

was elected in a special election on April 7 to represent the Fifth District of Illinois.

Before his election, Congressman QUIGLEY served on the Cook County Board for almost 11 years. As commissioner for the 10th District, he earned a reputation for advocating for fiscal discipline and environmental protection.

Congressman QUIGLEY holds a law degree from Loyola University and a master's in public policy from the University of Chicago. He has also worked as a professor of political science at Loyola and Roosevelt Universities.

His wife, Barbara, and two daughters, Alyson and Meghan, are here with him this evening as well as many, many friends in the gallery.

Madam Speaker, I ask my colleagues to join me in offering a warm welcome to our newest colleague and newest Member of the House, MIKE QUIGLEY.

Mr. QUIGLEY. Thank you, Madam Speaker, Members of the House and many friends back home watching, including a lot of good friends at Loyola University.

First, a word of thanks. To my friends, family and staff here, I wish to thank everyone here who got me down here. It means a lot to me.

To my mom and dad, it's a gift from all of your children today because, without you and without them, I wouldn't be here.

Above all, I want to thank my wife, Barb, and my daughters, Alyson and Meghan. I must put the record clear: Meghan and Alyson already have their puppy. I will tell you that dog is not hypochlorogenic either.

I also want to recognize my predecessor, Rahm Emanuel, who is here today.

Madam Speaker, ladies and gentlemen, you may find that the Congressman and I have different styles. Someone suggested different vocabulary, but I wasn't going to add that. We share much in common, and that is that Rahm and I share the same commitment to the working families of our country and of the Fifth District.

Finally, I do want to thank the people of the Fifth District of Illinois. You all know trust is a hard thing to come by these days in this business, and the people of my district gave me their trust. I can't tell you out there what that means to me. It's a humbling experience to take a job when people are losing theirs and to become a Member of this House when people are losing theirs. It means the world to me that the public gave me their trust. It is for them, for every American confronting these challenges, that I draw my strength, and I look forward to working with each and every one of you to make those things happen.

Thank you and God bless.

ANNOUNCING THE PASSING OF FORMER REPRESENTATIVE BILL ORTON OF UTAH

(Mr. MATHESON asked and was given permission to address the House for 1 minute.)

Mr. MATHESON. Mr. Speaker, it is with regret that I bring before the House the news that a former colleague, Bill Orton from the Third District of Utah, passed away in a tragic accident just last Saturday. He was out with his kids recreating on some sand dunes in central Utah.

Bill was a smart Member of Congress. He was a substantive Member of Congress. He was someone who spoke his mind, and I know that his commitment to public service continued after he left this institution. He was first elected in 1990. He served for 6 years. He was one of the founding members of the Blue Dog Coalition here in the House of Representatives while he was here.

I would like to yield to my colleague from Utah (Mr. BISHOP) for some comments, and then I will ask for a moment of silence.

Mr. BISHOP of Utah. Mr. Speaker, none of us in the delegation had the opportunity of serving with Mr. Orton while he was in Congress. I did, though, have the opportunity to know him, as a result of being majority leader and speaker of the House in the Utah legislature in his first two terms, and as such got to know that Mr. Orton was indeed someone committed to public service. We offer our deep condolences to him and his very young family at this tragic occurrence and remember him with fondness for his commitment to his country and his State.

Mr. MATHESON. We certainly want to offer our condolences to Bill's wife, Jacquelyn; his sons, Will and Wes. And with that, I ask the House recognize this with a moment of silence.

The SPEAKER pro tempore. Will all Members please rise for a moment of silence.

PERSONAL EXPLANATION

Mr. KENNEDY. Mr. Speaker, I regret that I was unable to participate in a series of votes on the floor of the House of Representatives today.

Had I been present to vote on rollcall No. 193, The Crane Conservation Act of 2009, I would have voted "yea" on the question.

Had I been present to vote on rollcall No. 194, The Great Cats and Rare Canids Act, I would have voted "yea" on the question.

Had I been present to vote on rollcall No. 195, Lake Hodges Surface Water Improvement and Reclamation Act of 2009, I would have voted "yea" on the question.
