## STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Ms. LANDRIEU (for herself and Mr. INHOFE):

S. 1458. A bill to encourage the development and implementation of a comprehensive, global strategy for the preservation and reunification of families and the provision of permanent parental care for orphans; to the Committee on Foreign Relations.

Ms. LANDRIEU. Mr. President, I rise to introduce a bill called the Families for Orphans Act that Senator INHOFE and I are sponsoring.

We are very fortunate, indeed, to have a Secretary of State who is quite knowledgeable about this subject. The office we seek to create would be housed within the Department of State under the watchful eye of Secretary Hillary Clinton, who did so much work on this subject when she was a Member of the Senate and even prior to her service in the Senate as First Lady of both Arkansas and the United States. So I am particularly happy we would be recommending what is, I think, a very appropriate establishment of an office within the Office of the Secretary of State.

This bill has been discussed for several years here. We have had several opportunities for debate on the floor. But a great coalition has come together, representing advocates for orphans around the world, to come together in a unified way to make a strong argument that this kind of office should indeed be established. There are some very compelling reasons why this should be.

First of all, right now in our system, there is no coordination in the Office of the Secretary of State or in the Department of State for policies related to orphans. This is an alarming situation because the number of orphans is growing exponentially in the world due to an increase in conflicts in many parts of the world; severe droughts and natural disasters that are causing families to be separated, children from adults; and the AIDS epidemic. Some people have referred to it as a factory that produces orphans. And you can understand the nature of that disease.

So the actions we take relative to trying to get a more coordinated policy are very important, and that is what this bill seeks to do.
