

Hamilton Canal District, the Emerging Technology Center at the University of Massachusetts Lowell, the redevelopment of the Lawrence Mills and the Julian D. Steele public housing project.

Senator Panagiotakos and his wife, Christine, along with their two daughters, Giana and Alexandria, live in the Highlands neighborhood in Lowell, just two streets over from his childhood home. As Senator Panagiotakos said it best, "The thing that made me the most proud was not being called 'Senator' or 'Mr. Chairman,' but when they said 'Steve Panagiotakos, from Lowell.'"

Upon his retirement, I wish to thank him for his friendship, recognize him for his unyielding leadership in the Massachusetts Senate, and congratulate him for his distinguished career.

IN HONOR OF THE NAVAL SURFACE WARFARE CENTER, CARDEROCK DIVISION—SHIP SYSTEM ENGINEERING STATION (NSWCCD-SSES) PHILADELPHIA

HON. JOE SESTAK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2010

Mr. SESTAK. Madam Speaker, I rise to recognize the 100th Anniversary of the Naval Surface Warfare Center, Carderock Division—Ship System Engineering Station, NSWCCD-SSES, at the Philadelphia Naval Business Center. Since 1910, when Secretary of the Navy Beekman Winthrop authorized the first funding be directed to what is now the Ship Systems Engineering Station, SSES, that organization has served our community, Navy and nation with great distinction.

Today, SSES executes a budget of over \$380 million and employs 1,600 engineers, scientists, technicians and support personnel. That workforce reflects the hard working, industrious nature of dedicated patriotic Americans throughout the Delaware Valley. The results of their labor are a stronger nation and safer world. With the singular purpose of sending USN Bluejackets to sea with the best possible equipment, this proud organization, under the leadership of Rear Admiral Jim Shannon, Captain Alexander Desroches and Patricia Woody maintains a covenant between our citizens and Sailors. It guarantees that our Navy will always be better designed, built and maintained than any other in the world. In conflicts for a century, our Navy has sailed into harms way with a quantitative advantage in readiness that is the result of those talented, dedicated professionals of SSES Philadelphia and their 54,000 colleagues of the Naval Sea Systems Command, NAVSEA, located in 34 cities across the United States and Asia. Together they help fulfill the vision of General George Washington, who wrote to Marquis De Lafayette nearly two hundred thirty years ago, "It follows that as certain as the night succeeds the day that without a decisive naval force we can do nothing definitive, and with it everything honorable and glorious."

As NAVSEA and NSWCCD-SSES work today to support our naval forces in two conflicts, it is my honor to join all the good citizens of the 7th Congressional District of Pennsylvania and Americans throughout this great nation in recognizing their 100 years of excel-

lence in naval engineering and wish them another century of continued success in every endeavor.

IN RECOGNITION OF WARREN SLOCUM

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2010

Ms. SPEIER. Madam Speaker, I rise to honor Warren Slocum for his 23 exceptional years of public service to the residents of San Mateo County.

Warren has demonstrated a commitment to serving the public's interest ever since he took office in 1987. He is a graduate of San Diego State University, and has studied at both Harvard and Stanford Universities. Throughout his career, he has remained deeply committed to enhancing democracy through streamlining and bringing greater efficiency to the way people vote. He conducted California's first Poll Worker Academy, its first Internet Voting Demonstration Project, and founded the California Trial Court Training Institute at Stanford University.

Madam Speaker, Warren Slocum is that rarest of all public officials—a policy wonk and green eyeshade administrator with a delightful personality. For example, he was passionate about helping people vote by mail. When others argued that it would be fraught with problems or high costs, Warren disputed this assertion through detailed—some would argue painfully explicit—discussions of the inner workings of modern voting. Warren's bottom line is always the same: The right of people to govern must always be supported by secure voting systems that make it easier to express the will of the people.

Madam Speaker, in an era when no one understood butterfly ballots or chads, Warren Slocum promoted the sound use of computerized equipment, and he also did something innovative—he hired high school workers to help run the voting machines. My staff reported a sharp contrast between a computerized polling place in Orange County and one in San Mateo. In Orange County, one of the baby boomer voters kicked the electric plug out of the socket at 7 p.m. on election night and a dozen computerized voting machines crashed. The result? 100 baby boomers scratching out their ballots on paper because the baby boomer poll workers couldn't get the machines up and running again. In San Mateo County, by contrast, the teenagers hired by Warren Slocum would simply roll their eyes with that, "What will our parents do next?" look, and then reboot the computers. Madam Speaker, sometimes the old lead the young by example, but in the world of Warren, the savvy lead us all in pursuit of a better democracy, whether the savvy are old or young.

Warren Slocum is also the co-founder of the Smart Voter Project, a revolutionary website that was the first to offer personalized election information based on a voter's address. He created efficiencies in the valuation of property in his role as the county's tax assessor. He actively reduced the assessments of homes when values fell during times of economic hardship, and he found highly competent personnel to value newly-purchased property and improvements of property in a timely manner.

The result? Property tax assessments in San Mateo County are fair and governments receive a reliable stream of revenue for essential services.

