□ 1744

Mr. BURGESS changed his vote from "no" to "aye."

So the amendment was agreed to.

The result of the vote was announced as above recorded.

□ 1745

The Acting CHAIR. The question is on the committee amendment in the nature of a substitute, as amended.

The committee amendment in the nature of a substitute, as amended, was agreed to.

The Acting CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mrs. TAUSCHER) having assumed the chair, Mr. SALAZAR, Acting Chair of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2352) to amend the Small Business Act, and for other purposes, pursuant to House Resolution 457, he reported the bill back to the House with an amendment adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment to the amendment reported from the Committee of the Whole? If not, the question is on the amendment.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mrs. CAPITO. Madam Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentlewoman opposed to the bill?

Mrs. CAPITO. In its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mrs. Capito moves to recommit the bill H.R. 2352 to the Committee on Small Business with instructions to report the same back to the House forthwith with the following amendment:

Add at the end the following new title:

TITLE VIII—ASSISTANCE RELATED TO CARBON EMISSION TAX

SEC. 801. ASSISTANCE RELATED TO CARBON EMISSION TAX.

Section 21(c)(3) of the Small Business Act (15 U.S.C. 648(c)(3)) is amended—

(1) in subparagraph (S), by striking the final “and”;

(2) in subparagraph (T), by striking the period and inserting “; and”; and

(3) by adding at the end the following new subparagraph:

“(U) providing information and technical assistance to any small business owner that faces an increase in costs as a result of the enactment of any program to impose a tax on carbon emissions, either directly or through the operation of a cap and trade system on such emission limits.”.

Mrs. CAPITO (during the reading). Madam Speaker, I ask unanimous consent to dispense with the reading.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from West Virginia?

There was no objection.

The SPEAKER pro tempore. The gentlewoman from West Virginia is recognized for 5 minutes.

Mrs. CAPITO. Madam Speaker, the intent of this motion to recommit is clear. My amendment amends the legislation to include important language that would ensure that small business owners are made aware of adverse effects that could be caused by future energy taxes.

The simple amendment will direct the Small Business Administration to make sure small businesses are provided with information and technical assistance if and when they face an increase in costs as a result of the enactment of any program to impose a tax on carbon emissions, either directly or through the operation of a cap-and-trade system on such amendment emission limits.

Small business owners understand that cap-and-trade is essentially a national energy tax that will hit consumers and business owners alike. Manufacturers and small business owners in States like mine depend on the low cost of energy. These businesses compete in a global marketplace where energy costs are critical to economic success.

The cost increases from a national energy tax will prove to be severely damaging to the bottom lines of small businesses in my State and many others across this country. It is only appropriate to communicate those costs associated with such a policy. Small businesses operate on very clear margins, and it is the duty of this body to protect those job creators, not go after them with increased tax burdens.

I urge adoption of this amendment.

I yield back the balance of my time.

Ms. VELÁZQUEZ. Madam Speaker, I claim the time in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentlewoman from New York is recognized for 5 minutes.

Ms. VELÁZQUEZ. Madam Speaker, I understand that the gentlelady is trying to make a point of climate change reform. What I would hope is that you will engage in a constructive dialogue on our long-term energy challenges. I understand the point that you're trying to make, and I will invite you to engage in a constructive dialogue when it comes to climate change reform.

The legislation that you're referring to will provide assistance to small businesses and also small manufacturers as we transition to a green economy, and in fact, the bill that we have before us today creates a green entrepreneurs training program in the sectors of energy efficiency, clean technology. Also, several amendments adopted today will help promote energy efficiency under the Polis amendment. The Women's Business Center program will provide such a system for

women-owned firms. The manager's amendment includes several provisions that will assist firms to adopt processes and techniques that will reduce their use of energy.

And, finally, last Congress we passed an energy bill which includes a wide range of provisions that encourage small businesses to become more energy efficient. So we are calibrating the effect that any legislation regarding climate change will have on small businesses, and that is why we are addressing some of those issues in the bill that we have here today.

I applaud the gentlelady's intent to provide more assistance to small businesses, and I accept her motion to recommit.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

RECORDED VOTE

Mrs. CAPITO. Madam Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, the Chair will reduce to 5 minutes the minimum time for any electronic vote on the question of passage.

The vote was taken by electronic device, and there were—ayes 385, noes 41, not voting 7, as follows:

ROSLYN LITTMAN SCHULTE

(Mr. MURPHY of New York asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MURPHY of New York. Mr. Speaker, I rise today with a very sad duty of reporting the tragic passing of Roslyn Littman Schulte, who was taken from us by a roadside bomb just north of Kabul earlier today while serving our country.

Roslyn Schulte was a first lieutenant in the United States Air Force, an intelligence officer, and the younger sister of my chief of staff, and a great friend of this body, Todd Schulte.

Roslyn Schulte was born March 18, 1984, in St. Louis, Missouri. She was a graduate of John Burroughs High School in St. Louis, and attended the United States Air Force Academy, where she graduated in 2006. She was deployed to Afghanistan on February 18 of this year.

Like so many patriotic Americans, Lieutenant Schulte was willing to give her life in service to all of us and to her country. The expression of our gratitude to her is beyond words.

Roslyn is survived by her parents, Bob and Suzy Schulte, and her brother, Todd. The thoughts and prayers of a grateful Nation are with the Schulte family and with Roslyn's fellow troops and friends at this difficult time.

As we stand on this floor and debate the profound issues of our times, let us never forget the true cost of the freedoms that we so often take for granted.

NOMINATION OF DAWN JOHNSEN

(Mr. CANTOR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CANTOR. Mr. Speaker, I rise today with deep and growing concern over President Obama's nomination of Dawn Johnsen to head up the Justice Department's Office of Legal Counsel. My worry isn't merely her position on the question of life. It's that she routinely has taken hard-line stances and made extreme statements that cast doubt on her fitness to manage the power entrusted to her in a responsible way.

Ms. Johnsen has claimed that abortion restrictions “reduce pregnant women to no more than fetal container.” Her arguments have compared pro-life advocates to the KKK and pregnancy to slavery.
