

The Mobile Infirmary Medical Center also offers the latest cancer therapies and treatments available and its research program provides treatment options not found anywhere else on the Gulf Coast.

In celebration of its 100th birthday, the facility plans several events next month, including a public viewing of its remodeled atrium and a reunion of everyone born at the Mobile Infirmary Medical Center.

One hundred years ago, the Mobile Infirmary was a vital part of our community—delivering babies, saving lives and comforting the suffering. Today, it continues to fulfill that important role for Mobile and all of Southwest Alabama and, indeed, the central Gulf Coast.

Madam Speaker, on this 100th anniversary, I offer my heartfelt congratulations for its exemplary service to our community and I am confident that the legacy of the Infirmary as a leading health care center will long endure. Happy Birthday, Mobile Infirmary. And special thanks to the thousands of men and women who, over the years, have helped fulfill your core mission of health care excellence.

CONGRATULATING FRANCINE
FARKAS SEARS OF BRANFORD,
CONNECTICUT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Ms. DELAURO. Madam Speaker, I rise today to congratulate my good friend Francine Farkas Sears of Branford, a pioneering small businesswoman from my district whose company, Fabrique, has been named one of America's fastest-growing 5000 companies by Inc. Magazine. This acknowledgment is a testament to her entrepreneurial skills and spirit of innovation.

Francine is president and owner of Fabrique, a certified woman-owned business that provides cases and accessories for a host of consumer electronic products. Francine has led this company since the early 1980s driven by the vision of what women needed to compete and succeed in the business arena.

And its success is only the latest feather in the cap of a true trailblazer, one with 40 years of experience in the business world. As a stockbroker in the 1960s, Francine was recognized by Newsweek and the New York Times. And in 1972, she was the first businesswoman invited to visit Communist China, after President Nixon had normalized relations.

These achievements, like her inclusion on the Inc. list this year, speak to Francine's creativity, resilience, tenacity, and business savvy—all as plain as day to anyone who meets her. Perhaps most importantly, she has used her success to serve her community, by helping other women to join the business world and succeed in their own right.

I applaud Francine for achieving this recognition, and I congratulate her on both her thriving professional career and the continued success of Fabrique. She is a credit to the Branford community and an excellent reminder that small businesses can and do continue to thrive in our home state of Connecticut.

THE 99TH ANNIVERSARY OF THE
REPUBLIC OF CHINA (TAIWAN)

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Mr. LAMBORN. Madam Speaker, on October 10th, the Republic of China will celebrate National Day, this year marking their 99th anniversary. The United States of American and Taiwan enjoy a close and strong relationship based on shared democratic values and free market economies.

I salute the people of Taiwan for their recent achievements, including the completion on June 29 of the Economic Cooperation Framework Agreement (ECFA) with China. Improving relations between Taiwan and mainland China have greatly reduced tension across the Taiwan Strait.

While welcome, the improved relations between the two sides does not eliminate the need for the United States to continue to help Taiwan's defense capabilities under the Taiwan Relations Act. We should continue to aid Taiwan in replacing its aging air force. According to the most recent Department of Defense report on Taiwan's military power, China continues to enjoy air superiority over Taiwan.

It is also my view that we must support Taiwan's participation in global affairs by supporting Taiwan and its 23,000,000 people in becoming a member of the United Nations. An internationally visible Taiwan is a strong Taiwan.

Today, Taiwan is a major trading partner and friend. Our strong economic and cultural ties go back nearly a hundred years. We hope that this strong bond will continue for another 100 years and more.

TRIBUTE TO BREAST CANCER
AWARENESS MONTH

HON. NITA M. LOWEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Mrs. LOWEY. Madam Speaker, I rise today to pay tribute to Breast Cancer Awareness Month, which begins on October 1. This month should serve as a time to reflect on the struggles faced by women fighting this deadly disease and to celebrate how far we have come and all we have accomplished in the fight for a cure.

This year marks the 20th anniversary of the National Breast and Cervical Cancer Early Detection Program, which has provided health services to more than 3.7 million underserved women. It focuses on one of the key factors in surviving breast cancer—early detection. Due to the sobering fact that breast cancer will afflict 1.3 million women this year, it is vital that we ensure access to affordable breast health services. Last year alone, the early detection program screened almost 325,000 women for breast cancer—and detected 4,600 instances of cancer.

In addition to maintaining this progress, we must also maintain our investment in innovative research to develop better screening tools and treatments. Numerous provisions in the health reform law will improve breast cancer

screening, including annual mammograms for women age 40 and older.

