

action to make their chemical processes safer. For example, in the 37th district, of which I am a proud representative, the Joint Water Pollution Control Plant in Carson, California, a wastewater treatment plant, switched from using chlorine gas to liquid bleach disinfection. This legislation is already spurring companies to make important changes that will keep our country and our communities safer.

Mr. Chair, I could go on but it suffices to state that this legislation is a balanced and pragmatic response to a critical security need. And again, I want to thank Chairman OBERSTAR, Chairman THOMPSON, and Chairman WAXMAN for their leadership in crafting this extraordinary bill.

I support the Chemical and Water Security Act and urge all members to do likewise.

The Acting CHAIR (Mr. KRATOVIL). All time for general debate has expired.

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Chairman, as the designee of the chairman of the Committee on Homeland Security, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. TIERNEY) having assumed the chair, Mr. KRATOVIL, Acting Chair of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2868) to amend the Homeland Security Act of 2002 to extend, modify, and recodify the authority of the Secretary of Homeland Security to enhance security and protect against acts of terrorism against chemical facilities, and for other purposes, had come to no resolution thereon.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining in this vote.

□ 1806

Messrs. PENCE, LAMBORN, and WESTMORELAND changed their vote from “aye” to “no.”

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

MOMENT OF SILENCE FOR THE VICTIMS OF VIOLENCE AT FORT HOOD

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Ladies and gentlemen, I rise with the extraordinarily sad and wrenching news that 12 of our people at Fort Hood have been killed today by a gunman or more and 31 others were wounded.

President Obama called the incident a horrific outburst of violence, and he went on to say these are men and women who made the selfless and cou-

rageous decision to risk their lives in the service of our Nation. The President went on to say it's horrifying that they should come under fire at an Army base on American soil.

I know that all of us are extraordinarily saddened and shocked by this incident. Our hearts, our minds, our prayers go out to the families of all of those whose lives have been lost and our prayers for their wholeness and health go out to those who have been injured.

Now, Madam Speaker, I yield to Congressman CARTER in whose district Fort Hood is located.

Mr. CARTER. I thank the gentleman for yielding.

Madam Speaker, we have had a tragedy in my district. I am very sad to report that the latest report that I have received from Fort Hood, we have 12 Americans dead, 32 wounded. They have all been shipped to Scott & White Hospital in Temple, and they are calling for blood; so there are obviously some very serious wounds involved in the wounded.

There is one shooter that has been confirmed who has since died, but he has been confirmed, and there are two other people in custody.

We do not know the nature of this attack, but it is a serious attack on our warfighters. These are people at Fort Hood, most of whom have been deployed four times.

So it is a real tragedy that these families are losing loved ones, and I would hope that we could have a moment of silence not only for those who have died and those who are wounded but also for their families.

Mr. HOYER. Madam Speaker, I join Mr. CARTER in asking for this moment of silence. And as we do, we remember all of those in our Armed Forces, whether they are here in America, they are in uniform or in civilian service in the defense of our country.

Obviously, these brave souls were the objects as members of our Armed Forces. And as we rise in a moment of silence to them, we remember as well all of those brave men and women who are serving around the world to maintain peace, security, and freedom.

The SPEAKER. The Members and those in the gallery will please rise and observe a moment of silence in memory of the victims of violence at Fort Hood.

LEGISLATIVE PROGRAM

(Mr. CANTOR asked and was given permission to address the House for 1 minute.)

Mr. CANTOR. Mr. Speaker, I yield to the majority leader, the gentleman from Maryland, so that he may inform the House on what to expect about this weekend's schedule.

Mr. HOYER. I thank the gentleman for yielding.

Ladies and gentlemen of the House, as the House well knows, we are contemplating the consideration of the Health Care for All Americans Act on Saturday. We will be considering the
