CURRENCY REFORM/FAIR TRADE, to promote U.S. manufacturing jobs, by giving our government effective tools to address the unfair trade practice of currency manipulation by foreign countries, including China; their undervalued currency makes Chinese exports cheaper and America's exports to China more expensive, putting U.S. manufacturers at an unfair disadvantage; bill is WTO-compliant. (Passed by House)

Just hours after a Committee hearing during which I asked BP America's President whether chemical dispersants they were using to break up the oil slick in the Gulf of Mexico are safe, the EPA ordered BP to choose a less toxic chemical. The Washington Post reported the EPA ordered the change following a hearing by the House Transportation and Infrastructure Committee at which I questioned BP's use of hundreds of thousands of gallons of chemical dispersants.

TRIBUTE TO A REPEAL GREEN TUCKER

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 22, 2010

Mr. SKELTON. Madam Speaker, it is with sorrow that I inform the House of the death of Mrs. Avis Green Tucker, a distinguished Missouri citizen from Warrensburg, in the 4th Congressional District. Avis Green Tucker was not just my own long-time friend. She was one of Missouri's most highly respected newspaper publishers. She was a willing volunteer frequently called to important service by Missouri governors from both political parties. And she was a particularly inspiring role model among women leaders in our state.

Avis and her husband, William Tucker, bought the Daily Star-Journal in 1947 and the paper stayed in the Tucker family for some 60 years, until its sale in 2007 to another distinguished Missouri newspaper family, the Bradleys of St. Joseph. Bill Tucker was serving as publisher in Warrensburg when he died of a heart attack in 1966. Avis took over as one of the few female daily newspaper publishers in the Midwest. She once said: "I decided I was going to run this paper. I was going to try. I told everyone that I had more nerve than ability, which was the truth." But that was a typically reticent and humble statement from a
