available in the state of Montana.

Requesting Member: Representative DENNY REHBERG

Requesting Entity: Saint Patrick Hospital located at 500 West Broadway, Missoula, MT, 59802.

Amount: \$285,000

Description: To meet the growing need for mental health services in Western Montana, Saint Patrick Hospital is constructing a new mental health care unit within the hospital's emergency department.

Funds will support the construction of three mental health/substance abuse rooms, a nurses' station, utility rooms and a security office, storage rooms for restraints and other equipment, a "sally port garage" with automatic doors that close to prevent flight by patients who might injure themselves or others at the facility, a state-of-the-art camera monitoring system for security purposes, and a supervisor station at the emergency department for mental health cases.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

The Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Project: Billings Clinic cancer facility

Requesting Entity: Billings Clinic located at 2917 Tenth Avenue North, Billings, MT 59103.

Amount: \$285,000

Description: Billings Clinic will use funds to build a facility for cancer patients and their families as they undergo treatments at the Cancer Center. Through this service, Billings Clinic can provide access to the most up-to-date and innovative oncology therapies available.

Requesting Member: Representative DENNY REHBERG

The Bill Number: H.R. 1105

RECOGNIZING BEVERLY ECKERT'S SERVICE TO THE NATION AND PARTICULARLY TO THE SURVIVORS AND FAMILIES OF THE SEPTEMBER 11, 2001, ATTACKS

HON. LOUISE McINTOSH SLAUGHTER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, March 2, 2009

Ms. SLAUGHTER. Madam Speaker, I rise today to introduce a resolution recognizing Beverly Eckert's service to the Nation and in particular to the survivors and families of the September 11, 2001 attacks. I am deeply saddened by the loss of such an inspirational and courageous woman, and extend my deepest sympathies to her family and friends on their loss.

Beverly Eckert was the widow of Mr. Sean Rooney, who died in the September 11, 2001, terrorist attacks on the World Trade Center. Beverly had been among the most visible faces of the victims families in the aftermath of the attacks. Following her husband's death, Beverly co-founded "Voices of September 11",
