

FEINSTEIN, VOINOVICH, BYRD, and ALEXANDER—have joined in a bipartisan bill to improve and extend this successful program.

This program should not see its death through the appropriations process.

In conclusion, what this “minibus”—the bill before us today—is doing is rolling over the future of this country. Call it what you want—minibus, omnibus, or 18 wheeler—it is carrying a load of debt and wasteful spending and government irresponsibility. It is a reminder to the American people that while they balance their budgets and scrape to pay their bills and try to save something for the future, the Federal Government continues its reckless shopping spree and just prints the money. This is not what we are sent here to do. I hope the President sees that and vetoes this irresponsible legislation.

I yield the floor.
