RECOGNIZING VETERANS GREEN JOBS FOR ITS INVOLVEMENT IN THE MILITARY HOUSING ENERGY EFFICIENCY PROJECT

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 15, 2010

Mr. CONNOLLY of Virginia. Madam Speaker, I rise today to recognize Veterans Green Jobs, VGJ, for its efforts to create green jobs for military veterans while also helping to improve environmental efficiency through the Military Housing Energy Efficiency Project, MHEEP.

Thanks to the support from the Sierra Club's Military Families Initiative, a partnership between the Sierra Club and Walmart, VGJ worked with the Laborers International Union of North America, LiUNA, to establish a month long training program to certify veterans in energy auditing and weatherization work. The program also provided career and professional development services.

In the fall, VGJ's partnership with LiUNA allowed the newly trained veterans to weatherize 50 military homes in Virginia. VGJ worked with the Virginia National Guard, members of Congress, Veterans Service Organizations, and several other regional organizations to identify military family homes to receive energy audit and weatherization services. Through these initiatives, VGJ produced cost savings for military families.

Madam Speaker, I ask that my colleagues join me in recognizing Veterans Green Jobs, in coordination with the Sierra Club and Walmart, for its involvement with the MHEEP to create green jobs for military veterans and

improve environmental efficiency in military homes.

CONGRATULATING SAINT VINCENT DE PAUL SCHOOL ON BEING NAMED A NATIONAL BLUE RIBBON SCHOOL

HON. AARON SCHOCK

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 15, 2010

Mr. SCHOCK. Madam Speaker, I rise today to honor Saint Vincent de Paul School in Peoria, Illinois on being named a 2010 National Blue Ribbon School by the U.S. Department of Education.

Saint Vincent de Paul joined only 50 other private schools throughout the nation in receiving this recognition. The school was nominated by the Council for American Private Education, also known as CAPE. By being recognized with the award, Saint Vincent de Paul has demonstrated its successes in ensuring students achieve exceptionally high national test scores.

I applaud the concerted effort it took to elevate the school's test scores to such an extraordinary level. As I honor this school I must remind this body that while this award is presented to Saint Vincent de Paul School, the award really reflects the combined efforts of all those involved with the school. As former Peoria School Board President, I know that every successful school has the trinity of skilled educators, committed students and involved parents as a base.

Also, on a personal note, I always find it impressive to see a school allow for students' academic and personal development. As such, I must applaud the school's commitment to the mission to "generate outstanding academic achievement and expect students to be confident leaders with a strong positive and moral impact on the community." I'm certain that Saint Vincent de Paul will not only continue to flourish as an institution for years to come, but that its young students will eventually become active leaders in Peoria, Illinois and throughout these United States.

Again, congratulations Saint Vincent de Paul School.

HONORING MR. ROMAN TOTENBERG'S 100TH BIRTHDAY

HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 15, 2010

Mr. MARKEY of Massachusetts. Madam Speaker, I rise today to honor and celebrate Mr. Roman Totenberg's 100th birthday. Mr. Totenberg is a world-class violinist and a beloved educator. January 1, 2011, will mark the 100th birthday of this gifted musician, whose talents on stage and in the classroom have enriched the lives of many people.

Mr. Totenberg was born in Lodz, Poland. He says he "accidentally" started playing the violin when he was a little boy because a neighbor who babysat him played the instrument. By the age of six, he was playing consistently and has practiced the violin everyday since.

By the age of 11, Mr. Totenberg was playing professionally. He debuted as a soloist for the Warsaw Philharmonic Orchestra.

Since his debut at such a young age, Mr. Totenberg was considered a prodigy. In 1931 he was awarded the Mendelssohn prize, a distinguished international award given to promising young musicians. He played with the Boston Symphony, the New York Philharmonic, the Berlin Philharmonic, the London Philharmonic and countless other world-class orchestras.

Madam Speaker, as a young man at the age of 24, Mr. Totenberg performed at the White House for President Franklin D. Roosevelt.

He was married to the late Melanie Totenberg for over fifty years. Together they had one daughter, Nina Totenberg. Nina is a respected and well-known journalist.

Mr. Totenberg joined Boston University as a Professor in the string department in 1961 and remains a professor there to this day. He was the head of Boston University's string department from 1965–1978. From 1978–1985 he was director of The Longy School of Music in Cambridge, Massachusetts.

Madam Speaker, for all that he has accomplished and all that he has contributed, I would like to honor the 100th birthday of Mr. Roman Totenberg.

CNN GUESTS SKEW TO THE LEFT

HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 15, 2010

Mr. SMITH of Texas. Madam Speaker, CNN claims to be the fair cable news alternative. They say they report the news "without playing favorites," according to a new slogan.

The facts tell a different story.

In the weeks leading up to election day, liberal guests on CNN outnumbered conservative guests by a margin of more than 3 to 2, according to an analysis by the Media Research Center.

From October 4 through October 29, there were a total of 88 liberal guests to just 56 conservative guests.

And all three of the network's prime-time news programs featured more liberals than conservatives, according to MRC.

So much for not playing favorites.

CNN should give Americans the facts, not skew their programming to support a liberal agenda.

