

HONORING THE UNIVERSITY OF
IOWA HAWKEYE FOOTBALL TEAM

HON. DAVID LOEBSACK

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. LOEBSACK. Madam Speaker, today, I am introducing a Resolution to honor the University of Iowa Hawkeye football team for the great success they had on the football field during the 2009 season. The team began the season by winning its first nine football games, which set a new team record for consecutive wins to start a football season. The Hawkeyes finished the regular season with 10 wins and two losses, leaving them ranked seventh in both the final Associated Press and USA Today rankings, tied for second in the Big Ten Conference, and were invited to play in the 2010 FedEx Orange Bowl against the Georgia Tech Yellow Jackets. The game was very well competed by both schools, but with stellar defense and an exciting offensive performance, the University of Iowa Hawkeye football team won the game 24–14.

Through hard work and great success on the football field, the University of Iowa Hawkeye football team received numerous awards and won over many new fans. Through this Resolution, I hope to congratulate the 2009 University of Iowa Hawkeye football program for bringing honor to the team, the University of Iowa, the city of Iowa City, and the State of Iowa.

INTRODUCING A RESOLUTION EXPRESSING THE SENSE OF THE HOUSE OF REPRESENTATIVES THAT "DON'T ASK, DON'T TELL" BE REPEALED IN 2010

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. HASTINGS of Florida. Madam Speaker, I rise today to introduce a resolution that recognizes the Senate Armed Services Committee's hearing on Don't Ask, Don't Tell, and the testimony of Defense Secretary Robert M. Gates and Admiral Michael G. Mullen, Chairman of the Joint Chiefs of Staff, at the hearing, as an important first step towards equality in the Armed Forces. Furthermore, my resolution expresses the sense of the House of Representatives that this discriminatory law should be repealed in 2010.

There are an estimated 66,000 gay and lesbian service members currently on active-duty, serving in all capacities around the world to protect our nation and advance our interests. The misguided policy known as Don't Ask, Don't Tell is yet another enemy to fight at a time when we are strained in two wars. In 2009 alone, we lost 428 service members to Don't Ask, Don't Tell at the estimated cost of over \$12 million. We cannot allow the strength and unity of our military to suffer from a destructive force within. Don't Ask, Don't Tell is irreconcilable with the values that our great

nation was built on and the values that our Armed Forces embody.

The Senate Armed Services Committee's recent hearing on Don't Ask, Don't Tell was indeed historic, being the first Senate hearing on the issue in 17 years. My resolution recognizes the great significance of Defense Secretary Gates and Admiral Mullen's testimonies, which sent a clear signal across the nation and through the military ranks that discrimination is not a value of our Armed Forces. Furthermore, it urges the Pentagon working group to deliver an implementation plan to Congress as soon as possible while ensuring that the needs and concerns of all service members are taken into consideration, and strongly recommends that the Senate Armed Services Committee and House Armed Services Committee's Subcommittee on Military Personnel include active-duty service members in their upcoming hearings regarding Don't Ask, Don't Tell.

While a majority of the American people support open service by gay and lesbian members of the Armed Forces, there are those who would like to see the policy kept in place. Don't Ask, Don't Tell should be repealed swiftly and replaced with a policy of non-discrimination and inclusion once and for all.

Madam Speaker, the repeal of Don't Ask, Don't Tell is long overdue. It is my sincere hope that President Obama, the Department of Defense, the U.S. military, and Congress will do everything in their power to allow gay and lesbian Americans to serve openly as soon as possible. I urge my colleagues to support this important resolution and to join me in working to bring about the full and final repeal of Don't Ask, Don't Tell this year.

HONORING THE CHICAGO CHAPTER OF THE AMERICAN VETERANS FOR EQUAL RIGHTS

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. QUIGLEY. Madam Speaker, I rise today to congratulate the Chicago Chapter of the American Veterans for Equal Rights, AVER, an organization of gay, lesbian, bisexual and transgender veterans of the U.S. Armed Forces, on the occasion of the City of Chicago's annual Salute to LGBT veterans.

Founded in 1992, the Chicago Chapter of AVER provides support to LGBT veterans in the Chicago metropolitan area. Members of AVER have served in every war from World War II to Iraq and Afghanistan.

Each year, AVER members march in Chicago's Memorial Day Parade and in Chicago's Gay Pride Parade. By doing so, AVER members bear witness to the fact that gay and lesbian Americans have served throughout our history to defend the United States in time of war and to preserve our freedoms and democracy.

AVER fights not only for LGBT veterans but also for gay and lesbian soldiers currently serving in our Armed Forces, especially those who are in harms way in Iraq and Afghanistan. AVER members travel to Washington every year to lobby members of Congress for an end to the "Don't Ask, Don't Tell" policy.

For 15 years, AVER has fought against this detrimental policy that requires gay and lesbian service members to deny who they are and to lie about their lives. Our democratic allies—from the United Kingdom to Israel—allow gay and lesbian soldiers to serve openly without any adverse effects on military preparedness or morale. This is the basic fairness and justice that AVER seeks for gay and lesbian American soldiers.

