RECOMMENDATION OF CHANGES IN LAW THAT HELP ACHIEVE DEFICIT REDUCTION BY REDUCING WASTE, FRAUD, ABUSE, AND MISMANAGEMENT, PROMOTING EFFICIENCY AND REFORM OF GOVERNMENT; AND CONTROLLING SPENDING WITHIN GOVERNMENT PROGRAMS, PURSUANT TO H. RES. 1493

**HON. NYDIA M. VELÁZQUEZ**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 15, 2010*

Ms. VELÁZQUEZ. Madam Speaker, pursuant to section (c)(2)(C) of H. Res. 1493, the Small Business Committee has taken steps to “identify changes in law that help achieve deficit reduction by reducing waste, fraud, abuse, and mismanagement, promoting efficiency and reform of government, and controlling spending within Government programs” that fall within the Committees’ legislative jurisdiction. With the economy beginning to show promising signs of recovery, it remains imperative that Congress and this Committee effectively oversee that taxpayer funds are used effectively. This includes not only terminating duplicative programs, but also taking steps to eliminate wasteful practices in federal agencies.

The Committee has taken its oversight role very seriously. H. Res. 40, which was passed at the beginning of this Congress, amended Clause 2(n) of House Rule XI by requiring that committees undertake intensive and regular examination of executive branch activities. We have exceeded the 1 hearing per 120 day requirement under H. Res. 40 and held 10 hearings on the Small Business Administration (SBA) and its programs. This has included 4 Government Accountability Office (GAO) investigations, all of which were requested by this Committee.

As a direct result of these oversight activities, the Committee makes the following recommendations pursuant to H. Res. 1493:

1. Termination of Patriot Express Loan Program: The Increased Veteran Participation Program contained in P.L. 110–186, the Military Reservist and Veteran Small Business Reauthorization and Opportunity Act of 2008, provides a more suitable financing alternative for veteran-owned small businesses than the Patriot Express Loan program. In particular, the program established in P.L. 110–186 provides for a higher guarantees, larger loan sizes, and reduced fees than the Patriot Express pilot program currently operated by the SBA. For this reason, the Committee recommends the termination of the Patriot Express initiative because the alternative program established in P.L. 110–186 will better serve veteran entrepreneurs.

2. Termination of SBA Express Loan Program: Given increasing defaults and the projected costs associated with the SBA Express program, the Committee recommends that this program be immediately terminated. The initiative has grown costly and does not satisfy any public policy goal, making it a poor use of scarce taxpayer funds. With a reduced guarantee of only 50 percent, the SBA Express Loan program fails to provide a sufficient incentive for lenders to make loans that they would otherwise not make.

3. Termination of the HUBZone Program: In the last three years, GAO has found that the

program was continually subject to widespread fraud and mismanagement. The program places taxpayer funds at substantial risk for fraud, waste, and abuse. Given the high frequency of fraud, legitimate small business contractors are placed at a distinct disadvantage due to the continued operation of this program. As a result, the Committee recommends that it be terminated.

4. Termination of the Emerging Leaders Initiative: While the goals of this program are justifiable, the Committee is concerned about the effectiveness and efficiency of the initiative due to its program design and past performance. As a pilot program, the initiative failed to demonstrate the capacity to generate a significant economic impact despite the large share of resources allocated to it. This program only produced 132 jobs at a cost of \$800,000—an average of cost of \$6,000 per job created. This amount is almost twice as much as the job creation cost of the Small Business Development Center program, which costs \$3,500 to create one job. In addition, this program is duplicative of SBA’s extensive network of entrepreneurial development providers. As a result, the Committee recommends that it be terminated.

5. Termination of the Regional Innovation Clusters Initiative: The Committee has major concerns over the design of the regional cluster program. Although the program’s goal is to target significant resources to regional industry clusters, the institutional framework to implement the proposal has not been clearly established. Plans for the allocation of resources, partnership agreements among local, private, and federal service providers in the targeted areas, and decision-making coordination remain unclear. In addition, the program lacks a specific implementation strategy, has inadequate federal oversight over the allocation of resources, and does not contain sufficient performance measures to determine its success. Due to these limitations, there is significant concern over abuse of thirds for this initiative. As a result, the Committee recommends that this program be terminated.

