HONORING THE FIFTIETH WEDDING ANNIVERSARY OF CLARENCE AND GLENDA GULSBY

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2010*

Mr. MILLER of Florida. Madam Speaker, on behalf of the United States Congress, it is an honor for me to rise today to recognize the Golden Wedding Anniversary of Clarence and Glenda Gulsby of Molino, Florida.

Clarence and Glenda Gulsby were married on October 28, 1960, at Pugh's Chapel Assembly of God in Molino. Both Mr. and Mrs. Gulsby are life-long residents of Molino and are graduates of the local high school, J.M. Tate High School.

Mr. and Mrs. Gulsby have three children, Sue, Bill and Wayne, in addition to four grandchildren and two great-grandchildren. All three generations of the Gulsby family live on a contiguous property, exemplifying the idyllic model of a close-knit American family.

The Gulsby's love for their family is evidenced by their dedication and support. Mrs. Gulsby's devotion to raising her children and maintaining the family household provided a strong support foundation for their children; all the while, Mr. Gulsby worked hard to provide for his family through his drive, fierce determination and a strong work ethic. Mr. Gulsby retired from Champion/International Paper Company after 42 years; however, at times he worked three jobs, including farming and operating Gulsby Blacksmith and Welding Shop, to ensure that he provided the best possible life for his family. At the age of 78, he can still swing a sledge hammer.

This remarkable couple has also been active in the local community. Despite retirement, Mr. Gulsby still carries an immense work ethic; he has been active in local politics and community efforts for over 40 years and currently serves on the Fire Safety Citizen Advisory Committee. Mr. Gulsby was also successful in obtaining local telephone dialing for his lifelong town of Molino to the rest of Escambia County, Florida. While working to obtain these dialing rights, he was known to remark, "You can stand on a stump and talk farther than you can call," which was well-received by all, including the Public Service Commission and the local phone company.

Mr. and Mrs. Gulsby's long and fruitful marriage serves as a prime example of the sacred bond of marriage. Their love and dedication to their children, grandchildren, and great-grandchildren epitomize a happy and devoted family.

Madam Speaker, on behalf of the United States Congress, it is my pleasure to join Clarence and Glenda Gulsby and their entire family in celebration of their 50 wonderful years of marriage. My wife, Vicki, and I wish them many more years of happiness.

THE SPECIAL ELECTION CLASS OF THE 110TH AND 111TH CONGRESSES

**HON. LAURA RICHARDSON**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2010*

Ms. RICHARDSON. Madam Speaker, as the 111th Congress comes to a close, it is fitting for us to recognize our colleagues who will not be joining us in January for the start of the 112th Congress. Specifically, 3 of my classmates from the special election class from the 110th and 111th Congresses will be moving on to new endeavors, where they will undoubtedly achieve great success and distinguish themselves, just as they did while serving their constituents and the American people in this body.

For the outstanding accomplishments that we achieved during their tenure, I would like to recognize these representatives and thank them, for their service: BILL FOSTER, TRAVIS W. CHILDERS, SCOTT MURPHY.

Each of these members has been instrumental in formulating and implementing policies that serve the best interests of the American people and that will continue to shape the future of our nation for generation to come.

These colleagues of mine—though their service, intellect, and companionship will be missed dearly—can look back on these last two years in Congress and take pride in the historical legislative achievements of which they were a part. These members can take heart in the knowledge that our legislative achievements assisted in pulling the country through some of its toughest times. They were instrumental in the passage of landmark legislation such as:

Health Care Reform, ensuring that the wealthiest country in the world gives all of its citizens an opportunity to receive decent care and ending the worst insurance industry abuses.

Wall Street Reform, promising to the American people that the greed of Wall Street executives will never again jeopardize their savings, retirement, or livelihood.

The Recovery Act, providing the investments necessary for the American economy to create new jobs while saving existing ones, and spur economic activity while laying the groundwork for long-term growth.

These members can also proudly look back at other important accomplishments such as: Lilly Ledbetter Fair Pay Act, Credit CARD Act, Children's Health Insurance Program Reauthorization Act, American Clean Energy and Security Act, Student Aid and Fiscal Responsibility Act, Hire Act, Cash for Clunkers, Small Business Jobs and Credit Act, Disclose Act, Caregivers and Veterans Omnibus Health Services Act.

The 110th and 111th Congresses acted boldly to confront pressing challenges; we worked hard, put in long hours, and prolifically passed vital pieces of legislation. Congressional scholars have even called the 111th Congress "one of the most productive" in our nation's history. Thanks to your hard work and vision, we have been a part of a Congress that has looked forward, rather than backwards, and has always put the middle class first.

In closing, I would like to thank each of these members for their extraordinary commitment to public service and wish them the best of luck in their future endeavors, which I and my Democratic colleagues hope includes a return to the House.

HONORING DR. JOHN BARDO FOR HIS 15 YEARS OF SERVICE AS CHANCELLOR OF WESTERN CAROLINA UNIVERSITY

**HON. HEATH SHULER**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2010*

Mr. SHULER. Madam Speaker, I rise today to honor Western Carolina University Chancellor John Bardo. Mr. Bardo has served Western Carolina University since 1995 guiding the university through student and campus expansions and helping create a high quality residential Honors College. Mr. Bardo is a champion of education and deserves such commendation.

Over the last 15 years, Dr. Bardo has led the faculty and staff members of Western Carolina towards recognition as a distinguished center for teaching and learning. Western Carolina led the way not only in North Carolina but across the country in requiring that all students own a computer in order to take maximum advantage of online information and communications. This standard is common practice throughout college and universities today but was spearheaded by the work of Dr. Bardo.

During Dr. Bardo's tenure, Western Carolina adopted a unique and innovative tenure and promotion policy to award faculty members for going beyond traditional teaching, research and service. This cutting-edge approach rewards faculty members' scholarly activities and stresses emboldened links between student's academic and extracurricular activities. This leading-edge approach is regarded as a national model by higher education associations.

Madam Speaker, I urge my colleagues to join me in recognizing the accomplishments of Dr. John Bardo for his accomplished work as Chancellor of Western Carolina University. I thank him for his contributions to Western North Carolina and wish him continual success as an educator.
