GENERAL LEAVE

Mr. LYNCH. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

Mr. LYNCH. I yield myself such time as I may consume.

Mr. Speaker, as chairman of the subcommittee with jurisdiction over the United States Postal Service, I am pleased to present H.R. 2215 for consideration. This legislation will designate the United States Postal facility located at 140 Merriman Road in Garden City, Michigan, as the "John J. Shivnen Post Office Building."

Introduced on April 30, 2009, by my colleague, Representative THAD MCCOTTER of Michigan, H.R. 2215 was favorably reported out of the Oversight Committee on September 10, 2009, by unanimous consent. Additionally, this legislation enjoys the support of the entire sitting Michigan delegation.

Mr. Speaker, the dedication of the Garden City Post Office in honor of John J. Shivnen is particularly fitting in light of Mr. Shivnen's dedicated and unparalleled service to the United States Postal Service and to his beloved Garden City community.

Specifically, Mr. Shivnen served as the postmaster of Garden City for 30 years until his retirement in 1996. In addition, Mr. Shivnen was an active member of the National Association of Postmasters of the United States for over 40 years, during which time he served in multiple leadership capacities, including area and county director, legislative chairman, parliamentarian, and postmaster representative. Moreover, Mr. Shivnen played an instrumental role with respect to the site selection and construction of the current Garden City Post Office.

In addition to his professional contributions to the Garden City community, Mr. Shivnen also demonstrated a lifelong commitment to community service. During his stewardship of the Garden City Post Office, Mr. Shivnen established an annual Christmas Basket program through which disadvantaged local families received much needed gift and food donations. Mr. Shivnen was also a dedicated member of the Garden City Lions Club service organization. Following his retirement, he remained an active member of several other community groups until his health no longer allowed him to continue.

Notably, among Mr. Shivnen's last community service projects was the creation of a replica of a rural post office located at the Garden City Historical Museum. In support of this effort, Mr. Shivnen purchased a majority of the replica items, performed much of the restoration work himself, and even paid for a portion of the contract work.

In recognition of Mr. Shivnen's contributions to the project, which was completed shortly before his passing, the Garden City Historical Museum Board honored Mr. Shivnen's legacy by hosting his wake at the museum. Regrettably, Mr. Shivnen passed away in January of 2007.

Mr. Speaker, it is my hope that we can honor his lifelong commitment to public and community service through the passage of this legislation to designate the Garden City Post Office in his honor. I urge my colleagues to join me in supporting H.R. 2215.

I reserve the balance of my time.

Mr. CHAFFETZ. I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 2215, a resolution to designate the facility of the United States Postal Service, located at 140 Merriman Road in Garden City, Michigan, as the "John J. Shivnen Post Office Building." I also commend Representative MCCOTTER for bringing this forward to this body.

A graduate of Garden City High School, John Shivnen believed in hard work, humility and community service, and he lived with these three qualities in mind throughout his life.

Appointed postmaster as a young man, Mr. Shivnen served for 30 years, making him the longest-serving postmaster in Garden City. As postmaster, he was actively involved in the site selection and construction of the current Garden City Post Office. He was also an active member of the National Association of Postmasters of the U.S. for 41 years, serving in numerous leadership positions.

Mr. Shivnen's passion for community service was shown through his many efforts to help the community where he spent most of his life. He established the Garden City Post Office annual Christmas Basket program, and was an active member of the Garden City Lions Club.

Generous and compassionate, Mr. Shivnen's deep commitment to his community did not end after his retirement in 1996. He volunteered at the local senior center as a handyman, and his last large community project was his creation of a replica of a rural post office for the Garden City Historical Museum. Purchasing most of the replica items and working with others, the project continued until his declining health prevented him from leaving his home.

His dedication and service for his community is exemplary, and it is fitting to name the post office in Garden City, Michigan, in his honor.

Mr. Speaker, I yield back the balance of my time.

Mr. LYNCH. Mr. Speaker, in closing, I again urge my colleagues to support Mr. MCCOTTER and us in honoring Mr. John J. Shivnen through the passing of H.R. 2215. I yield back the remainder of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Massachusetts (Mr. LYNCH) that the House suspend the rules and pass the bill, H.R. 2215.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. LYNCH. Mr. Speaker, I object to the vote on the ground that a quorum

is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.

