INTRODUCTION OF THE VOLUNTEER FIREFIGHTER FAIRNESS ACT OF 2010

HON. DAVID WU

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 2010

Mr. WU. Madam Speaker, I rise to let my colleagues know that today I introduced the Volunteer Firefighter Fairness Act.

This bill would clarify for volunteer fire departments, volunteer firefighters and emergency personnel, and the Internal Revenue Service that volunteers are not employees of the fire departments where they serve.

According to the National Fire Protection Association, volunteers comprise approximately 72 percent of our nation's fire and emergency services. Although volunteers make up the majority of firefighters nationwide, we are experiencing an overall decline in the number of volunteer personnel. This is due to increased emergency call volumes, the time demands of ongoing training, and the struggle many Americans face trying to balancing family and work obligations.

To help recruit and retain volunteer firefighters and other volunteer first responders, some states and local governments offer nominal payments or benefits, such as covering expenses for uniforms.

Historically, fire departments have used the IRS Form 1099 to report these benefits and nominal payments for their volunteers. However, recently many volunteer fire departments have been told by local or regional IRS offices that they must the Form W-2, instead of the 1099, to report payments and benefits. In Oregon, a volunteer fire department was even hit with a \$9,900 fine for using a Form 1099 instead of a Form W-2.

The bill I am introducing today will clarify the law to ensure that fire departments will be able to use Form 1099 to report any minimal pay or benefits for volunteer first responders. I am pleased to report that this bill has the full support of the International Fire Chiefs Association.

Finally, Madam Speaker, I would like to clarify one point about who the bill would cover. This legislation is designed to specifically cover volunteer firefighters and volunteer emergency personnel. The practice of providing volunteer firefighters and emergency personnel with reimbursement, reasonable benefits, and nominal fees for their services is allowed under both the IRS Code and the Fair Labor Standards Act. The U.S. Department of Labor's Wage and Hour Division ruled on August 7, 2006, that "generally an amount not exceeding 20 percent of the total compensation that the employer would pay to employ a full-time firefighter for performing comparable services would be deemed nominal." Since both the IRS Code and the FLSA use the term "nominal fee" as an allowable form of compensation for volunteer firefighters, I urge the IRS to use the U.S. Department of Labor's ruling in drafting any regulations to implement this legislation or define the term "nominal fee" for volunteer firefighter compensation.

THE SYRACUSE JAMES JOYCE CLUB/BLOOMSDAY

HON. DANIEL B. MAFFEI

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 2010

Mr. MAFFEI. Madam Speaker, I rise in support of the Syracuse James Joyce Club's celebration of the 17th annual Bloomsday. Bloomsday is the day people from around the world celebrate the life of Irish author James Joyce and his novel *Ulysses*, which is heralded as one of the greatest novels of the 20th century.

Ulysses chronicles the day the main character, Leopold Bloom travels into Dublin on June 16. This date had special meaning for Joyce. It was also the first date with his future wife Nora Barnacle. For these reasons, June 16 was marked as the special day Joyce's life and literary work, *Ulysses* would be celebrated.

The first Bloomsday was organized in 1954 by critic, John Ryan, and author, Flann O'Brien. The day was named after Leopold Bloom in *Ulysses*. Ryan and O'Brien organized a day long pilgrimage along the *Ulysses* route. They planned a day to travel through the city, visiting the scenes from the novel. The night ended in what had once been called the brothel quarter of the city, the area which Joyce had called Nighttown.

Born in Dublin, on February 2, 1882, Joyce was the son of John Stanislaus Joyce and Mary Jane Murray. Joyce's father struggled as a businessman and his mother was an accomplished pianist. Joyce grew up in poverty, and his family struggled to maintain a solid middle-class lifestyle. From the age of six, Joyce was educated by Jesuits at Clongowood Wood College then Belvedere College in Dublin.

It was in college that Joyce blossomed as a writer. His first published work was an essay on Ibsen's play *When We Dead Awaken*. Joyce went on to write several other works that sealed his place in writing history.

I am proud that the Syracuse James Joyce Club continues to keep the life and work of Joyce alive. It is important that we remember the contributions he has made to literary history. I am pleased that the Syracuse James Joyce Club will gather people from the community today to share their favorite excerpts from Joyce's works.

The Bloomsday celebration attracts over 300 people and is part of the CNY Chapter of the Irish American Cultural Institute. I commend the Syracuse James Joyce Club for keeping the legacy of one of the 20th century's greatest writers alive.

