#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. BURR:

S. 1518. A bill to amend title 38, United States Code, to furnish hospital care, medical services, and nursing home care to veterans who were stationed at Camp Lejeune, North Carolina, while the water was contaminated at Camp Lejeune; to the Committee on Veterans' Affairs.

Mr. BURR. Mr. President, I rise today to introduce legislation that will ensure the Department of Veterans Affairs provides health care to veterans and their families who were stationed at Camp Lejeune, North Carolina during the years when the base's well water was contaminated by numerous known and probable human carcinogens.

Thousands of Navy and Marine veterans and their families who lived on

Camp Lejeune have fallen ill with a variety of cancers and diseases believed to be attributable to their service at the base in the years before the EPA designated the base as a Superfund site in 1988.

A recent National Research Council report on the contaminated water at Camp Lejeune assessed that there are numerous adverse health effects associated with human exposure to the chemicals known to have been in water at Lejeune that was used for drinking and bathing.

Many years have passed while Lejeune veterans and their families have waited for some hope of progress on this issue. Some have died waiting. Today, there is much that we now know that was not known in the past, especially a growing body of scientific information about the adverse effects these chemicals have on the human body.

The Lejeune veterans and their families deserve clarity on the cause of their conditions and closure on this tragic situation. It is vitally important we give those who are sick the benefit of the doubt. If a veteran or military family member was stationed at Camp Lejeune during the time the water was contaminated, they should be able to come in to a VA medical center for needed health care. This bill is a step toward providing the veterans of Lejeune and their loved ones with the respect they deserve. Quite frankly, it is the morally right thing to do.

#### SUBMITTED RESOLUTIONS

SENATE CONCURRENT RESOLUTION 36—SUPPORTING THE GOALS AND IDEALS OF "NATIONAL PURPLE HEART RECOGNITION DAY"

Mrs. LINCOLN (for herself and Mr. CRAPO) submitted the following concurrent resolution; which was referred to the Committee on Armed Services:

S. CON. RES. 36

Whereas the Purple Heart is the oldest military decoration in the world in present use;

Whereas the Purple Heart is awarded in the name of the President to a member of the Armed Forces who is wounded in a conflict with an enemy force or is wounded while held by an enemy force as a prisoner of war, and is awarded posthumously to the next of kin of a member of the Armed Forces who is killed in a conflict with an enemy force or who dies of wounds received in a conflict with an enemy force;

Whereas the Purple Heart was established on August 7, 1782, during the Revolutionary War, when General George Washington issued an order establishing the Honorary Badge of Distinction, otherwise known as the Badge of Military Merit;

Whereas the award of the Purple Heart ceased with the end of the Revolutionary War, but was revived in 1932, the 200th anniversary of the birth of George Washington, out of respect for his memory and military achievements; and

Whereas observing National Purple Heart Recognition Day is a fitting tribute to

George Washington and to the more than 1,535,000 recipients of the Purple Heart, approximately 550,000 of whom are still living: Now, therefore, be it

*Resolved by the Senate (the House of Representatives concurring), That Congress—*

(1) supports the goals and ideals of “National Purple Heart Recognition Day”;

(2) encourages all people in the United States to learn about the history of the Purple Heart and to honor its recipients; and

(3) calls upon the people of the United States to conduct appropriate ceremonies, activities, and programs to demonstrate support for members of the Armed Forces who have been awarded the Purple Heart.
