

Whereas, the federal Freedom of Choice Act will not make abortion safe or rare, but will instead actively promote and subsidize abortion with federal and state tax dollars and will do nothing to ensure its safety; and

Whereas, the federal Freedom of Choice Act will protect and promote the abortion industry, endanger women and their health, promote a political ideology of unregulated abortion-on-demand, and silence the voices of Americans who want to engage in a meaningful public discussion and debate over the availability, safety, and even desirability of abortion: Now, therefore, be it

*Resolved*, That the members of the House of Representatives of the Ninety-fifth General Assembly, hereby strongly oppose the federal Freedom of Choice Act and urge the United States Congress to summarily reject it; and be it further

*Resolved*, That the Missouri House of Representatives strongly opposes the federal Freedom of Choice Act because:

(1) It seeks to circumvent the states' general legislative authority as guaranteed by the 10th Amendment of the United States Constitution;

(2) It seeks to undermine the right and responsibility of the states and the people to debate, vote on, and determine abortion policy;

(3) The protection of women's health through state regulation on abortion is a compelling state interest that should not be nullified by Congress; and

(4) Its enactment would nullify laws in the State of Missouri that the Missouri General Assembly and the people of Missouri strongly support; and be it further

*Resolved*, That the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Barack Obama, President of the United States; the Majority Leader and Minority Leader of the United States Senate; the Majority Leader and Minority Leader of the United States House of Representatives; each member of the Missouri Congressional delegation; and the Clerk of the United States House of Representatives and the Secretary of the United States Senate with a request that the resolution be printed in the Congressional Record.
