COMMEMORATING THE FIFTH ANNUAL DIALYSIS AWARENESS WALK

HON. HARRY E. MITCHELL

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. MITCHELL. Madam Speaker, I rise today to commemorate the fifth annual Dialysis Awareness Walk taking place Sunday, March 7, 2010. The Sunset Kiwanis Club of Fountain Hills and DaVita Patient Citizen's Group has organized this wonderful and exciting event.

I would particularly like to honor Edward Stizza for his efforts coordinating this annual event, and for his tremendous commitment to educating the community about Chronic Kidney Disease and End Stage renal disease. The proceeds from the walk will benefit the Dialysis Patient Citizens Group, a non-profit organization that provides education for dialysis patients and their families. Additionally, the walk provides an invaluable forum for organizations to answer questions and provide pertinent information regarding diabetes, kidney dialysis, nutrition and organ transplants.

More than 20 million Americans have chronic kidney disease, which if left untreated can lead to End Stage Renal Disease. However, with the help of individuals like Mr. Stizza, and particularly his work organizing the Dialysis Awareness Walk, we can raise the public awareness of this debilitating disease and the plight of the more than 400,000 Americans who rely on kidney dialysis today.

Madam Speaker, please join me in applauding the fifth annual Dialysis Awareness Walk. I am confident that this event will do much to increase support and funding for those whose lives are intimately affected by chronic kidney disease.

HONORING MR. ROGER L. GALATAS

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. BRADY of Texas. Madam Speaker, I rise today to honor Mr. Roger L. Galatas as the "King of the Court" of the Montgomery County Performing Arts Society for 2010.

Mr. Galatas is an icon in Montgomery County, Texas. For almost 20 years he worked alongside George Mitchell, the founder of the Woodlands, on Mr. Mitchell's innovative and internationally recognized development team.

Roger has held many leadership roles throughout his years in The Woodlands, including former CEO and president of The Woodlands Corporation and the founding director of The Woodlands Hospital.

Mr. Galatas has been instrumental in making education in Montgomery County stronger by serving as a founding director of The John Cooper School and past president of the Conroe Independent School District Board of Trustees. Galatas Elementary in the Conroe Independent School District today proudly bears his name.

He is a past board of directors for Stewart Title Company of Montgomery County and the United Way of Montgomery County, a former board member of the Memorial Hermann Hospital System, former trustee and officer of the Urban Land Institute, and he has served on the Real Estate Advisory Committee of the Trust for Public Land.

Mr. Galatas continues his regional leadership role as a current board member of the Center for Houston's Future and the current chair of the Strategic Planning Committee.

In 2004, Mr. Galatas co-wrote a book with Jim Barlow titled "The Woodlands, The Inside Story of Creating a Better Hometown". The book gives the inside-scoop of how The Woodlands has grown into what it is today—a fast growing, environmentally sustainable community with a vibrant economy that he played an immeasurable role in shaping.

Without question Mr. Galatas, with the support of his beautiful wife Ann, has served his community above and beyond and continues to make Montgomery County and the Houston region a better place in which to live, work and play.

Madam Speaker, I am proud to call him my friend and to recognize Mr. Roger L. Galatas and his countless contributions to the people of The Woodlands and Montgomery County.

I urge you to join me in recognizing Roger Galatas as the Royal "King of the Court" at the Second Annual Montgomery County Performing Arts Society Mardi Gras Ball that took place on February 13, 2010.

COMMEMORATING THE 100TH ANNIVERSARY OF SCOTTSDALE'S LITTLE RED SCHOOLHOUSE

HON. HARRY E. MITCHELL

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. MITCHELL. Madam Speaker, I rise today to commemorate the 100th anniversary of Scottsdale's Little Red Schoolhouse. The schoolhouse has been a prominent pillar within the Scottsdale community since its beginnings and an important historic marker of how far the city has developed.

Since its construction in 1910, the schoolhouse has continuously evolved to match the needs of a flourishing community. Originally designed as a school for eight students, the schoolhouse now serves as a historical museum under the leadership of the Scottsdale Historical Society. Over its many years, it has

also served as a polling place, a Sunday school, a county court office and as Scottsdale's Town Hall.

The schoolhouse fostered the growth of the community and symbolizes Scottsdale's continued prosperity. I am confident that the schoolhouse will continue to thrive and serve Scottsdale for the next 100 years.

Madam Speaker, please join me in commemorating Scottsdale's Little Red Schoolhouse, and expressing gratitude to all of the volunteers and advocates of historical preservation who have made this special celebration possible.

CONGRATULATING PORTLAND DEVELOPMENT COMMISSION

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. BLUMENAUER. Madam Speaker, I rise today to congratulate the Portland Development Commission and the City of Portland, Oregon.

The Portland Development Commission, the city's urban renewal and economic development agency, has been able to exceed their established diversity goals in construction contracting for each of the last two years.

The PDC results are promising. In tough economic times and in a city with a small minority population PDC has exceeded goals for utilization of minority, women-owned and emerging small businesses by at least 15 percent annually, committing more than 35 percent of the dollars committed to state-certified firms.

Three years ago the PDC executive leadership and Board took bold steps by revising the decade-old policies governing business and workforce equity and adopting significant policy changes, which included: The adoption of the PDC Construction Wage Policy; revision of the PDC Business and Workforce Equity Policies; convening a community-based Workforce Diversity Advisory Committee, whose work resulted in PDC's new workforce diversity goals for all PDC construction projects and upcoming new contractor requirements; closer working relationships with the National Association of Minority Contractors-Oregon, the minority chambers of commerce and the Metropolitan Contracting Improvement Partnership, which focuses on building contractor capacity; a renewed partnership with organized labor that changed the state prevailing wage statutes on public-private partnerships; support for pre-apprenticeship programs such as Oregon Tradeswomen, Inc., the Evening Trades Apprenticeship Program, WorkSystems Inc., Irvington Covenant, Portland Youthbuilders and Construction Apprenticeship and Workforce Solutions; and providing technical assistance at no cost to all minority, women-owned and emerging small businesses bidding on or receiving PDC constructs.

