

Razorback gear and show his support for the team while stationed in California.

Blue made the ultimate sacrifice for his country. He is a true American hero.

I ask my colleagues to keep Blue's family and friends in their thoughts and prayers during these very difficult times, and I humbly offer my thanks to Army First Sergeant Blue Rowe for his selfless service to the security and well-being of all Americans.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote incurs objection under clause 6 of rule XX.

Record votes on postponed questions will be taken after 6:30 p.m. today.

AVRA/BLACK WASH RECLAMATION AND RIPARIAN RESTORATION PROJECT

Mrs. CHRISTENSEN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 325) to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Avra/Black Wash Reclamation and Riparian Restoration Project.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 325

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Avra/Black Wash Reclamation and Riparian Restoration Project".

SEC. 2. PROJECT AUTHORIZATION.

(a) IN GENERAL.—The Reclamation Wastewater and Groundwater Study and Facilities Act (Public Law 102-575, title XVI; 43 U.S.C. 390h et seq.) is amended by adding at the end the following:

"SEC. 16. AVRA/BLACK WASH RECLAMATION AND RIPARIAN RESTORATION PROJECT, PIMA COUNTY, ARIZONA.

"(a) AUTHORIZATION.—The Secretary, in cooperation with Pima County, Arizona, may participate in the planning, design, and construction of water recycling facilities and to enhance and restore riparian habitat in the Black Wash Sonoran Desert ecosystem in Avra Valley west of the metropolitan Pima County area.

"(b) COST SHARING.—The Federal share of the cost of the project described in subsection (a) shall not exceed 25 percent of the cost of the project.

"(c) LIMITATION.—Federal funds provided under this section shall not be used for operation or maintenance of the project described in subsection (a).

"(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section \$14,000,000.

"(e) USE OF FUNDS.—Federal funds provided under this section shall only be used for the design, planning and construction of water-related infrastructure."

(b) CLERICAL AMENDMENT.—The table of sections for Public Law 102-575 is amended by inserting after the last item relating to title XVI the following:

"Sec. 16. Avra/Black Wash Reclamation and Riparian Restoration Project, Pima County, Arizona."

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) and the gentleman from Colorado (Mr. LAMBORN) each will control 20 minutes. The Chair recognizes the gentlewoman from the Virgin Islands.

□ 1415

GENERAL LEAVE

Mrs. CHRISTENSEN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and to include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from the Virgin Islands?

There was no objection.

Mrs. CHRISTENSEN. I yield myself such time as I may consume.

Mr. Speaker, H.R. 325, sponsored by the National Parks, Forests and Public Lands Subcommittee chairman, RAÚL GRIJALVA, authorizes the Secretary of the Interior to participate in the Avra/Black Wash Reclamation and Riparian Restoration Project. The extremely arid conditions and climate of the Tucson, Arizona metropolitan area require the careful and innovative planning of both water supply and wastewater treatment systems.

The proposed Avra Valley Reclamation and Riparian Restoration site would spread treated wastewater on the mesquite riparian forest in Black Wash, creating valuable riparian habitat for migrating birds while recharging groundwater for the greater Tucson area.

I commend Mr. GRIJALVA for bringing this legislation to our attention, and I urge my colleagues to support the passage of H.R. 325.

I reserve the balance of my time.

Mr. LAMBORN. I yield myself such time as I may consume.

Mr. Speaker, the Democratic bill manager has adequately explained this bill. An earlier version of the bill would have allowed water infrastructure funds to be expended for trails and a visitors center. The bill now targets funding for water recycling infrastructure only. As such, we have no objection to this narrowly focused bill.

I would yield back the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I have no further speakers, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) that the House suspend the rules and pass the bill, H.R. 325.

The question was taken; and (two-thirds being in the affirmative) the

rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

CENTRAL TEXAS WATER RECYCLING ACT OF 2009

Mrs. CHRISTENSEN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1120) to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Central Texas Water Recycling and Reuse Project, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 1120

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Central Texas Water Recycling Act of 2009".

SEC. 2. PROJECT AUTHORIZATION.

(a) IN GENERAL.—The Reclamation Wastewater and Groundwater Study and Facilities Act (Public Law 102-575; 43 U.S.C. 390h et seq.) is amended by inserting after section 16 the following new section:

"SEC. 16. CENTRAL TEXAS WATER RECYCLING AND REUSE PROJECT.