A number of non-profit organizations are dedicated to saving lives and ensuring quality care for those suffering from this terrible disease. This is the 30th anniversary of Nancy G. Brinker's promise to her sister, Susan Komen, that she would do everything in her power to end breast cancer forever.

I encourage everyone to join me in recognizing Breast Cancer Awareness Month. I would like to acknowledge this month as a time of hope for those fighting this disease and to honor the 2.5 million survivors living in the U.S. today who serve as a testament to the power of education, early detection, and advances in treatment.

INTRODUCTION OF THE HOME-
LAND DEFENSE OPERATIONS
PAY EQUITY ACT

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Ms. BORDALLO. Madam Speaker, today I introduced a bill, the Homeland Defense Operations Pay Equity Act, which aims to address an oversight in statute that does treat members of the National Guard or Reserves, who are also federal civil servants, with pay parity during periods of activation in support of domestic operations.

The Omnibus Appropriations Act of 2009 (Public Law 111–8) established Section 5538 of Title 5. The intent of this provision was to ensure that any member of the National Guard or Reserves who was called to active duty and who works as a federal civil servant does not incur a significant loss of income as a result of their activation to active duty service under Title 10. This was in direct response to the major activations for Operation Iraqi Freedom and Operation Enduring Freedom. Numbers of Guardsmen and Reservists who work for the federal government were suffering significant losses of income as a result of the activations to support Operation Enduring Freedom and Operation Iraqi Freedom. To address this disparity, Congress passed Section 5538 to ensure that the federal government, under specific regulations, pays the difference between their active duty pay and their federal salary.

However, Section 5538 does not cover a Coast Guard Reservist or National Guardsmen who was called to service in support of homeland defense operations under Title 32 or Title 14.

Since 9/11, our National Guardsmen and Reservists have answered the call to duty on numbers of domestic operations including Operation Noble Eagle, security at our airports, Hurricane Katrina operations, Operation Jump Start on the southwest border and most recently for BP oil spill clean-up. We should encourage, not penalize, our federal civil servants who perform domestic operations in the National Guard or Reserves. The Homeland Defense Operations Pay Equity Act would correct this oversight and ensure that Reservists and Guardsmen do not incur a significant loss of income in their service to our country.

I urge that this bill be passed, so that our dedicated Guardsmen, Reservists, and their families, do not face financial hardship while answering the call to service.

CONGRATULATIONS TO THE CIVIL SERVICE EMPLOYEES ASSOCIATION

HON. PAUL TONKO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Mr. TONKO. Madam Speaker, today, I rise to honor the 100th anniversary of the Civil Service Employees Association.

I want to publicly acknowledge this organization whose endeavors have served the best interests of the workforce in the State of New York. Labor unions have played an essential role in ensuring the prosperity, safety and liberty of workers in my home state, as well as our Nation, and around the world.

This great group of civil servants was first organized on October 24, 1910. The Civil Service Employees Association's founding was the first known instance of state employees organizing. One hundred years later, the Civil Service Employees Association is one of the largest, most influential unions in the United States.

It is New York's largest public employee union, representing 300,000 active and retired, public and private employees. Its members are an integral part of every locality and provide essential services throughout the state.

Today the association's members are the backbone of their communities, supporting every kind of charitable cause, service organization and community activity. With a membership of dedicated employees, the record of the Civil Service Employees Association in public service is one to be celebrated.

STATEMENT IN HONOR OF SOPHIE HAYFORD'S RETIREMENT

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Ms. MATSUI. Madam Speaker, I want to take a moment to recognize the extraordinary work of the Rules Committee's Chief Counsel, who will be retiring this November.

For more than three decades, Sophie Hayford has served this chamber with grace and humility.

Beginning her tenure as a legislative aide to Representative Joseph Moakley, Sophie then went to work for the Rules Committee.

Over the past 24 years, Sophie has guided the Rules Committee and the House as a procedural specialist. She has been a constant resource to me and my staff and has helped guide the passage of several important initiatives.

My good friend—Chairwoman (LOUISE) SLAUGHTER—has been privileged to have Sophie on her staff. And I know I speak for my colleagues when I say that Sophie will be sorely missed on the Committee. But we all wish her the very best in the future.

Sophie: thank you so much for your hard work, dedication and the many late nights. It really has been a pleasure working with you.

Please enjoy your retirement, you certainly deserve it.

