The nomination considered and confirmed is as follows:

IN THE PUBLIC HEALTH SERVICE

Regina M. Benjamin, of Alabama, to be Medical Director in the Regular Corps of the Public Health Service, subject to qualifications therefor as provided by law and regulations, and to be Surgeon General of the Public Health Service for a term of four years.

Mr. REID. Mr. President, I am happy we are going to have a Surgeon General. We have waited far too long. This is a good woman. She deserved this a long time ago. I appreciate whoever was holding her up allowing us to go forward. It is important for the country. We have a flu pandemic that has been declared. It is an emergency. We have so many other problems. We need this doctor who has devoted her life to taking care of the ill to take care of the entire country.

Mr. ENZI. Mr. President, I rise today in support of the nomination of Dr. Regina Benjamin to be Surgeon General. The vetting process for executive nominees is thorough, and Dr. Benjamin has successfully completed that process. Her nomination was approved unanimously by the HELP Committee on October 7 by a voice vote.

The mission of the Surgeon General is to be America's "top doctor," and to act as the chief medical educator and communicator on public health and safety issues. Dr. Benjamin has a distinguished career in providing health care to low-income individuals. We also share an understanding of the unique challenges facing people in rural and underserved areas. I am confident that Dr. Benjamin will be able to articulately inform Americans on matters of health safety.

Dr. Benjamin will become Surgeon General at a key time during the H1N1 pandemic influenza epidemic and subsequent supply shortage of the H1N1 vaccine. I am pleased she