"(a) AUTHORIZATION.—The Secretary, in cooperation with the City of Waco and other participating communities in the Central Texas Water Recycling and Reuse Project is authorized to participate in the design, planning, and construction of permanent facilities to reclaim and reuse water in McLennan County, Texas.

"(b) COST SHARE.—The Federal share of the costs of the project described in subsection (a) shall not exceed 25 percent of the total cost.

"(c) LIMITATION.—The Secretary shall not provide funds for the operation and maintenance of the project described in subsection (a).

"(d) SUNSET OF AUTHORITY.—The authority of the Secretary to carry out any provisions of this section shall terminate 10 years after the date of enactment of this section."

(b) CLERICAL AMENDMENT.—The table of sections in section 2 of Public Law 102-575 is amended by inserting after the item relating to section 16 the following:

"Sec. 16. Central Texas Water Recycling and Reuse Project."

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) and the gentleman from Colorado (Mr. LAMBORN) each will control 20 minutes.

The Chair recognizes the gentlewoman from the Virgin Islands.

GENERAL LEAVE

Mrs. CHRISTENSEN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and to include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from the Virgin Islands?

There was no objection.

Mrs. CHRISTENSEN. I yield myself such time as I may consume.

Mr. Speaker, H.R. 1120 authorizes the Secretary of the Interior to participate

in the Central Texas Water Recycling and Reuse Project. The project will treat and recycle wastewater generated by the city of Waco and six neighboring communities. Similar legislation was passed by the House under suspension of the rules in the 109th and 110th Congresses.

I urge my colleagues to support the passage of H.R. 1120, and I commend the bill's sponsor, Mr. EDWARDS of Texas, for his persistence and hard work to secure authorization for this very important project.

Mr. Speaker, I reserve the balance of my time.

Mr. LAMBORN. Mr. Speaker, I yield myself such time as I may consume.

The Democratic bill manager has adequately explained this bill, which authorizes limited Federal participation in a water reuse project in McLennan County, Texas. We have no objection to this well-intended bill.

I reserve the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I would now like to yield such time as he might consume to the sponsor of this act, to our colleague, Mr. EDWARDS of Texas.

Mr. EDWARDS of Texas. Mr. Speaker, I first want to thank the gentlewoman from the Virgin Islands for her courtesy and for her kind comments and support for this legislation and for her leadership on the committee.

Mr. Speaker, our communities and Nation have a responsibility to be good stewards of our water resources. That is why I introduced H.R. 1120, the Central Texas Water Recycling Act of 2009.

This bill will authorize approximately \$8 million in Federal funds to help build an innovative water recycling program in partnership with my hometown of Waco, Texas, and with several neighboring communities. It supports efforts to manage water resources efficiently in McLennan County by strategically locating regional satellite water treatment plants that will not only provide for the conservation of our community's water supply but will also reduce costs to the taxpayers.

This project can provide up to 10 million gallons per day of reused water, thereby reducing the water demand on Lake Waco. Instead of wasting valuable drinking water for use in factories and on golf courses in July and August in Texas, which doesn't make much sense, we will be able to use lower-cost recycled wastewater for those purposes, and will be able to save enough drinking water for over 20,000 households.

The bottom line is this: By being good stewards of our water supply, we will reduce water costs for businesses and for working families. It will save taxpayers millions of dollars, and it will encourage economic growth and jobs.

I want to thank Chairman RAHALL and Ranking Member HASTINGS for their support of this measure, and I want to thank the subcommittee chairwoman, Mrs. NAPOLITANO, and the

ranking subcommittee member, Mrs. MCMORRIS RODGERS, for their key roles in this bill's passage.

This legislation, Mr. Speaker, is a kind of effort that shows what Congress can do when we work together on a bipartisan basis.

I also want to thank the mayors, city council and staff from the cities of Waco, Lorena, Robinson, Hewitt, Woodway, Bellmead, and Lacy-Lakeview for their cooperative efforts that brought us here today.

Finally, I want to extend special credit to Waco's city manager, Larry Groth, for his extraordinary leadership on this bill. Without his leadership and that of his staff's, without their hard work and professionalism, we would not be here today. As a citizen of Waco, I am grateful for his and his staff's outstanding service to my hometown.