CELEBRATING THE 90TH BIRTHDAY OF NICHOLAS V. MARTINO

HON. TIMOTHY H. BISHOP

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 2010

Mr. BISHOP of New York. Madam Speaker, I rise today to express heartfelt best wishes on the occasion of the 90th birthday of Nicholas V. Martino, a man who exemplifies a life of hard work, service to his country, and close family ties. Mr. Martino worked for 40 years as a master mechanic for American Construction in Hartford, Connecticut. Now retired, he lives in Westhampton, New York with his daughter Anne Marie Spinner, his son-in-law Guy Spinner and their two children, Adam and Nicole. He enjoys spending time with them as well as with his daughter Janet Tyler, son-in-law Lee Tyler and their daughter Meredith.

Born in Hartford on June 8, 1920, Mr. Martino served from 1942 to 1946 in the Army Air Corps as a Tech Sergeant working on B–25's and B–26's, both medium-sized bombers. The B–25 first gained fame as the bomber used in the 18 April 1942 raid in which sixteen B–25Bs attacked mainland Japan four months after the bombing of Pearl Harbor. The mission gave a much-needed lift in spirits to the Americans, and alarmed the Japanese who had believed their home islands were inviolable by enemy troops.

On September 30, 1950, he married Marie Candela who passed away in 1989. The couple had two daughters, Janet and Anne Marie. After his discharge from the Army, Mr. Martino continued a life-long interest in mechanics both at his job at American Construction and in his spare time. For years, he maintained a garage and truck filled with all kinds of tools for his many projects, and he still enjoys tinkering with hands-on projects with his son-in-law Guy.

I would like to extend my congratulations to Mr. Martino and wish him a happy 90th birthday as he celebrates with his family and friends.

HONORING THE LIFE AND WORK OF LT. COL. RICHARD CASTILLO

HON. SOLOMON P. ORTIZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 2010

Mr. ORTIZ. Madam Speaker, I rise today to recognize Lt. Col. Richard Castillo of Corpus Christi, Texas, who was shot down in Laos in 1972 while on a mission. The 14-man crew flew aboard an AC–130, REFNO 1807.

About six weeks ago, the family of Lt. Col. Castillo was contacted by the Air Force and informed that the last unidentified remains from his plane will be buried tomorrow, June 17, 2010, at Arlington National Cemetery along with the remains of the 13 men who accompanied Lt. Col. Castillo on the mission.

In 1986 after negotiations with the Laotian government, the United States was finally able to send a team to the crash site. After much work and many hours spent sifting through debris, bone fragments and personal belongings, the men's remains were found. Two teeth were positively identified as Lt. Col. Castillo's and were buried in a ceremony later that year at Randolph Air Force Base, with interment at Ft. Sam Houston in San Antonio.

In the November 1986 edition of National Geographic, a picture of Lt. Col. Castillo's dog tags was published alongside an article telling the story of the search and recovery effort of the crew by the United States government and military.

A few years ago, the Air Force informed Lt. Col. Castillo's wife, Elizabeth May Castillo, that they were beginning DNA testing on the bone fragments found among the wreckage.

With the advances made in DNA testing, they believed all 14 men would finally be accounted for. The Air Force obtained a cheek swab from Lt. Col. Castillo's mother and performed mitochondrial DNA testing. On November 21, 2008, the Air Force held a small private service for the Castillo family at Lt. Col. Castillo's grave site at Ft. Sam Houston. An urn containing the fragments positively identified as Lt. Col. Castillo was buried on top of his casket. This day was especially meaningful to the family because it would have been his 70th birthday.

Lt. Col. Castillo is survived by his wife, Elizabeth May Castillo and their children, Mary Edith Castillo Hamilton, Mary Elizabeth Castillo Tierce, Mary Esther Castillo Harper, Mary Elaine Castillo Colmenero and Richard Lee Castillo. His youngest son, Ronald Ronnie Castillo, died on February 16, 2005.

I would like to take this time to thank Lt. Col. Castillo for his service and dedication to this country. It is because of him that today you and I enjoy the freedoms and rights he so bravely fought for. He served this country diligently and paid the ultimate sacrifice for us.

I ask my colleagues to please join me in commemorating the work and honor of Lt. Col. Castillo whose remains will be buried tomorrow at Arlington National Cemetery.