Warren Slocum celebrated the right of all adults to marry, and was a leader in ensuring that the courthouse door was open for those who wished to formalize their relationships. In San Mateo County, we proudly welcome into our hearts all those who Warren's office welcomed into its lobby.

During his tenure, Warren's office has been called the "Office of the People," and rightly so. His career of excellence in public service has been a living tribute to the mission of delivering smart, efficient, and accessible government to the people of California.

Madam Speaker, Warren Slocum is a remarkable Californian: he's a husband, a father, a veteran, an innovator, and a devoted public servant. It is indeed fitting that he receives special recognition for his retirement as the Chief Elections Officer & Assessor-County Clerk-Recorder on November 18, 2010.

GENE ROSSI REMEMBERED

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2010

Mr. RYAN of Ohio. Madam Speaker, I rise today in recognition Gene Rossi. A long-time personal friend, a model citizen and a beloved father, grandfather, and great-grandfather, Mr. Rossi will be truly missed by the many people whose lives he has touched. Born on May 12 1926, Mr. Rossi was part of our greatest generation and his life story embodies that to the fullest. Gene's accomplishments began early, notably at Warren G. Harding High School where he was the senior class president and captain of the basketball team, an All-Ohio selection that year.

It was not long after Gene was leading his high school basketball team that he was fighting for our freedom as an Army soldier in the Battle of the Bulge. Returning after the conclusion of World War II, Gene received an honorable discharge from the U.S. Army and returned to Warren, Ohio where, throughout the 1940s, he worked as a timekeeper for Mullins Manufacturing, played semi-pro basketball with the Warren Coaches and later graduated from Youngstown College with a B.S. degree in business administration.

It was 62 years ago this September that Gene and his wife, Ginny, were married in 1948.

A veteran of war, a college graduate, and a newlywed, Gene in 1950 founded Warren's Rossi Insurance Agency, from which he never retired. His accomplishments in the insurance business included those of trustee of the Independent Insurance Agents of Ohio and president of the Trumbull County Independent Insurance Agents. His membership in the Trumbull County Association of Life Underwriters included more than 50 years of service as a respected agent of the Equitable Life Assurance Society.

Gene loved sports—baseball, basketball, football, tennis and golf. It is in sports where he distinguished himself as a 1992 inductee into and trustee of the Warren Sports Hall of Fame. In 1999, he received the Man of the

Year Award from the Mahoning Valley Chapter of the National Italian-American Sports Hall of Fame.

Gene's membership in local clubs and organizations included BOE Lodge 295, American Legion Post 278, VFW Post 1090, Knights of Columbus 620, where he was past Grand Knight, Buckeye Club, Trumbull Country Club and Notre Dame Subway Alumni.

A member of Blessed Sacrament Parish, Gene's faith was paramount. For his devoted participation, he received the honor Cross Pro-Ecclesia Et Pontifice (Cross for the Church and Pontiff) in 2000, served on the Youngstown Diocese Financial Advisory Board and was a member of the Board of Trustees of the Oblate Sisters of the Sacred Heart.

A man who could have hung his hat up time and time again after service to his country, family, and community, Gene never stopped giving back. Gene loved and served his community and was noted numerous times for his efforts. In 1986, he served as president of the Warren Area Chamber of Commerce and was recipient of its Distinguished Citizen award. In 2001, he was named president of the Mahoning Valley Economic Development Corp. and was recipient of its Person of the Year award. In 2006, he was an inductee into the Warren Harding Distinguished Hall of Fame. Gene also served as a trustee for the St. Joseph Development Foundation, YSU Foundation and CSC, Copperweld, Scholarship Foundation.

On August 17, 2010, at the age of 84, Gene Rossi passed away from complications of prostate cancer. He is survived and sorely missed by the family he devoted so much of his life to, his wife of over sixty years, Ginny; their four sons and daughters-in-law, Michael and Rosanne, E. Jeffrey and Carol, Dennis and Luann, and Gregory and Leslie, all of Warren; 13 grandchildren; six great-grandchildren; sisters, Mary Louise Rose and Elaine Wallace; and brother, Anthony G. (Marilyn) Rossi.

It is hard to sum up the life of a man like Gene Rossi—a man who truly lived the American dream. He bore the hardships of the Great Depression, fought in one of the deadliest battles in American history, and returned home to spend a lifetime of devotion building a wonderful family and a successful business all while being a man of faith and a pillar in his community. Madam Speaker I want to thank Gene Rossi, for his service to his country abroad, his service to his community at home, and for his dear friendship.

HON. DARRELL E. ISSA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2010

Mr. ISSA. Madam Speaker, I rise today to recognize the public service of Councilman Bob Campbell on the occasion of his retirement from the City of Vista. I commend Councilman Campbell's distinguished career and offer my thanks for his more than 20 years of dedicated public service to the City of Vista.

As a native Californian, Mr. Campbell received an undergraduate degree from Stanford University and a graduate degree from the Graduate School of Business Administration at the University of Washington. He also served eight distinguished years in the U.S. Coast Guard and Coast Guard Reserve.
