A TRIBUTE TO FIRST NORTHERN BANK ON ITS 100TH ANNIVERSARY

HON. DANIEL E. LUNGREN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 2, 2010

Mr. DANIEL E. LUNGREN of California. Madam Speaker, I rise today to recognize and honor First Northern Bank as it marked its 100th year in business yesterday, February 1, 2010.

First Northern Bank was established in 1910, and has remained faithful to its roots as an institution formed to address specific personalized needs. First Northern continues to serve such needs with a strong commitment to superior personal service, and commitment to support and reinvest in each of the communities the Bank serves. The Bank continues to maintain its commitment as a full service community bank serving the business, professional, personal, and real estate requirements of the people in Solano, Sacramento, Yolo, and Placer Counties—with a reach into neighboring El Dorado County.

Back in 1910, a group of local Dixon businesspeople believed they weren't getting the kind of banking services they needed, so in the do-it-yourself tradition of an independent farming community, they voted on January 20th to open their own bank—an "enterprise with all local capital and no outside investment or affiliations."

Following a trip to San Francisco to purchase a safe and other supplies, their new bank opened for business a few days later on February 1, 1910, in a former ice cream parlor. After one month in business, the Bank had 93 accounts with deposits totaling more than \$75,000. Today, deposits have grown to more than \$650 million. Even though 100 years have passed, descendants of the Bank's founders are still shareholders and customers.

Over the years, First Northern Bank has contributed millions of dollars to the communities it serves, in the form of direct financial support and in-kind services.

I am pleased to recognize and congratulate First Northern Bank at this milestone, and anticipate many more successful years to come.

TRIBUTE TO PIKEVILLE MEDICAL CENTER

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 2, 2010

Mr. ROGERS of Kentucky. Madam Speaker, I rise today to pay tribute to a world class hospital and the American Alliance of Healthcare Providers' 2009 "Hospital of the Year," Pikeville Medical Center.

Each year, the American Alliance of Healthcare Providers selects a recipient of its hospital of the year award. This year over 400 applicants across the country participated in this competition. These applicants underwent rigorous on-site surveys and interviews to measure each hospital's standards of conduct, improvement, management and training. I am proud to report that this top notch institution in the heart of Eastern Kentucky was judged to be the nation's most patient friendly hospital.

This distinguished recognition truly reflects an unwavering commitment to world class patient care by every one of Pikeville Medical Center's 1,700 employees. The honor of being named Hospital of the Year is simply the latest example of the Pikeville Medical Center's stellar reputation among its peers and fellow medical professionals; in fact, the hospital was also named a Hospital of Choice by the American Alliance of Healthcare Providers earlier this year. In addition, the hospital has been named one of Kentucky's Top 10 Places to Work for two consecutive years, and one of the nation's Best Places to Work by Modern Healthcare Magazine. The hospital has also been recognized by the Kentucky Center for Performance Excellence and the Commission on Cancer. Simply put, the Pikeville Medical Center is living proof that the best hospitals rely not only on technology, but on a labor force that is committed to their noble mission of "quality, regional health care in a Christian environment."

For 85 years, Pikeville Medical Center has served as a beacon of healing for the people of Pike County, Kentucky and the surrounding regions. Since its humble beginnings in 1924, the hospital has expanded many times over to meet regional needs. Today, the Medical Center complex boasts many specialties and services such as its award winning cancer center, a cardiac rehabilitation center, a sleep studies laboratory, and a neonatal intensive care unit. The Pikeville Medical Center has also fashioned a teaching program that is second to none and will ensure that our talented young medical professionals will not have to leave Eastern Kentucky to learn and develop their skills.

Madam Speaker, I ask my colleagues to join me in honoring a fine example of patient care and community wellness, the Pikeville Medical Center. I congratulate the Center on this latest achievement and wish the employees and hospital leadership many more years of success.

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 2, 2010

Mr. VISCLOSKY. Madam Speaker, it is with great pleasure and honor that I congratulate Ms. Dharathula H. "Dolly" Millender on a momentous milestone, her 90th birthday, which will be on February 4, 2010. Dolly will be celebrating this milestone with family and friends on Thursday, February 4, 2010, at The Stadium Restaurant in Gary, Indiana. For 50 years, Dolly's complete dedication and endless enthusiasm put forth toward her community has allowed her the opportunity to enrich the lives of countless people.

Dolly Millender was born on February 4, 1920, in Terre Haute, Indiana, to Dolly and Orestes Hood, and became a third generation Hoosier. Dolly's grandfather, Nicholas Hood, settled in Indiana after becoming free. From her family, Dolly learned the importance of community. They taught her to work unselfishly for the people of the community because it is "right" and it should not be done for any other ambition. It was during these early years that Dolly was taught to strive to make a difference in the lives of others. In 1941, Dolly went on to graduate with a Bachelor's degree in Education with a minor in Music from Indiana State Teacher's College, which is now Indiana State University. It was during her college years that she met her late husband, Justyn Millender. In 1944, Dolly and Justyn were married and later had two children, Naomi and Justine.

The family moved to Gary in 1950, and it was here that Dolly became a librarian at Pulaski Junior High, where she was fondly known as the "library lady." It was during this time that she became enthralled with the history of Gary and its roots. Dolly's passion for history and selfless devotion to her community began to take shape, and her lifelong career as a historian and advocate for the community of Gary continued to grow. In 1967, Dolly wrote and published the first of her five books, Yesterday in Gary, which has become a collector's item today. Continuing her education, in 1969, Dolly went on to graduate from Purdue University with a Master's degree in Educational Media. Dolly then began her active political career as a precinct committeeperson and later became the first elected Gary City Councilwoman-at-large. She has held many impressive political positions throughout her career which include: library trustee, school board trustee, and Chief Executive Officer of the Gary Historical and Cultural Society, an unpaid position she continues to hold today. Dolly's many friends and family members share a common respect for her commendable qualities. For her many years of service dedicated to making the community of Gary a better place, Dolly is to be commended. She is a role model for us all.

Madam Speaker, Dolly Millender has always given her time and efforts selflessly to the community of Gary throughout her illustrious
