

THANKING SENATORS AND STAFF

Mr. REID. Mr. President, I want the record to reflect the cooperation of Dr. Barrasso, Senator BARRASSO. He had some concerns about this. We did our best to answer them. He has been very positive in his approach. He had some questions that needed to be answered. I think they have been answered, and I appreciate very much his being as courteous as he was through this whole process. He has been a real gentleman, and I appreciate it a lot.

Mr. President, let me express my appreciation to the Presiding Officer. All Senators are very busy, but you have been presiding for hours. That is a real burden. We all appreciate it, especially other Senators appreciate it. We have to have someone presiding.

I am so impressed with the skills that the Senator from Colorado has brought to us. I didn't know you before you were appointed by the Governor to come, but the people of Colorado should understand, using an over-worked term, you hit the ground running. You have done so well. You adjusted so well to Senate life.

I say it twice tonight, I am very impressed, and I hope the people of Colorado understand what a good choice Governor Ritter made, choosing you to fill the seat of a terrific person, Ken Salazar.

Mr. President, I want all the staff to know of my appreciation. I speak for all of us. Every Senator would come and say the same thing, but I am the one here to express our appreciation for helping this process go forward. It is not easy.

As much time as I have spent over the years on this floor—and it amounts to, all added up—it has probably been years. As familiar as I am with everything, I couldn't do it without the help of the staff.

It is not only Lula Davis—she has been such a wonderful asset to the Democratic caucus—but also the help that I get from the Republican side, the staff. I think we were always very worried after Marty decided to go downtown. We wanted to make sure the same goodwill prevailed between David Schiappa and Lula Davis as we had before.

It is as good if not better. I am very happy with the cooperation we get. I wish I could express this personally to Senator McCONNELL, but I think he will get the word.
