DEVELOPMENT, RELIEF, AND EDUCATION FOR ALIEN MINORS ACT OF 2010

SPEECH OF

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 8, 2010

Mrs. MALONEY. Mr. Speaker, I rise today in support of the DREAM Act, bipartisan legislation that would provide a path to legal status for undocumented youth who entered the U.S. as children, graduated from U.S. high schools, and attend college or enter the military.

I would like to thank Speaker PELOSI and Leader HOYER for bringing this important legislation up for a vote on the House floor today. I also would like to thank Rep. LUIS GUTIERREZ, who sponsored this bill in the House and has worked so hard for its passage.

Our nation's history is rooted in the strength of immigrants. As New Yorkers, my constituents have a special understanding of how America's melting pot can create a rich tapestry of ethnic, cultural and religious traditions that infuse vitality into the economic and social aspects of our communities.

I strongly believe that by protecting the rights of workers, securing the border, and modernizing our pathway to legal immigration, the hope that we can fix our broken system will become a reality.

Under the DREAM Act, qualified students would be eligible for conditional immigration status upon high school graduation that would then lead, after a period of 10 years and a rigorous process, to permanent legal residency if they go to college or serve in the military.

We cannot deny these students the opportunity to pursue education—especially when the alternative is often working illegally. Despite what some opponents of this legislation claim, the DREAM Act would not grant special benefits to qualified students. In fact, students may only access benefits they work for, or pay for.

This bill would allow a limited number of hard working students, who were brought to this country as children, to be rewarded for their success, and in the process, produce thousands of college graduates contributing to economic productivity and eligible youth ready to serve this nation through military service.

I am proud to be a cosponsor of this important legislation and urge my colleagues to support it.

IN HONOR OF RAFAEL REYEZ
DAVILA

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 14, 2010

Mr. KUCINICH. Madam Speaker, I rise today in honor of Rafael Reyez Davila of Cleveland, Ohio, on the occasion of his being honored by the American Nationalities Movement, and for his lifetime of service and commitment to his community.

Mr. Davila attended local elementary and high school and graduated from Cuyahoga Community College in 1965 with an associate's degree in accounting. He worked at the Lowe Marschalk Advertising Agency, where he rose to the position of Senior Vice President of Finance and Administration before leaving in 1986. By the end of his fifteen-year career with Marschalk, Mr. Davila was directly supervising fifteen staff members and was instrumental in hiring the entire office staff of about 100.

In 1989, Mr. Davila founded Davila and Associates Advertising Agency. His experience and knowledge of the Latino community gave him the expertise to start Ohio's first advertising agency with a specialty in the Latino market. Davila and Associates has been very active in the Cleveland community since its founding, hosting its First Annual Latino Business Seminar in 1992, first publishing its monthly Hispanic Entrepreneur Bulletin the same year, and currently working to publish "The Latino Entrepreneur Business Directory of Ohio" in 2011.

Mr. Davila has held many positions in Cleveland's Latino community; some of the local organizations in which he has served include the Hispanic AIDS Task Force, Esperanza, Image, the Hispanic Business Association, the Cleveland Hispanic Republican Party, Latino Entrepreneur International, and the Ohio Bicentennial Advisory Council. He has also been a member of the U.S. Hispanic Chamber of Commerce from 1988 to the present, the president of the Hispanic Athletes Network, which he founded in 1991, and founder and current president of Latinos Unidos.

Madam Speaker and colleagues, please join me in honoring Rafael Reyez Davila for his lifetime accomplishments and service. His commitment to the Latino community and the greater Cleveland area shows in his clear

dedication to helping others, and his leadership in community organizations has changed the lives of countless people in a positive way.

COMMENDING YUVRAJ PURI FOR EXCELLENCE IN EDUCATION

HON. ENI F.H. FALEOMAVAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 14, 2010

Mr. FALEOMAVAEGA. Madam Speaker, I rise today to commend Yuvraj Puri for his initiative in crafting a bill to reduce the amount of annual Medicare fraud and prevent future Medicare fraud. Yuvraj is 13 years old and attends Cooper Middle School in McLean, Virginia, where he is currently in the 8th grade.

As a second-generation Indian-American and in tribute to his Asian culture which teaches children to respect and take care of their elders, it has been Yuvraj's dream to work with senior citizens. In fact, for the past 3 months, Yuvraj has been volunteering at the Herndon Senior Center for 4 hours every week.

At the center, his primary duties are to update the database, set up bingo, clean up and lock down the center, type up the lunch menu, decorate, write the program board, and clean out the closet for recyclables.

This experience has instilled in Yuvraj a desire to take his work further and so he chose to research Medicare fraud and present a paper and draft a bill as part of an assignment at school. Although the school had each student partner with another, I am impressed that Yuvraj went beyond what he was required to do and, on his own initiative, sought to visit the U.S. Congress to see how bills are introduced, managed and eventually passed into law.