6. Termination of the National Veterans Business Development Corporation: This Corporation was created to provide training and entrepreneurial development services to veterans. Unfortunately, it has not reached its full potential and the American Legion and Veterans of Foreign Wars have called for its termination. Given concerns that the organization is insufficiently fulfilling its purpose to provide comprehensive assistance to separating members of the nation’s military forces, the Committee has authored and the House passed an alternative program in H.R. 1803, the Veterans Business Center Act of 2009. This legislation establishes a dedicated national network to deliver the services more efficiently than the Corporation. The Committee’s commitment to promoting veteran entrepreneurship remains strong. Therefore, it is critical that assistance programs to the sector are effective and that veterans have access to these resources so they can establish successful enterprises in all stages of the economy.

7. Termination of the Drug-Free Workplace Program: The Drug-Free Workplace program was originally created to assist small firms in the implementation of a plethora of substance abuse counseling and training activities. This included creating workplace drug policies, drug prevention training and education seminars, providing for drug-testing,

and counseling employees on substance abuse. Instead, the program has evolved into a subsidy solely for drug-testing centers, a private industry that does not warrant funding from the SBA, an agency whose mission is to promote and assist small businesses. Given the financial challenges facing the government, it is not prudent to use scarce taxpayer funds to purchase drug-testing services from and for viable private sector companies. As a result, the termination of program funding is appropriate due to the lack of meaningful returns on the public investment.

8. Termination of the National Women's Business Council (NWBC)—The NWBC mandate is to conduct research on women entrepreneurship, which is duplicative of the research work of the SBA's Office of Advocacy. Having two research entities conduct similar research is unnecessary and the NWBC funding should be terminated. The Office of Advocacy is the appropriate entity to conduct all entrepreneurship-related research as it benefits from both economies of scale and scope in its organization structure and staff capabilities.

In the last 18 months, small businesses have increasingly turned to the SBA for assistance. This has helped stem job losses and, in some parts of the country, created pockets of new growth. As a result, we are now beginning to see signs of strength, as private sector jobs continue to be added. To this end, the National Association for Business Economics recently found that 31 percent of companies added jobs between April and June, the highest level since 2007. Additionally, 39 percent of businesses surveyed reported that they expect to hire more workers over the next six months, which is the most since January 2008. Such growth is promising and it suggests that the business climate is becoming ripe for the establishment of new firms. This means that the SBA needs to be prepared to help these firms succeed, while also containing its costs. The Committee's proposals, if implemented, will accomplish this by reducing the federal deficit, curtailing fraud, and enabling the SBA to focus on its most important and successful programs. By increasing efficiency, the agency's existing tools and resources can be improved, without imposing additional costs on the taxpayer. This is a means to not only act in a fiscally prudent manner, but also a way to meet the needs of our nation's small businesses.

IN RECOGNITION OF MADLYN AND  
JAMES AARON

**HON. FRANK PALLONE, JR.**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 15, 2010*

Mr. PALLONE. Madam Speaker, I rise today in recognition of James and Madlyn Aaron's long-standing dedication to their community and to applaud their many contributions to the public. I hope that their faithful devotion to the state of New Jersey may serve as an example to us all.

James Aaron has been practicing law for 41 years and is a member of the New Jersey State Bar and Monmouth Bar Association. He is currently partner at the distinguished firm of Ansell Grimm & Aaron, based in Ocean, New

Jersey. Jim has been able to connect his professional career with his desire to contribute to his community. He has served as a panelist for the Monmouth University Real Estate Institute and has lectured for the Institute of Continuing Legal Education. In addition, Jim has been the City of Long Branch's City Attorney since 1994, has served as the municipal prosecutor and attorney for the zoning board for the City of Long Branch, and has held the position of Ashbury Park's City Attorney. In fact, he is the only City Attorney in the history of New Jersey to serve these cities at the same time. Jim's impressive legal career includes practicing before the United States Supreme Court, the United States Court of Appeals, and the United States Court of Claims.

Mr. Aaron's active participation in New Jersey civic life extends to a variety of other spheres as well. In 2006, Jim was appointed the Commissioner of the New Jersey Racing Commission. He also sits on the Board of Trustees of the Hollywood Golf Club. In addition, because religion is important to him, Jim has attended Temple Beth Miriam for his entire life. He is now a member of the Temple's Board of Trustees.

