

And so the President in subsequent speeches, and on Sunday morning he was on a number of shows and he is continuing to give speeches, he made the comment, you know, we absolutely do need a verification system very similar to what we currently have with our safety net programs that I referenced earlier, Medicaid and the SCHIP program.

So I think the President is certainly paying attention and is maybe getting a little more careful about understanding and reading those—how many pages are in the bill, 1,200?

Mrs. BACHMANN. There are 1,018.

I thank the gentleman from Louisiana, the gentleman from Georgia and the gentleman from Iowa. Clearly, the American people know we can do better. That is what we will do.