Madam Speaker, I also want to recognize Jim Darby, the founder of the Chicago Chapter of AVER and a Korean War veteran. Jim served in the Navy as a Russian-language specialist. Along with all the other AVER members, Jim has fought tirelessly to educate the general public and the Congress about the plight of LGBT veterans and active service members. What AVER seeks is what we should all seek: respect and honor for all those who have served and who are serving the United States of America through our Armed Forces.

STATEMENT ON H. RES. 1044 COMMEMORATING THE 65TH ANNIVERSARY OF THE LIBERATION OF AUSCHWITZ, A NAZI CONCENTRATION AND EXTERMINATION CAMP, HONORING THE VICTIMS OF THE HOLOCAUST, AND EXPRESSING COMMITMENT TO STRENGTHEN THE FIGHT AGAINST BIGOTRY AND INTOLERANCE

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Ms. JACKSON LEE of Texas. Madam Speaker, I stand before you today in support of H. Res. 1044 "Commemorating the 65th anniversary of the liberation of Auschwitz, a Nazi concentration and extermination camp, honoring the victims of the Holocaust, and expressing commitment to strengthen the fight against bigotry and intolerance."

I would like to begin by thanking my colleague Representative ILEANA ROS-LEHTINEN for introducing this resolution in the House, as it is important that we never forget the horrible atrocities of the Holocaust and that we continue to fight against acts of genocide around the world as well as fight against bigotry and intolerance here at home in the U.S.

The Auschwitz concentration camp in present-day Poland was one of the most horrific Nazi extermination camps during World War II. The camp was initially established by the Nazis in 1940 as an army barracks but soon took on a new role as the Nazis began targeting specific groups of people including Jews, ethnic Poles, Romani, Soviet civilians, Soviet prisoners of war, people with disabilities, homosexuals, Jehovah's Witnesses, and other political and religious groups.

Between 1940 and 1945 Auschwitz grew into the largest of the Nazi concentration camps in Europe, and consisted of three main camps in addition to 45 other satellite camps around the area.

During the Holocaust, more than 6 million Jews and other targeted groups were exterminated by the Nazis, and over 1 million of those killed in the Holocaust were murdered at Auschwitz.

As prisoners were taken into Auschwitz, they would pass through an infamous gate that read "Arbeit macht frei" or "Work makes free." This statement could not have been further from the truth however. The victims of Auschwitz were systematically exterminated in gas chambers while others were starved to death, tortured, and subjected to forced labor and horrific medical experiments.

On January 27, 1945, Soviet troops entered the Auschwitz concentration camp and liberated over 7,000 prisoners from the Nazis. Prior to the arrival of the allied Soviet troops however, many of the Nazis who were responsible for the horrible acts at Auschwitz escaped back into Germany, killing as many prisoners as they could in their escape.

Today we honor the victims of the Holocaust who were oppressed and killed by the Nazis at Auschwitz as well as those who were killed at the hands of the Nazis during World War II. Today we also stand with the other victims of genocide across the world and condemn the violent dictators and regimes that carry out these horrible and despicable actions.

I would also like to express my appreciation for the soldiers, sailors and airmen who fought against the Nazi tyranny during the Second World War and helped to liberate millions of prisoners from concentration camps across Europe. Because of the actions of these brave men and women, Europe is now a free and democratic society and the world is a much better place.

It is important that we never forget the horrible actions that took place during the Holocaust. Furthermore, I would also like to urge countries and leaders across the world to reassess their efforts in fighting racism, intolerance and anti-Semitism.

Through providing education and instruction to adults and children alike, we can help to ensure that what happened in Auschwitz and other Nazi concentration and extermination camps is never allowed to happen again.

I ask my colleagues for their support of this legislation as well as their support for victims of genocide across the world. I strongly urge you to support this resolution.

HONORING THE GLEN CARBON CENTENNIAL LIBRARY

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 22, 2010

Mr. SHIMKUS. Madam Speaker, I rise today to honor the Glen Carbon Centennial Library in Glen Carbon, Illinois, as it is recognized as the "Best Small Library in America."

The library's motto, "More than you expect," is more than just a saying for the 15 librarians serving the community of Glen Carbon. For them, it is a commitment to stop at nothing to ensure that library patrons get the service they need. As a testament to the community's appreciation of the Centennial Library staff's dedication, the number of visitors to the library has increased 33 percent since 2007.

Because of this dedication to service, Library Journal named Glen Carbon Centennial Library its "Best Small Library in America." The library staff has taken innovative approaches to addressing the needs of their pa-

trons. One example is the "No to Yes log," where the staff logs requests to which they had to say "No." Then, at staff meetings they determine how to turn a "No" into a "Yes" so that they can better serve the community. In the words of one of the "Best Small Library in America" judges, "Glen Carbon seems to be doing everything right."

It is because of their hard work and dedication, that the Glen Carbon Centennial Library earned this honor. I would like to congratulate director Anne Hughes, the management team, librarians and volunteers who have made the library into the award-winning institution that it is today and wish them continued success in the future.