The Chair recognizes the gentleman from Massachusetts.

GENERAL LEAVE

Mr. LYNCH. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

Mr. LYNCH. I yield myself such time as I may consume.

Mr. Speaker, on behalf of the Oversight Committee, I am pleased to present House Concurrent Resolution 163 for consideration. This legislation expresses support for the designation of September 23, 2009, as "National Job Corps Day."

The measure before us was introduced on July 8, 2009, by my colleague, Representative JERRY MORAN of Kansas, and it was favorably reported out of the Oversight Committee on September 10, 2009, by unanimous consent. Additionally, this legislation currently enjoys the support of over 65 Members of Congress.

Mr. Speaker, House Concurrent Resolution 163 supports the designation of September 23 as "National Job Corps Day." Administered by the United States Department of Labor, the Job Corps is the Nation's largest career technical training and educational program for young people over the age of 16. The Job Corps offers a wide array of services, including career planning, on-the-job training, job placement, residential housing, food services, and driver education.

Since its inception via the 1964 Economic Opportunity Act, the Job Corps has provided countless young Americans with the academic, vocational and social skills training needed to help them obtain meaningful jobs and to pursue further educational opportunities.

In light of the recent economic crisis, the various services and programs offered by the Job Corps have never been more important for America's youth and for the entire Nation. The Job Corps helps to ensure that America's workforce remains capable of handling the challenges of our rapidly changing world.

Notably, the Job Corps boasts 123 centers nationwide, including centers in the District of Columbia and Puerto Rico. Of these 123 centers, my own congressional district is the proud home of the Job Corps' Boston regional office. This terrific regional office oversees Job Corps centers in Connecticut, Maine, Massachusetts, New Jersey,

New York, Puerto Rico, Rhode Island, and Vermont.

In closing, I am delighted to support House Concurrent Resolution 163, and I urge all of our friends and Members to join me in recognizing the continuing success of the Job Corps.

I reserve the balance of my time.

Mr. CHAFFETZ. Mr. Speaker, I yield myself such time as I may consume.

I rise today to discuss House Concurrent Resolution 163, expressing support for the designation of September 23, 2009, as National Job Corps Day.

The Job Corps organization has been training young adults for careers since 1964. Job Corps's mission is to "attract eligible young people, teach them the skills they need to become employable and independent, and place them in meaningful jobs or further education." By committing to this mission, Job Corps is able to successfully train thousands of youth in the United States each year.

Job Corps involves youth and a free career development program, which integrates the teaching of academic, vocational, employability skills and social competencies. This gives young people the opportunity to prepare themselves for a fruitful future, with help from the dedicated employees who ensure this program runs smoothly and effectively. These people should also be commended.

Keeping our Nation's youth in productive programs like Job Corps helps to steer the youth of the United States in the right direction. The staff and students have contributed to their communities millions of hours of community service, showing the importance of giving back to the United States of America.

Mr. Speaker, I yield back the balance of my time.

Mr. LYNCH. Mr. Speaker, I again urge my colleagues to support the designation of September 23, 2009, as National Job Corps Day by agreeing to House Concurrent Resolution 163.

Mr. MORAN of Kansas. Mr. Speaker, I rise in support of H. Con. Res. 163. This legislation designates tomorrow, September 23, 2009, as "National Job Corps Day." I introduced this resolution to commemorate the 45th anniversary of Job Corps and to recognize the program for its successes.

I firmly believe that the world is changed one person at a time. At Job Corps' 123 centers across the country, the program is changing lives each day. Close to three-quarters of the students who enroll in Job Corps are high school dropouts. Many have never held a full-time job. These young people come from difficult circumstances, with skills and abilities not yet discovered or fully developed.

Yet, Job Corps recognizes the potential in these individuals. It gives them the opportunity to improve their education and learn an employable skill. It provides the care, encouragement, and support these youths need to turn their lives around.

In an average 8 month stay at Job Corps, the majority of students leave with a high