RECOGNIZING THE NICK MARSHALL FAMILY AS THE 2010 OKALOOSA COUNTY OUTSTANDING FARM FAMILY OF THE YEAR

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Mr. MILLER of Florida. Madam Speaker, on behalf of the United States Congress, it is an honor for me to rise today to commend the Marshall family on being selected as the 2010 Okaloosa County Outstanding Farm Family of the Year.

Dating back several generations, the hard work and dedication of Nick Marshall and his father James, along with Nick's wife Maryann and his mother Helen, have helped keep their family's farming tradition alive. They, along with their ancestors, have helped provide food and goods not only throughout their community, but throughout the Nation.

The Marshall family's current operation of growing cotton and peanuts was started by Nick's father in 1973. It was during his early years that Nick learned from his father, James, the importance of a strong work ethic and producing quality goods. The bond between father and son working on the farm is a special one and should be cherished; Nick hopes to one day share some of the same memories and life lessons with his son, Landen.

Madam Speaker, our great Nation was built by farmers and their families. The Marshall family serves as an excellent model to all our Nation's family farmers. On behalf of Northwest Florida, I wish the Marshall family continued success and hope that their family tradition will continue to prosper for many future generations to come.

TRIBUTE TO NEAL WADE, ALABAMA'S TOP INDUSTRIAL RECRUITER

HON. JO BONNER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Mr. BONNER. Madam Speaker, I rise to recognize the incredible contributions of one of America's top economic development recruiters, Mr. Neal Wade, who will soon leave his home State of Alabama after accumulating a most impressive record of accomplishments.

Faced with many of the same economic challenges as other states, including the rapid decline of the textile industry, Alabama has spent much of the last decade recreating its image and reaching out to new industries.

And even when you include the impact of the global recession, which has spared few, the results have been nothing less than impressive.

Our State has made significant gains in landing a variety of top tier projects, including German steel manufacturer ThyssenKrupp Steel and Austal USA in my congressional district, as well as expansions in Alabama's automakers—Mercedes, Honda, Hyundai, and Toyota. We have also been at the forefront of developing our aerospace presence in ways

once thought impossible with the commitment by EADS and Airbus to grow their U.S. footprint in the State of Alabama. Without question, the man at the helm of Alabama's economic development efforts during this productive period has been Neal Wade.

Mr. Wade, a Sanford University graduate, spent the 1990's leading the Economic Development Partnership of Alabama. As president and CEO of the partnership of the State's leading businesses aligned to promote economic development, he demonstrated his unrivaled leadership capabilities and caught the eye of Governor Bob Riley who appointed him director of the Alabama Development Office in 2003.

In this new capacity, Mr. Wade wasted little time courting major new industry, including ThyssenKrupp, National Railcar, and more recently, Hyundai Heavy Industries. His efforts did not go unnoticed outside of the State. Twice during his stewardship, the Alabama Development Office was named the top economic development agency in the United States.

Mr. Wade recently announced that he is leaving his post at the ADO to become the senior vice president for economic development at the St. Joe Company. It is an understatement to say that Alabama will greatly miss the steady hand and wise counsel of Neal Wade. However, we wish him and his wife, Mary Ann, the very best in their future endeavors.

Madam Speaker, Alabama is a different State—and a much better place to call home—because of the tremendous team of Governor Bob Riley and ADO Director Neal Wade. While we will miss this dynamic duo next year, the seeds of the new investment that Neal has helped plant over the past several years will no doubt bear fruit for generations to come.

TRIBUTE TO THE CINCINNATI REDS

HON. JEAN SCHMIDT

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 29, 2010

Mrs. SCHMIDT. Madam Speaker, I rise today along with all of Cincinnati to congratulate and celebrate the Cincinnati Reds becoming the 2010 National League Central Division Champions.

Cincinnati has a rich and proud tradition of great baseball teams. Cincinnati is the home of the first professional ball club beginning in 1879. The Reds have won World Series Titles in 1919, 1940, 1975, 1976, and most recently, 1990. The Reds also won National League Pennants in 1939, 1961, 1970 and 1972 and have numerous Reds players and coaches inducted into the National Baseball Hall of Fame.

Madam Speaker, this year's Reds ball club has had an astonishing number of come-from-behind wins and walk-off wins in the final at-bat. Last night was no different when, in the bottom of the ninth, Jay Bruce hit a home run to break a 2-2 tie and send Cincinnati into the post season.

Madam Speaker, please join me in congratulating Manager Dusty Baker for, leading this diverse team full of young players, seasoned