Members of National Public Radio's board of directors have a clear and overwhelming liberal bias, according to an analysis by National Review.

The study found that "nearly all [NPR board members] have demonstrably liberal political sympathies, with heavy support for the Democratic party, pro-abortion-rights groups, and environmental activism in particular."

Furthermore, "[NPR's] board members also sit on the boards of explicitly progressive advocacy groups, and have given millions of dollars to Democrats and liberal PACs—at the same time that they control the country's 'public' radio network."

With liberals dominating NPR's board, it's no surprise its news coverage also shows a liberal bias.

NPR should give Americans the facts, not tell them what to think.

IN HONOR OF APOSTLE SUPER- INTENDENT STEPHEN STALL- WORTH, FOUNDER AND PASTOR OF GREATER GRACE CHURCH OF GOD IN CHRIST AND FOUNDER AND CEO OF GRACELAND INSTI- TUTE OF EARLY LEARNING

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 15, 2010

Mr. BISHOP of Georgia. Madam Speaker, I rise today to recognize and honor a man of great faith, a man who has given much to his community while serving as a model citizen, father, and apostle of the word of God, Pastor Stephen Stallworth.

Pastor Stallworth was called to the ministry at the young age of twenty-six. In 1970, he attended the University of Michigan and the CH Mason Seminary in Detroit, Michigan. There he was ordained an Elder, and in 1976, he was installed as an Assistant Pastor.

He was offered a position by General Motors in Albany, Georgia. In 1979, he and his family moved from Michigan to Georgia, where he felt called by God to serve as a pastor.

Shortly after moving to Albany, Pastor and Mother Stallworth began the task of finding a church. One day, by a chance encounter, they discovered their first church while on their way to the parish they were attending at that time. Due to road work on their normal route, they detoured onto Church Street where they discovered a vacant church. They felt called by God to turn the empty building into a thriving, vibrant parish with which to serve God and the Albany community.

Pastor and Mother Stallworth selflessly purchased the building to begin the new church. Instead of buying a home for their family, they began a home for their spiritual family in Albany, and in 1981, Pastor Stallworth established the Greater Grace Church of God in Christ. He and Mother Stallworth took to the task of restoring and refurbishing the land and property, and in doing so they established a neighborhood ministry.

As the parish grew there was need for a larger facility, and through his ministry numerous Bishops, Pastors and Evangelist were born. There are nine churches in Pastor Stallworth's district; five of these churches originated directly from his ministry. There are approximately twelve churches operating in the Albany area that were born under the direction of Pastor Stallworth, and there are more than 2,000 members in his district.

In March of 2008, Pastor Stallworth established a covenant between the Greater Grace Church of God in Christ and the Greater New Hope Anointed Ministries in Plant City, Florida, whose membership exceeds five hundred members and is one of the fastest growing churches in the area. The Pastor is national recording artist Calvin Callins.

In 2009, Pastor Stallworth established covenants with Pastor Ray G. Johnson of Love Life Church and with Pastor Willie C. Carter of Acts II Full Gospel Church; both are located in Camilla, Georgia.

Heeding the call to expand his ministry, Pastor Stallworth oversaw the erection of a

multi-million dollar edifice. After two years of construction the new 22,000 square foot building was completed in February of 2008. 6,000 square feet are allocated for the Graceland Institute of Early Learning, which opened in September of 2008.

Ever innovative, Pastor Stallworth envisions facilities to house senior citizens and college students. He is known for never preaching the same sermon twice and he seeks to expand his ministry and preach the word of God to all he can. His mission is to always exhibit excellence in his ministry by always lifting Jesus to the height that men and women will be drawn to Him.

Madam Speaker, today I recognize and honor a man I am proud to call friend and constituent and a man who has altruistically contributed to our community, giving so much of himself. Today it is my privilege to honor Pastor Stephen Stallworth as he is elevated to the position of Apostle. He has served God and his community well and I know he will continue to do so.

NATIONAL TRANSPORTATION SAFETY BOARD REAUTHORIZA- TION ACT OF 2010

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 28, 2010

Mr. VAN HOLLEN. Mr. Speaker, I rise to support the National Transportation Safety Board Reauthorization Act. This important legislation will give NTSB the tools it needs to investigate transportation accidents and make timely recommendations to improve safety.

NTSB is the federal agency responsible for determining the probable cause of aviation, railroad, marine, and selected highway accidents. They assist victims and families and make recommendations aimed at addressing systemic issues and improving safety of all transportation modes. NTSB recently completed a year-long investigation into a catastrophic accident on the Red Line of the Washington Metro. Throughout the process, I was impressed by the knowledge and professionalism of the Board and its staff.

Today's legislation will help NTSB complete its mission—expanding its staff, clarifying its authority to identify multiple causes of accidents, and ensuring that it can conduct necessary on-scene fact-finding and access the information it needs. Importantly, the bill also allows NTSB to release urgent and interim safety recommendations so that transportation agencies can address safety issues quickly.

Mr. Speaker, when accidents happen, NTSB is there to determine the cause and provide expert advice to strengthen transportation safety. I urge my colleagues to vote in favor of this reauthorization.
