## STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. JOHNSON:

S. 2726. A bill to modify the boundary of the Minuteman Missile National Historic Site in the State of South Dakota, and for other purposes; to the Committee on Energy and Natural Resources.

Mr. JOHNSON. Mr. President, today I introduced legislation that will allow the Minuteman Missile National Historic Site to move forward with development of a visitor center. Specifically, my legislation will allow 25 acres of national Forest Service land to be transferred to the National Park Service where the visitor center and administrative facility will be constructed.

The launch control facility and missile silo that make up the Minuteman Missile National Historic Site were preserved to illustrate the history of the cold war and the role the Air Force's Minuteman II missile defense system played in efforts to preserve world peace. Construction of a visitor center will help tell this story and allow many more to learn about this historic site. I was pleased to help establish Minuteman Missile as part of the national park system in 1999, and I am now glad to be able to follow through on fully developing resources for visitors.
