

□ 1314

Messrs. RUSH, GENE GREEN of Texas, SCOTT of Georgia, WU, COURTNEY, HINCHEY, Ms. SUTTON, Ms. MOORE of Wisconsin and Ms. CLARKE changed their vote from “yea” to “nay.”

Messrs. COFFMAN, TERRY, CAMP, WALDEN, ROSKAM and CANTOR changed their vote from “nay” to “yea.”

So the motion to recommit was rejected.

The result of the vote was announced as above recorded.

Stated for:

Mr. MINNICK. Madam Speaker, on rollcall No. 783, I was caught in traffic returning from a lunch at I and 18th Street, NW. Had I been present, I would have voted “yea.”

The SPEAKER pro tempore. The question is on the conference report.

Pursuant to clause 10 of rule XX, the yeas and nays are ordered.

This will be a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 307, nays 114, not voting 11, as follows:

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining on this vote.

□ 1329

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

The title was amended so as to read: "A bill to designate the Federal building and United States courthouse located at 1300 Victoria Street in Laredo, Texas, as the 'George P. Kazen Federal Building and United States Courthouse'."

A motion to reconsider was laid on the table.

PROVIDING FOR CONSIDERATION OF H.R. 2442, BAY AREA REGIONAL WATER RECYCLING PROGRAM EXPANSION ACT OF 2009

Ms. MATSUI. Madam Speaker, by direction of the Committee on Rules, I call up House Resolution 830 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 830

*Resolved*, That upon the adoption of this resolution it shall be in order to consider in the House the bill (H.R. 2442) to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to expand the Bay Area Regional Water Recycling Program, and for other purposes. All points of order against consideration of the bill are waived except those arising under clause 9 or 10 of rule XXI. The amendment printed in the report of the Committee on Rules accompanying this resolution shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources; and (2) one motion to recommit with or without instructions.

The SPEAKER pro tempore. The gentleman from California is recognized for 1 hour.

Ms. MATSUI. For the purpose of debate only, I yield the customary 30 minutes to the gentleman from Florida, my friend, Mr. DIAZ-BALART. All time yielded during consideration of the rule is for debate only.

I yield myself such time as I may consume.

GENERAL LEAVE

Ms. MATSUI. I also ask unanimous consent that all Members be given 5 legislative days in which to revise and extend their remarks on House Resolution 830.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Ms. MATSUI. Madam Speaker, H. Res. 830 provides for consideration of H.R. 2442, the Bay Area Regional Water Recycling Program Expansion Act of 2009.

□ 1330

The rule provides 1 hour of general debate, controlled by the Committee on Natural Resources. The rule makes two small changes clarifying the funding in the bill is subject to appropriations and making a purely technical correction to the section numbering in

the bill. The rule also provides one motion to recommit with or without instructions.

Madam Speaker, I first want to thank Chairman MILLER and Chairman STARK, as well as Representatives ESHOO, HONDA, WOOLSEY, MCNERNEY, LOFGREN, NAPOLITANO, and SPEIER, for their work on this bill and efforts to address the Bay Area waters' needs.

I also commend Senators FEINSTEIN and BOXER for introducing identical legislation in the Senate and their leadership on this issue.

As the elected Representative from Sacramento, and as a farmer's daughter from the Central Valley, I understand that water is critical to our State's economy and our way of life. After 3 years of drought, pumping restrictions and lost jobs from the valley to the coast, there is no doubt that improving the capability of water recycling will help address these problems and lessen the burden on the bay-delta ecosystem.

While recycling is not the only way to meet the Bay Area and California's water requirements, it must be part of our comprehensive solution. Effective water use will help keep California's agricultural water economy strong and the delta healthy, and ensure that the needs of northern California businesses, farmers and residents are not ignored.

Under the Title 16 water recycling program, H.R. 2442, would authorize six additional water recycling projects for the Bay Area that would provide 7.2 million gallons of water daily and serve more than 24,000 households. Collectively, these projects will save 2.6 billion gallons of water per year in the region, offering a new water supply of treated wastewater for industrial and irrigation use.

Specifically, the Bay Area Regional Water Recycling Program Expansion Act would authorize \$38 million in Federal assistance under the Interior Department's Bureau of Reclamation for the design, planning, and construction of these new water projects. It would also expand the authorization for two existing projects.

H.R. 2442 would stipulate that the Federal share of the cost of the projects not exceed 25 percent of the total cost and bars the Department from funding operation or maintenance of the projects. It is important to note that this legislation has been endorsed by the Association of California Water Agencies, commonly called ACWA, which includes every major agricultural and urban water agency in the State and represents the largest coalition of public water agencies nationwide.

Additionally, the WaterReuse Foundation, which serves more than 180 public water agencies, cities and major engineering and technology firms, has urged that we move expeditiously on the bill. These groups understand that no one wins when these kinds of local projects are held hostage because of
