Should Region 10 sell, in the current fiscal year, less than the annual average portion of the decadal allowable sale quantity called for in the Tongass Land Management Plan in sales which are not deficit when appraised using a residual value approach that assigns domestic Alaska values for western red cedar, the volume of western red cedar timber available to domestic processors at prevailing domestic prices in the contiguous 48 United States shall be that volume: (1) which is surplus to the needs of domestic processors in Alaska; and (2) is that percent of the surplus western red cedar volume determined by calculating the ratio of the total timber volume which has been sold on the Tongass to the annual average portion of the decadal allowable sale quantity called for in the current Tongass Land Management Plan. The percentage shall be calculated by Region 10 on a rolling basis as each sale is sold (for purposes of this amendment, a "rolling basis" shall mean that the determination of how much western red cedar is eligible for sale to various markets shall be made at the time each sale is awarded). Western red cedar shall be deemed "surplus to the needs of domestic processors in Alaska" when the timber sale holder has presented to the Forest Service documentation of the inability to sell western red cedar logs from a given sale to domestic Alaska processors at a price equal to or greater than the log selling value stated in the contract. All additional western red cedar volume not sold to Alaska or contiguous 48 United States domestic processors may be exported to foreign markets at the election of the timber sale holder. All Alaska yellow cedar may be sold at prevailing export prices at the election of the timber sale holder.

AUTHORIZING MAJOR MEDICAL FACILITY LEASES FOR THE DEPARTMENT OF VETERANS AFFAIRS FOR FISCAL YEAR 2010

Mr. REID. Mr. President, I ask unanimous consent that the Senate proceed to the consideration of S. 1717.

The PRESIDING OFFICER. The clerk will report the bill by title.

The legislative clerk read as follows:

A bill (S. 1717) to authorize major medical facility leases for the Department of Veterans Affairs for fiscal year 2010, and for other purposes.

There being no objection, the Senate proceeded to consider the bill.

Mr. AKAKA. Mr. President, today, with Ranking Member Richard Burr, I have introduced legislation that would authorize the Department of Veterans Affairs to proceed with certain medical facility leases for fiscal year 2010. These leases include facilities in nine different States, including South Carolina, Georgia, California, Alabama, Pennsylvania, North Carolina, Kansas, Texas, and Florida.

We are moving this bill at this time because I have been advised that VA can proceed with preliminary steps relating to these leases in advance of an appropriation, if authorization is in place. While I hope that the Senate will pass an appropriations bill for VA as soon as possible, this is something we can do today. I will soon introduce another bill to fully authorize VA's construction projects. In the meantime, I urge my colleagues to support this bill, which will enable VA to secure the space it needs to care for veterans from all conflicts.

Mr. REID. Mr. President, I ask unanimous consent that the bill be read three times and passed, the motion to reconsider be laid upon the table, there be no intervening action or debate, and any statements relating to the matter be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (S. 1717) was ordered to be engrossed for a third reading, was read the third time, and passed, as follows:

S. 1717

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
