

attended the University of Southern California, School of Law and was the only Mexican-American graduate at that time. He was the founder of the Mexican American Legal Defense and Educational Fund (MALDEF), a founding board member of the Mexican American Bar Association of El Paso, and a federal immigration judge.

Judge Armendariz dedicated his life to the El Paso community and to our nation and it is fitting that we honor him in this manner.

I ask your support for this bill which will name the new El Paso Federal Courthouse after the late Judge Albert Armendariz, Sr.

GENERAL LEAVE

Ms. NORTON. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and to include extraneous material on H.R. 3193.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from the District of Columbia?

There was no objection.

Ms. NORTON. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in strong support of H.R. 3193 and am pleased today to speak in support of a bill that names the courthouse located in Fort Pierce, Florida, as the Alto Lee Adams, Sr. United States Courthouse.

Judge Alto Lee Adams was born in 1899 in Florida and served as a member of the U.S. Navy in World War I. Judge Adams later graduated from the University of Florida Law School in 1921 and began practice in Fort Pierce in 1924. After practicing law in Fort Pierce County for 14 years, Judge Adams was appointed to the Florida State Circuit Court in 1938. After serving as a circuit court judge, Judge Adams served two stints as a member of the Florida Supreme Court. He was an active member of his community, serving as president of the Florida State Elks Association and vice-chair of the State Welfare Board.

Because of Judge Adams' exemplary career in public service as both a member of the military and as a Florida Supreme Court justice, I urge my colleagues to support H.R. 3193, which names the Federal courthouse under construction at 101 South United States Route 1 in Fort Pierce, Florida, as the Alto Lee Adams, Sr. United States Courthouse.

Mr. Speaker, I reserve the balance of my time.

Mr. MARIO DIAZ-BALART of Florida. Mr. Speaker, I would like to first thank Representative ROONEY for his leadership and work on this bill and would like to also yield the distinguished gentleman from Florida 3 minutes.

Mr. ROONEY. I thank the gentleman for yielding.

Today is a great day for the residents of Fort Pierce, Florida, and the Treasure Coast.

Over two decades ago, the late Congressman Tom Lewis and his district director, Ann Decker, started the long process of bringing a Federal courthouse to St. Lucie County. I was greatly honored that one of my first official events as Congressman was to participate in the historic groundbreaking of this new building. Shortly thereafter, I introduced legislation to honor the distinguished life and career of the late Florida supreme court chief justice, Alto Lee Adams, by naming this new building in his memory.

This courthouse will fill a vital role for the city of Fort Pierce, bringing much-needed jobs and investment to the community with a greatly needed new Federal courthouse to the area. It is only fitting that this courthouse be named in honor of a man who himself gave so much to his community.

Chief Justice Alto Lee Adams, Sr., attended the University of Florida College of Law and graduated in 1921. He practiced law in Fort Pierce from 1924 to 1938 until he was appointed as a circuit court judge for St. Lucie County.

After Florida voters adopted an amendment which created a seventh justice in the State supreme court in 1940, Alto Lee Adams, Sr. was appointed to the court by then-Governor Fred P. Cone. He served as a justice on the Florida supreme court from 1940 to 1951 and 1967 to 1968, and as chief justice from 1949 to 1951.

Chief Justice Adams believed it was important to give back to his community and even served as president of the Florida State Elks Association in 1937. His service to the St. Lucie community served as an example to his children and those who knew him. In addition to his distinguished career, Judge Adams started a successful cattle ranch named Adams Ranch in St. Lucie County which is still run by the Adams family.

Judge Adams set a standard of integrity and community service that lives on today, and I believe it's only fitting that a new courthouse be named in his honor.

I would like to thank Chairman OBERSTAR, Ranking Member MICA, Mr. DIAZ-BALART, and their staff, for helping support the moving of this legislation. I am proud to sponsor H.R. 3193 and ask my colleagues for their support.

Mr. OBERSTAR. Mr. Speaker, I rise in support of H.R. 3193, a bill to designate the United States courthouse under construction at 101 South United States Route 1 in Fort Pierce, Florida, as the "Alto Lee Adams, Sr., United States Courthouse".