As an Asian-Pacific American, Yuvraj also requested a meeting with Members of the Executive Board of the Congressional Asian Pacific American Caucus (CAPAC), including the Chair, Vice-Chair, and Secretary who serves as Chair of the CAPAC's Healthcare Task Force. Since its inception in 1994, CAPAC has continued its commitment to promote and secure equal rights for not only Asian Americans and Pacific Islanders (AAPI), but all Americans.

Through his research, Yuvraj learned that CAPAC fights to eliminate health care disparities and works to ensure that Asian Americans and Pacific Islander (AAPI) communities are not left out of policy decisions. Recognizing CAPAC's importance and knowing that CAPAC can influence the passage or defeat of a bill, Yuvraj referenced CAPAC in his presentation and sought a meeting with us to present his bill, especially since he is a member of the AAPI community.

Today, it was our honor to personally meet Yuvraj and accept his bill, and I thank Congressman MIKE HONDA, Chairman of CAPAC,

and also Congresswoman MADELINE BORDALLO, Chair of CAPAC's Healthcare Taskforce, for joining with me to commend Yuvraj for his initiative.

As Members of CAPAC's Executive Board, we join together in wishing Yuvraj much success in his pursuit to attend the Thomas Jefferson School for Science and Technology (TJSST) in Alexandria, Virginia. We believe Yuvraj is a rare student who has the capability to become a leader of the 21st century and it is clear that his intellectual curiosity will serve him well on his road to study medicine at Princeton as he seeks to do all he can do to serve the elderly to the best of his ability.

Again, I commend Yuvraj for his self-motivation and aspirations, and I extend to him and his family my very best regards.

"TRUTH EMERGING IN KENT STATE COLD CASE HOMICIDE"
BY LAUREL KRAUSE**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 14, 2010

Mr. KUCINICH. Madam Speaker, this prose by Laurel Krause is entered into the CONGRESSIONAL RECORD at the request of Laurel Krause, whose sister Allison Krause was shot and killed as she protested the Vietnam War at Kent State University on May 4, 1970. Laurel is the co-founder and director of the Kent State Truth Tribunal.

TRUTH EMERGING IN THE KENT STATE COLD CASE
HOMICIDE

The government crossed the line in the killing of four young people in the killing of our Allison as she rallied against the war on May 4, 1970. A civil rights battle on U.S. soil in our times Kent State is personal for us yet important for all

Arthur Krause knew the importance of the Kent State Tape. My dad knew it held the truth of what happened at Kent State even though back in 1970 and until just recently truth from the Kent State Tape was locked up

in a jumbled maze of analog antiquity. Dad passed away over 20 years ago. He knew the truth in the Kent State Tape

A patriot and WWII soldier. Dad believed the American dream. When Allison his firstborn a freshman at Kent State University was protesting the Vietnam war on her campus

He never anticipated the American apocalypse

our family would endure at the hands of our government

Like Sandy, Jeff and Bill our Allison was shot dead at Kent State. Homicide by national guard gunfire. Dad knew they got away with murder at Kent State University just after noon on May 4, 1970

Over the next ten years Dad sought truth and justice at Kent State demanding to know what happened to our Allison

Taking it to the courts yielded only road blocks, cover-ups and threats. Every effort to uncover and face the deadly inhumanity of Kent State was completely thwarted

A series of seamless stonewalls. Never examining the wrongs of Kent State. No accountability for the killings of Kent State. Not one person or group ever held responsible. Not one apology uttered. Yet governmental claims were consistent: There was no order to fire. The Guard reacted to sniper fire. The Guard felt under attack from the students

A government-fabricated pack of lies that has now transformed into the recorded history of the killings of Kent State. That is . . . until 2010 and the examination of the Kent State Tape 40 years after the shootings the Kent State Tape that Dad held so dear that was evidence in his court cases finally examined using tools of state-of-the-art audio technology unlocking the true record of what occurred at Kent State on May 4, 1970

Sounds expertly analyzed by world-class forensic scientist Stuart Allen commissioned by the Cleveland Plain Dealer to explore the Kent State Tape for the very first time

Whether copy or original is moot. Truth is recorded in the Kent State Tape. A tape does not remember, forget or change its story

The Kent State Tape does not lie. At the Kent State Truth Tribunal in NYC October 2010 with Stuart Allen examining Hearing and unraveling the labyrinth of deadly sounds

including shots and national guard commands

and a violent altercation with FBI-paid Terry Norman

all contributing to the shootings at Kent State 1970

The government denied orders to fire were isolated, heard and verified

orders of Guard, Prepare to Fire orders of Alright, Guard, Fiii—with the last word of the deadly order stepped on

by a barrage of 67 shots over 13 seconds

At unarmed students changing classes at noon

At unarmed students more than a football field away

At unarmed students rallying against the Vietnam War

At unarmed students rallying against the military occupation of their campus in a battle where American dissent was also slaughtered