I urge a "yes" vote on H.R. 1120.

Mr. LAMBORN. Mr. Speaker, I will just reaffirm the support that this bill has from our side of the aisle, I yield back the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) that the House suspend the rules and pass the bill, H.R. 1120.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

LOWER RIO GRANDE VALLEY WATER RESOURCES CONSERVATION AND IMPROVEMENT ACT OF 2009

Mrs. CHRISTENSEN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1393) to amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 1393

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2009".

SEC. 2. AUTHORIZATION OF ADDITIONAL PROJECTS AND ACTIVITIES UNDER THE LOWER RIO GRANDE WATER CONSERVATION AND IMPROVEMENT PROGRAM.

(a) ADDITIONAL PROJECTS.—Section 4(a) of the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 (Public Law 106-576; 114 Stat. 3067) is amended by adding at the end the following:

"(20) In Cameron County, Texas, Bayview Irrigation District No. 11, water conservation and improvement projects as identified in the March 3, 2004, engineering report by NRS Consulting Engineers at a cost of \$1,425,219.

"(21) In the Cameron County, Texas, Brownsville Irrigation District, water conservation and improvement projects as identified in the February 11, 2004, engineering report by NRS Consulting Engineers at a cost of \$722,100.

"(22) In the Cameron County, Texas, Harlingen Irrigation District No. 1, water conservation and improvement projects as identified in the March 2004 engineering report by Axiom-Blair Engineering at a cost of \$4,173,950.

"(23) In the Cameron County, Texas, Cameron County Irrigation District No. 2, water conservation and improvement projects as identified in the February 11, 2004, engineering report by NRS Consulting Engineers at a cost of \$8,269,576.

"(24) In the Cameron County, Texas, Cameron County Irrigation District No. 6, water conservation and improvement projects as identified in an engineering report by Turner Collie Braden, Inc., at a cost of \$5,607,300.

"(25) In the Cameron County, Texas, Adams Gardens Irrigation District No. 19, water conservation and improvement projects as identified in the March 2004 engineering report by Axiom-Blair Engineering at a cost of \$2,500,000.

"(26) In the Hidalgo and Cameron Counties, Texas, Hidalgo and Cameron Counties Irrigation District No. 9, water conservation and improvement projects as identified by the February 11 engineering report by NRS Consulting Engineers at a cost of \$8,929,152.

"(27) In the Hidalgo and Willacy Counties, Texas, Delta Lake Irrigation District, water conservation and improvement projects as identified in the March 2004 engineering report by Axiom-Blair Engineering at a cost of \$8,000,000.

"(28) In the Hidalgo County, Texas, Hidalgo County Irrigation District No. 2, a water conservation and improvement project identified in the engineering reports attached to a letter dated February 11, 2004, from the district's general manager, at a cost of \$5,312,475.

"(29) In the Hidalgo County, Texas, Hidalgo County Irrigation District No. 1, water conservation and improvement projects identified in an engineering report dated March 5, 2004, by Melden and Hunt, Inc. at a cost of \$5,595,018.

"(30) In the Hidalgo County, Texas, Hidalgo County Irrigation District No. 6, water conservation and improvement projects as identified in the March 2004 engineering report by Axiom-Blair Engineering at a cost of \$3,450,000.

"(31) In the Hidalgo County, Texas, Santa Cruz Irrigation District No. 15, water conservation and improvement projects as identified in an engineering report dated March 5, 2004, by Melden and Hunt at a cost of \$4,609,000.

"(32) In the Hidalgo County, Texas, Engelman Irrigation District, water conservation and improvement projects as identified in an engineering report dated March 5, 2004, by Melden and Hunt, Inc. at a cost of \$2,251,480.

"(33) In the Hidalgo County, Texas, Valley Acres Water District, water conservation and improvement projects as identified in an engineering report dated March 2004 by Axiom-Blair Engineering at a cost of \$500,000.

"(34) In the Hudspeth County, Texas, Hudspeth County Conservation and Reclamation District No. 1, water conservation and improvement projects as identified in the March 2004 engineering report by Axiom-Blair Engineering at a cost of \$1,500,000.

"(35) In the El Paso County, Texas, El Paso County Water Improvement District No. 1, water conservation and improvement
