

the almost amateurish Mexican forces, expected little or no opposition from the Mexican army;

Whereas the French army, which had not experienced defeat against any of Europe's finest troops in over half a century, sustained a disastrous loss at the hands of an outnumbered, ill-equipped, and ragged, but highly spirited and courageous, Mexican force;

Whereas after three bloody assaults upon Puebla in which over a thousand gallant Frenchmen lost their lives, the French troops were finally defeated and driven back by the outnumbered Mexican troops;

Whereas the courageous and heroic spirit that Mexican General Zaragoza and his men displayed during this historic battle can never be forgotten;

Whereas many brave Mexicans willingly gave their lives for the causes of justice and freedom in the Battle of Puebla on Cinco de Mayo;

Whereas the sacrifice of the Mexican fighters was instrumental in keeping Mexico from falling under European domination;

Whereas the Cinco de Mayo holiday is not only the commemoration of the rout of the French troops at the town of Puebla in Mexico, but is also a celebration of the virtues of individual courage and patriotism of all Mexicans and Mexican-Americans who have fought for freedom and independence against foreign aggressors;

Whereas Cinco de Mayo serves as a reminder that the foundation of the United States is built by people from many nations and diverse cultures who are willing to fight and die for freedom;

Whereas Cinco de Mayo also serves as a reminder of the close spiritual and economic ties between the people of Mexico and the people of the United States, and is especially important for the people of the southwestern States where millions of Mexicans and Mexican-Americans make their homes;

Whereas in a larger sense, Cinco de Mayo symbolizes the right of a free people to self-determination, just as Benito Juarez once said, "El respeto al derecho ajeno es la paz" ("The respect of other people's rights is peace"); and

Whereas many people celebrate during the entire week in which Cinco de Mayo falls: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the historical struggle for independence and freedom of the people of Mexico; and

(2) calls upon the people of the United States to observe Cinco de Mayo with appropriate ceremonies and activities.

Mr. ENSIGN (for himself, Mr. PRYOR, Mrs. BOXER, and Ms. SNOWE) submitted an amendment intended to be proposed to amendment SA 1038 proposed by Mrs. BOXER (for herself and Mr. REID) to the amendment SA 1018 submitted by Mr. DODD (for himself and Mr. SHELBY) to the bill S. 896, to prevent mortgage foreclosures and enhance mortgage credit availability as follows:

On page 1, strike line 6 and all that follows through page 6 line 5, and insert the following:

(a) SHORT TITLE.—This section may be cited as the “Public-Private Investment Program Improvement and Oversight Act of 2009”.

(b) PUBLIC-PRIVATE INVESTMENT PROGRAM.—

(1) IN GENERAL.—Any program established by the Federal Government to create a public-private investment fund shall—

(A) in consultation with the Special Inspector General of the Trouble Asset Relief Program (in this section referred to as the “Special Inspector General”), impose strict conflict of interest rules on managers of public-private investment funds to ensure that securities bought by the funds are purchased in arms-length transactions, that fiduciary duties to public and private investors in the fund are not violated, and that there is full disclosure of relevant facts and financial interests (which conflict of interest rules shall be implemented by the manager of a public-private investment fund prior to such fund receiving Federal Government financing);

(B) require each public-private investment fund to make a quarterly report to the Secretary of the Treasury (in this section referred to as the “Secretary”) that discloses the 10 largest positions of such fund (which reports shall be publicly disclosed at such time as the Secretary of the Treasury determines that such disclosure will not harm the ongoing business operations of the fund);

(C) allow the Special Inspector General access to all books and records of a public-private investment fund, including all records of financial transactions in machine read-

able form, and the confidentiality of all such information shall be maintained by the Special Inspector General;

(D) require each manager of a public-private investment fund to retain all books, documents, and records relating to such public-private investment fund, including electronic messages;

(E) require each manager of a public-private investment fund to acknowledge, in writing, a fiduciary duty to both the public and private investors in such fund;

(i) any investment by such investor or any of its affiliates in a vehicle formed for the purpose of directly or indirectly investing in the fund; or

(ii) any other investment decision by such investor or any of its affiliates to directly or indirectly invest in the fund that, in the aggregate, equal at least 10 percent of the equity interests in such fund.

(2) INTERACTION BETWEEN PUBLIC-PRIVATE INVESTMENT FUNDS AND THE TERM-ASSET BACKED SECURITIES LOAN FACILITY.—The Secretary shall consult with the Special Inspector General and shall issue regulations governing the interaction of the Public-Private Investment Program, the Term-Asset Backed Securities Loan Facility, and other similar public-private investment programs. Such regulations shall address concerns regarding the potential for excessive leverage that could result from interactions between such programs.

(3) REPORT.—Not later than 60 days after the date of the establishment of a program described in paragraph (1), the Special Inspector General shall submit a report to Congress on the implementation of this section.

(c) ADDITIONAL APPROPRIATIONS FOR THE SPECIAL INSPECTOR GENERAL.—

Such audits or investigations shall determine the existence of any collusion between the loan recipient and the seller or originator of the asset used as loan collateral, or any other conflict of interest that may have led the loan recipient to deliberately overstate the value of the asset used as loan collateral.

(d) RULE OF CONSTRUCTION.—Notwithstanding any other provision of law, nothing in this section shall be construed to apply to any activity of the Federal Deposit Insur-
