STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. JOHNSON:

S. 2726. A bill to modify the boundary of the Minuteman Missile National Historic Site in the State of South Dakota, and for other purposes; to the Committee on Energy and Natural Resources.

Mr. JOHNSON. Mr. President, today I introduced legislation that will allow the Minuteman Missile National Historic Site to move forward with development of a visitor center. Specifically, my legislation will allow 25 acres of national Forest Service land to be transferred to the National Park Service where the visitor center and administrative facility will be constructed.

The launch control facility and missile silo that make up the Minuteman Missile National Historic Site were preserved to illustrate the history of the cold war and the role the Air Force's Minuteman II missile defense system played in efforts to preserve world peace. Construction of a visitor center will help tell this story and allow many more to learn about this historic site. I was pleased to help establish Minuteman Missile as part of the national park system in 1999, and I am now glad to be able to follow through on fully developing resources for visitors.

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 333—DESIGNATING EACH OF SATURDAY, NOVEMBER 7, 2009, AND SATURDAY, NOVEMBER 6, 2010, AS “NATIONAL WOUNDED WARRIOR DAY”

Mr. ISAKSON submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 333

Whereas recognizing “National Wounded Warrior Day” would embrace an already existing “mindset of remembrance” for men and women alike that have served our Nation;

Whereas the current conflicts in Iraq and Afghanistan have seen many wounded warriors whose injuries grow more serious as the enemy increases the use of improvised explosive devices;

Whereas those disabled veterans who have served in previous conflicts without any recognition and those disabled veterans who are currently recovering remind us that we, as people and as a Nation, need to thank and care for our disabled veterans; and

Whereas the number of casualties after 8 years of the current conflicts in Iraq and Afghanistan is over 4,000 and recognizing “National Wounded Warrior Day” would ensure that the sacrifice of wounded warriors would not be forgotten: Now, therefore, be it

Resolved, That the Senate—

(1) designates each of Saturday, November 7, 2009, and Saturday, November 6, 2010, as “National Wounded Warrior Day”; and

(2) encourages the United States to honor our wounded warriors who have sacrificed their safety in order to preserve our freedom.

SENATE RESOLUTION 334—DESIGNATING THURSDAY, NOVEMBER 19, 2009, AS “FEED AMERICA DAY”

Mr. HATCH (for himself, Mr. UDALL of New Mexico, Mr. REID, Mr. BENNETT, Mr. CRAPO, and Mr. LUGAR) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 334

Whereas Thanksgiving Day celebrates the spirit of selfless giving and an appreciation for family and friends;

Whereas the spirit of Thanksgiving Day is a virtue upon which the Nation was founded;

Whereas according to the Department of Agriculture, roughly 35,000,000 people in the United States, including 12,000,000 children, continue to live in households that do not have an adequate supply of food; and

Whereas selfless sacrifice breeds a genuine spirit of thanksgiving, both affirming and restoring fundamental principles in our society: Now, therefore, be it

Resolved, That the Senate—

(1) designates Thursday, November 19, 2009, as “Feed America Day”; and

(2) encourages the people of the United States to sacrifice 2 meals on Thursday, November 19, 2009, and to donate the money that they would have spent on such food to a religious or charitable organization of their choice for the purpose of feeding the hungry.

Mr. HATCH. Mr. President, I rise today to speak regarding an effort that I have supported for a number of years and something I am very proud to have

championed in the Senate for over 4 years. I speak, of Feed America Day. More than just the recognition of a single day, the Feed America campaign is a nationwide effort promoted by a number of charitable organizations and supported by numerous communities throughout the country. It is aimed at encouraging our Nation’s spirit of selflessness and sacrifice in order to help those in need.

Those who participate in Feed America Day encourage all Americans to sacrifice two meals on the Thursday before Thanksgiving Day and to donate the money they would have used for food to a charity or religious organization in their community for the purpose of feeding the Hungry. In a simple and practical way, this is an effort to harness the generosity of the American people in the spirit of the Thanksgiving season.

We live in the most prosperous nation on the planet. Even in the face of our current difficulties, that remains true. Yet, according to the Department of Agriculture’s most recent numbers, roughly 35 million Americans, including 12 million children, live in households that do not have an adequate supply of food. I think we can all agree that it is a good idea to encourage the American people to do more for the hungry in their communities, even if we don’t always agree as to what Congress should do on such matters.

Today, I have submitted a resolution that would designate Thursday, November 19, 2009, as Feed America Day. Once passed, this will be the fifth consecutive year that this day has been recognized by the Senate. I want to personally thank Senator TOM UDALL from New Mexico for all his efforts in supporting and promoting this resolution and we are joined by Senators BENNETT, CRAPO, LUGAR, and REED. I urge my Senate colleagues and every American to join me in helping to assist those in need and affirming the long-standing values that have made our Nation great.

Mr. ISAKSON (for himself and Mr. CHAMBLISS) submitted the following resolution; which was referred to the Committee on the Judiciary:

Whereas motor vehicle travel is the primary means of transportation in the United States;

Whereas every individual traveling on the roads and highways needs to drive in a safer manner in order to reduce deaths and injuries that result from motor vehicle accidents;

Whereas according to the National Highway Traffic Safety Administration, wearing a seat belt saves more than 15,000 lives each year;

Whereas the Senate wants all people of the United States to understand the life-saving importance of wearing a seat belt and encourages motorists to drive safely, not just

during the holiday season, but every time they get behind the wheel; and

Whereas the Sunday after Thanksgiving is the busiest highway traffic day of the year: Now, therefore, be it

Resolved, That the Senate—

(A) high schools, colleges, universities, administrators, teachers, primary schools, and secondary schools to launch campus-wide educational campaigns to urge students to be focused on safety when driving;
