ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining in this vote.

□ 1521

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. CONYERS. Madam Speaker, on September 30th, due to personal reasons, I was unable to cast the three votes that were called on that day. Had I been present, I would have voted "yes" on rollcall votes 743 (H.R. 2442); 744 (H.R. 1771) and 745 (H.R. 1053).

PERSONAL EXPLANATION

Ms. JACKSON-LEE of Texas. Madam Speaker, on the vote H.R. 2442, Bay Area Regional Water Recycling Program Expansion Act of 2009, I was unavoidably detained in the Transportation and Security Subcommittee. I'd like to register the vote for "yea."

MAKE HEALTH CARE AFFORDABLE

(Ms. JENKINS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JENKINS. The health care debate we're having right now is complex. It's personal. It will affect every single American. And it will affect our Nation's financial stability for years. We must get this right.

It appears the current House proposal is not what Americans are asking for. Just yesterday, a Senate committee rejected the so-called "public option" on a bipartisan vote.

Republicans have solutions that I believe most Americans agree on—solutions to root out waste, fraud and abuse; solutions to provide care regardless of preexisting conditions; solutions to help families access affordable care; solutions to reduce the cost of defensive medicine; solutions to fix the system without destroying it.

This debate must be thorough and the solution bipartisan. It's time to come together and to make health care affordable.

IN TRIBUTE TO DR. VASCO SMITH

(Mr. COHEN asked and was given permission to address the House for 1 minute.)

Mr. COHEN. I rise today to honor the life and legacy of a great Memphian and a great American, Dr. Vasco Smith. Dr. Smith was one of the stalwarts of civil rights in our city of Memphis and in the Nation. He served on the county commission with me from 1978 to 1980, but he served on the county commission in Shelby County from 1973 until 1994. He and his fellow county commissioner, Jesse Turner, Sr., were known as the Freedom Fighters.

Jesse Turner, Sr., was the national treasurer of the NAACP. Dr. Vasco Smith's wife, Maxine Smith, was the national secretary of the NAACP. Vasco Smith and Jesse Turner worked on all things in civil rights in Memphis and stood up when others did not and were always a voice of conscience and reasonableness and morality in my community.

Dr. Smith was a great county commissioner. He worked with me and others to build the Regional Medical Center, our general hospital in Memphis that serves the people that need health care. He was a dentist who served his community as a physician. He served in the Air Force and served our Nation.

He was a special man to me because he showed moral rectitude of the type that's rarely seen. He knew justice beyond color. He will be remembered in Memphis as a great civil rights leader, as a husband, a father, a professional, and a great Memphian.

He'll be buried Friday. I'll be there with him. His was a life well lived.

NET NEUTRALITY

(Mr. GINGREY of Georgia asked and was given permission to address the House for 1 minute.)

Mr. GINGREY of Georgia. Madam Speaker, on Monday, The Washington Post published an editorial criticizing SEC Chairman Julius Genachowski's net neutrality proposal. This proposal would call for the Federal Government to introduce unnecessary regulation that would inherently slow down the Internet for all users.

Unfortunately, H.R. 3458, the so-called Internet Freedom Preservation Act, mirrors Chairman Genachowski's proposal and is currently pending in the House.