Additionally, I'm pleased to report that the PDC has achieved these results in part due to close collaboration with organized labor. These jobs are family wage jobs that provide health insurance benefits.

The PDC is committed to making further progress. They've established a Workforce Diversity Strategy Committee that will function

as an oversight group and constantly evaluate results and set aggressive goals for diversity in PDC construction projects.

They've worked with minority business associations to put in place technical assistance agreements to focus on building capacity among historically underutilized businesses. PDC will implement a prompt payment requirement making sure that small contractors get paid quickly for their work, and just last month, PDC implemented a Small Contractor Loan Insurance program that gives small contractors access to working capital through a revolving loan. This will be a huge help to small firms that are struggling to attain credit with banks.

I commend PDC for what they've done, and what they have planned to make sure that public construction projects benefit the entire community and not just a select few.

**RECOGNIZING STAFF SERGEANT

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. MITCHELL. Madam Speaker, I rise today to honor a member of the Armed Forces from my home state of Arizona. Every month, Scottsdale Healthcare honors military personnel who perform diligent service to this country. Scottsdale Healthcare has recognized U.S. Army Staff Sergeant Tim Copeland for the month of February.

Copeland has served as an Information Systems Operator and Analyst for the Army since 1992. He has been deployed twice to Kuwait and is currently deployed for a two-year tour at Camp Arifjan, Kuwait.

During his service Copeland has received numerous awards, all of which serve as a tribute to his honorable character. Staff Sergeant Copeland is the brother of Clare Copeland, who works in the Emergency Department Admitting Office at Scottsdale Healthcare. Clare is an avid supporter of the military partnership training program.

**CONGRATULATING MR. IRA
LEESFIELD FOR HIS ACCOM-
PLISHMENTS IN THE LEGAL
COMMUNITY**

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. HASTINGS of Florida. Madam Speaker, I rise today to congratulate Mr. Ira Leesfield

on being a recipient of the American Jewish Committee's Judge Learned Hand Award. This prestigious award honors leaders in the legal profession for both their overall excellence in the workplace and their contributions to the community. Mr. Leesfield has always welcomed the challenge to serve the underserved, and it is this devotion that has earned him one of the American Jewish Committee's highest honors.

Mr. Leesfield carries himself with great integrity, respect, and dedication in everything he does for his profession and for his community. A look into his background shows just how successful he has been on both of these fronts. In 1976, Ira Leesfield founded Leesfield & Partners, dedicating his professional life to protecting the courtroom rights of the firm's clients throughout Florida and the United States. He currently holds record personal injury verdicts and settlements in a plethora of jurisdictions, earning him recognition as one of America's top ten trial lawyers.

However, Mr. Leesfield's interest reaches far beyond monetary figures as he has been recognized for prosecuting cases that benefit the public interest. He has received the American Occupational Rehabilitation Training (ORT) Jurisprudence Award for his dedication to his profession, as well as the prestigious Jurisprudence Award from the Anti-Defamation League for his success in gaining access to the courts for the less privileged. Ira was elected President of both the Melvin M. Belli Society and the Academy of Florida Trial Lawyers after receiving each organization's respective awards: the Belli Award and the Al J. Cone Lifetime Achievement Award.

A resident of Florida since 1956, Ira is an American Bar Foundation Fellow, life member of the American Association for Justice as well as the Roscoe Pound Foundation, and a past adjunct professor at the University of Miami School of Law. Mr. Leesfield's success hits close to home as his many accomplishments have greatly benefited myself as well as the great people of Florida's 23rd Congressional District.

Madam Speaker, I am truly honored to recognize Mr. Ira Leesfield for his dedication to the legal profession and to the South Florida community as a whole.

**TRIBUTE TO LAWRENCE "LARRY"
KING**

HON. LOIS CAPPS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mrs. CAPPS. Madam Speaker, I rise today to honor the life of my constituent, Lawrence "Larry" King.

Two years ago this week, Larry was shot by a fellow student while at school in Oxnard, CA.

He died 2 days later. The police classified his murder as a hate crime.

He was 15 years old.

In addition to our local community, almost 200 vigils in all 50 States were held to honor Larry's life.

Two years later, Larry's death continues to remind us of the violence and harassment directed at lesbian, gay, bisexual and transgender people every day.

This violence is unacceptable anywhere and particularly painful in our schools.

I think every American believes all our children deserve an education free from bullying, harassment, discrimination and violence.

In honor of Larry and all LGBT students, I would like to encourage my colleagues to support the Student Non-Discrimination Act.

This important bill establishes a comprehensive Federal prohibition of discrimination in public schools based on actual or perceived sexual orientation or gender identity.

We know that bullying deprives students of equal educational opportunities.

It also causes high rates of absenteeism, dropout, adverse health consequences, and academic underachievement among LGBT youth.

Without interference, bullying and discrimination leads to life-threatening violence and suicide.

Also, when school officials engage in discriminatory treatment, or are indifferent to harassing behavior, LGBT students' constitutional rights are infringed.

This is deplorable.

In Larry's memory, we owe our children nothing less than a safe environment and the support they need to learn most effectively.
