CYBERSECURITY ENHANCEMENT ACT OF 2009

SPEECH OF

HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 3, 2010

Ms. RICHARDSON. Madam Speaker, I rise today in support of H.R. 4061, the Cybersecurity Enhancement Act, which addresses the recommendations of the Cyberspace Policy Review to improve cybersecurity in the Federal, private, and public sectors.

I would like to acknowledge Speaker PELOSI and Chairman GORDON for their leadership in bringing this important resolution to the floor. I would also like to thank my colleague Congressman LIPINSKI, who authored this legislation that will result in the development and implementation of a strategic plan guiding the overall direction of Federal cybersecurity and information assurance research and development.

As a former member of the House Homeland Security Subcommittee on Emergency Threats, Cybersecurity and Science and Technology, I have been concerned about these issues. The rapid development of information technology has led to increased connectivity and productivity that has greatly benefited the U.S. economy. However, with these great advances comes the disadvantage of increased vulnerability of our information technology infrastructure. Reports of cyber crime, hacking, and viruses has steadily risen, heightening concerns over the adequacy of our cybersecurity measures and the need for further research and development.

My district, the 37th district of California, is heavily dependent on technology and computing networks, so I am pleased that H.R. 4061 is a bill that will improve cybersecurity in the Federal, private, and public sectors. This legislation achieves this goal by developing a skilled cybersecurity workforce, coordinating and prioritizing the Federal R&D portfolio, improving the transfer of cybersecurity technologies to the marketplace, promoting cybersecurity education and awareness for the general public, and coordinating U.S. representation in the development of international cybersecurity technical standards. My district, the 37th district of California, is heavily dependent on technology and computing networks, so I am pleased that . . .

In conclusion, Madam Speaker, I support this legislation because with our increasing reliance on the internet, we need to make sure

our cyber systems are secure. I am pleased that Congress is taking action to promote these improvements and adequately fund the areas of government responsible for our cybersecurity.

Madam Speaker, I urge my colleagues to join me in supporting H.R. 4061.

Mr. QUIGLEY. Madam Speaker, I rise today to recognize the success of Northside College Preparatory Academy, recently named number one high school in Illinois based upon its students scoring in the highest average percentile on the Prairie State Achievement Examination.

Monday, February 22, 2010

Mr. LOEBSACK. Madam Speaker, today, I am introducing a Resolution to honor the University of Iowa Hawkeye football team for the great success they had on the football field during the 2009 season. The team began the season by winning its first nine football games, which set a new team record for consecutive wins to start a football season. The game was very well competed by both schools, but with stellar defense and an exciting offensive performance, the University of Iowa Hawkeye football team won the game 24–14.

Through hard work and great success on the football field, the University of Iowa Hawkeye football team received numerous awards and won over many new fans. INTRODUCING A RESOLUTION EXPRESSING THE SENSE OF THE HOUSE OF REPRESENTATIVES THAT "DON'T ASK, DON'T TELL" BE REPEALED IN 2010

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. HASTINGS of Florida. Madam Speaker, I rise today to introduce a resolution that recognizes the Senate Armed Services Committee's hearing on Don't Ask, Don't Tell, and the testimony of Defense Secretary Robert M. Gates and Admiral Michael G. Mullen, Chairman of the Joint Chiefs of Staff, at the hearing, as an important first step towards equality in the Armed Forces. Furthermore, my resolution expresses the sense of the House of Representatives that this discriminatory law should be repealed in 2010.

There are an estimated 66,000 gay and lesbian service members currently on active-duty, serving in all capacities around the world to protect our nation and advance our interests. The misguided policy known as Don't Ask, Don't Tell is yet another enemy to fight at a time when we are strained in two wars. In 2009 alone, we lost 428 service members to Don't Ask, Don't Tell at the estimated cost of over \$12 million. We cannot allow the strength and unity of our military to suffer from a destructive force within. Don't Ask, Don't Tell is irreconcilable with the values that our great

nation was built on and the values that our Armed Forces embody.

The Senate Armed Services Committee's recent hearing on Don't Ask, Don't Tell was indeed historic, being the first Senate hearing on the issue in 17 years. My resolution recognizes the great significance of Defense Secretary Gates and Admiral Mullen's testimonies, which sent a clear signal across the nation and through the military ranks that discrimination is not a value of our Armed Forces. Furthermore, it urges the Pentagon working group to deliver an implementation plan to Congress as soon as possible while ensuring that the needs and concerns of all service members are taken into consideration, and strongly recommends that the Senate Armed Services Committee and House Armed Services Committee's Subcommittee on Military Personnel include active-duty service members in their upcoming hearings regarding Don't Ask, Don't Tell.

While a majority of the American people support open service by gay and lesbian members of the Armed Forces, there are those who would like to see the policy kept in place. Don't Ask, Don't Tell should be repealed swiftly and replaced with a policy of non-discrimination and inclusion once and for all.

Madam Speaker, the repeal of Don't Ask, Don't Tell is long overdue. It is my sincere hope that President Obama, the Department of Defense, the U.S. military, and Congress will do everything in their power to allow gay and lesbian Americans to serve openly as soon as possible. I urge my colleagues to support this important resolution and to join me in working to bring about the full and final repeal of Don't Ask, Don't Tell this year.

HONORING THE CHICAGO CHAPTER
OF THE AMERICAN VETERANS
FOR EQUAL RIGHTS

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. QUIGLEY. Madam Speaker, I rise today to congratulate the Chicago Chapter of the American Veterans for Equal Rights, AVER, an organization of gay, lesbian, bisexual and transgender veterans of the U.S. Armed Forces, on the occasion of the City of Chicago's annual Salute to LGBT veterans.

Founded in 1992, the Chicago Chapter of AVER provides support to LGBT veterans in the Chicago metropolitan area. Members of AVER have served in every war from World War II to Iraq and Afghanistan.

Each year, AVER members march in Chicago's Memorial Day Parade and in Chicago's Gay Pride Parade. By doing so, AVER members bear witness to the fact that gay and lesbian Americans have served throughout our history to defend the United States in time of war and to preserve our freedoms and democracy.

AVER fights not only for LGBT veterans but also for gay and lesbian soldiers currently serving in our Armed Forces, especially those who are in harms way in Iraq and Afghanistan. AVER members travel to Washington every year to lobby members of Congress for an end to the "Don't Ask, Don't Tell" policy.