Alto Lee Adams, Sr. was born and raised in Walton County, Florida, and graduated from the University of Florida Law School in 1921. After practicing law in Fort Pierce County for 14 years, Judge Adams was appointed to the Florida state circuit court in 1938.

In 1940, Florida citizens voted for the creation of a seventh seat on the State Supreme Court. Then-Governor Cone appointed Judge Adams to the State's highest court. He served on the Florida Supreme Court until 1951, the last two years as the Chief Justice. During this time, Justice Adams authored one of his most highly-regarded decisions in *Taylor v. State*, which illustrated Justice Adams' dedication to civil rights. He wrote that "[a]s to the relative rights and duties, the law makes no [racial] distinction." Justice Adams also continually advocated for individual property rights over the Federal Government's power of eminent domain. In 1967, then-Governor Kirk re-appointed Justice Adams to the State Supreme Court, where he remained on the court until his mandatory retirement in 1968.

Throughout his legal career, Justice Adams co-authored a book and wrote several articles regarding legal history and philosophy. His 13 years of service on the Florida State Supreme Court are marked by his fairness on the bench.

He was also an active member of his community serving as President of the Florida State Elks Association and as Vice Chair of the State Welfare Board.

Because of Judge Adams' exemplary career in public service, it is fitting to designate the United States Courthouse under construction at 101 South United States Route 1 in Fort Pierce, Florida, as the "Alto Lee Adams, Sr., United States Courthouse".

I urge my colleagues to join me in supporting H.R. 3193.

Mr. MARIO DIAZ-BALART of Florida. Mr. Speaker, I yield back the balance of my time.

Ms. NORTON. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from the District of Columbia (Ms. NORTON) that the House suspend the rules and pass the bill, H.R. 3193.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The SPEAKER pro tempore (Mr. PASTOR of Arizona). Pursuant to the rule, the gentleman from Virginia (Mr. SCOTT) and the gentleman from Texas (Mr. POE) each will control 20 minutes.

The Chair recognizes the gentleman from Virginia.

GENERAL LEAVE

Mr. SCOTT of Virginia. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and to include extraneous material on the resolution under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.

Mr. SCOTT of Virginia. I yield myself such time as I may consume.

Mr. Speaker, this resolution supports this year's National Night Out events coordinated by the National Association of Town Watch and encourages the President to focus attention on neighborhood crime prevention, community policing and Federal efforts to participate in various local events. The 26th Annual National Night Out, America's night out against crime, was held on Tuesday, August 4, 2009.

The National Night Out is designed to promote crime and drug prevention efforts, create support for local anti-crime programs and strengthen neighborhood camaraderie and police-community partnerships. Last year's National Night Out campaign involved citizens, law enforcement agencies, civic groups, businesses, neighborhood organizations and local officials from over 15,000 communities from all 50 States, as well as U.S. territories, Canadian cities and military bases worldwide.

In 2008, over 37 million people participated in National Night Out events. National Night Out has the support of many agencies and organizations, including the National Sheriffs Association, the United States Conference of Mayors, and the National League of Cities.

On August 4, people from communities around the country sat on their porches with their lights on to show their support for neighborhood crime prevention and drug abuse prevention efforts. Local sponsors also organized events such as block parties, cookouts, parades and visits with local law enforcement agencies, as well as rallies and marches. National Night Out events have become a very popular way to build police-community relations and to encourage people to volunteer in their communities.

For those reasons, Mr. Speaker, I urge my colleagues to support the resolution introduced by the gentleman from Michigan (Mr. STUPAK).

I reserve the balance of my time.

Mr. POE of Texas. Mr. Speaker I yield myself such time as I may consume.

I want to thank the gentleman from Michigan (Mr. STUPAK) for sponsorship of this legislation.

On August 4, 2009, communities, businesses, local law enforcement officials and other individuals from all 50 States got together for what we call National Night Out. National Night Out, an annual event created to bring attention to the importance of community involvement in preventing crime and community awareness efforts throughout the country. It has successfully reached millions of people and thousands of communities in every State in our Nation.

Not only has the event grown in participation and size, but in production as well. The traditional "lights on," in which neighborhood families coordinate in turning on their porch lights,
