

member of Congress from the State of Washington.

POM-23. A joint memorial adopted by the Legislature of the State of Washington relative to electronic medical and health records; to the Committee on Health, Education, Labor, and Pensions.

SENATE JOINT MEMORIAL 8003

Whereas, expanded health information technology has the potential to revolutionize the delivery of health care in the United States by enabling continuity of care, improving cost efficiency, lowering rates of medical malpractice, decreasing duplicative care, providing better care management for patients, and producing better health outcomes; and

Whereas, major investments in the hardware and software infrastructure required to facilitate the expansion of health information technology are being made now by health care providers; and

Whereas, the health information systems currently being constructed are often incapable of communicating with each other; and

Whereas, the costs to providers of maintaining incompatible systems in the name of proprietary licensing will grow exponentially with every delay in reaching a universal standard of interoperability; and

Whereas, the benefit from health information technology is only derived from the ability of systems to communicate with each other on a fully compatible platform; and

Whereas, a national public-private partnership has recently commenced with leadership from the United States department of health and human services to define standards of interoperability with the goal of implementing electronic health records for all Americans by the year 2014;

Now, therefore, your Memorialists respectfully pray that Congress institute a date certain, no later than January 1, 2013, at which time all vendors, suppliers, and manufacturers of health information technology must comply with a uniform national standard of interoperability, such that all electronic medical and health records can be readily shared and accessed across all health care providers and institutions while at the same time preserving the proprietary nature of health information technology producers that will encourage future innovation and competition: Be it

Resolved, That copies of this Memorial be immediately transmitted to the Honorable Barack Obama, President of the United States, the Secretary of the United States Department of Health and Human Services, the Governor of the State of Washington, the President of the United States Senate, the Speaker of the House of Representatives, and each member of Congress from the State of Washington.

POM-24. A joint memorial adopted by the Legislature of the State of Washington relative to the issuance of a commemorative stamp by the United States Postal Service; to the Committee on Veterans' Affairs.

HOUSE JOINT MEMORIAL 4005

Whereas, the Nisei veterans of the Second World War provided the avenue for Japanese-Americans to prove their loyalty to the United States by serving as the ultimate patriots in the Armed Forces; and

Whereas, these veterans served in the 442nd Regimental Combat Team, the 100th Infantry Battalion, and the Military Intelligence Service (MIS); and

Whereas, the 100th Infantry Battalion and 442nd Regimental Combat Team of the United States Army were comprised of Japanese-Americans who fought in Europe during the Second World War; and

Whereas, the 100th Infantry Battalion and 442nd Regimental Combat Team were mem-

bers of the most highly decorated military unit of its size in the history of the United States Armed Forces, with twenty-one Medal of Honor recipients, numerous Purple Hearts, and many other awards; and

Whereas, tens of thousands of lives were saved because the MIS used their knowledge of Japanese language and culture to help the Allies end the Second World War quickly in the Pacific; and

Whereas, the Nisei veterans' proud American legacy continues, however many Nisei veterans have passed away and those still alive are now in their eighties and nineties; and

Whereas, these Nisei veterans should be publicly commemorated;

Now, therefore, your Memorialists respectfully pray that the United States Postal Service issue a postage stamp in commemoration of the Nisei veterans' service in the United States Armed Forces during the Second World War: Be it

Resolved, That copies of this Memorial be immediately transmitted to the Honorable Barack Obama, President of the United States, the President of the United States Senate, the Speaker of the House of Representatives, and each Member of Congress from the State of Washington.