Jim's wife Madlyn Aaron was a school teacher in the Long Branch school system for over 33 years. She holds a B.A. and an MBA from Monmouth University, and her commitment to education has continued even after retirement. Madlyn and Jim sponsor the Leslie B. Aaron Scholarship Fund which provides a scholarship to a deserving Long Branch High School senior every year. They also sponsor Heimlich-Aaron Scholarship Fund which provides a scholarship for a worthy graduate of Temple Beth Miriam's Hebrew High School. The couple supports Monmouth University and the Monmouth Medial Center, and their contributions to civic life also include their active membership in the Long Branch Chamber of Commerce. Perhaps most notably, Jim and Madlyn recently served as co-chairs of the Temple Beth Miriam's "Capital Campaign." The campaign successfully raised over \$2.5 million dollars for the Temple.

Madam Speaker, please join me in leading this body in acknowledgement of the dedication of James and Madlyn Aaron to their community. Their contributions to civic life and charitable and religious organizations make them tremendously valued citizens of my district and the state of New Jersey.

HONORING THE LIFE AND WORK  
OF DR. CLAIRE COLEMAN

**HON. GARY C. PETERS**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 15, 2010*

Mr. PETERS. Madam Speaker, I ask my colleagues to rise today to remember and honor the life of a dear friend, Dr. Claire Colman. Claire was an accomplished physician, a staunch champion of women's rights, and a dedicated Democratic activist.

Since her passing last December, friends from around the Metro-Detroit area and Michigan have remembered Claire in various ways, including a most fitting dedication by the Birmingham-Bloomfield Democratic Club of a park bench in Birmingham's Shain Park. I am honored to add my words today to the growing list of tributes to Claire's life.

Claire embodied progressive values and had an abiding passion for human rights. She was a tireless leader, ably heading key organizations as Michigan NOW and Detroit WAND, even while struggling with serious health issues. Through her leadership and activism, Claire was the essence of advocacy. Even the most minor task warranted her attention—she was ever on the phone, at meetings, raising money and raising spirits. She remains an example for us all.

Above all, however, Claire was a loving and devoted wife to Michael and mother to Joe and Brian. To both my wife Colleen and I, she was not only a dear friend but a trusted advisor and stalwart advocate.

In so many ways, Claire's passion, energy and enthusiasm for life and goodness lives on in each of us. Her memory inspires us to work toward a world that expresses our shared values. She is missed. She is cherished. And she will always be in our hearts.

FINDINGS OF THE CHAIRMAN OF  
THE COMMITTEE ON OVERSIGHT  
AND GOVERNMENT REFORM RELATING TO  
EFFICIENCY AND REFORM PURSUANT TO H. RES. 1493

**HON. EDOLPHUS TOWNS**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 15, 2010*

Mr. TOWNS. Madam Speaker, pursuant to subsection (c)(2) of H. Res. 1493, the House-passed Budget Enforcement Resolution, I am submitting the following information for printing in the CONGRESSIONAL RECORD. The Budget Enforcement Resolution requires that I identify the Committee actions that help achieve deficit reduction by reducing waste, fraud, and abuse in government programs, promoting efficiency and government reform, and controlling spending in the government programs. This requirement reflects the House's commitment to deficit reduction and bringing about a more efficient and accountable government for the American people. As Chairman of the Oversight Committee, I am pleased to comply with this requirement.

A September 2 letter from the Speaker of the House and Majority Leader to House Committee Chairs identifies some of the important legislative steps the Oversight Committee has taken to promote deficit reduction, fiscal responsibility, and government reform in the 111th Congress. The Oversight Committee and the House of Representatives passed the Government Efficiency, Effectiveness and Performance Improvement Act, H.R. 2142. As the letter acknowledges, the enhanced oversight provided by this legislation will significantly cut government waste. In addition, the Committee approved the Improper Payments Elimination and Reduction Act, H.R. 3393, which was also signed into law (as S. 1508) on July 22, 2010. The Office of Management and Budget recently reported that the federal government made an astonishing \$98 billion in duplicate, erroneous, or undocumented payments in 2009. The Committee's and the Congress' efforts, in passing H.R. 3393 / S. 1508, will provide the government with the tools it needs to recover these overpayments for the American taxpayers and stop them from occurring in the first instance.
