EXTENSIONS OF REMARKS

IN TRIBUTE TO REPRESENTATIVE JOHN P. MURTHA OF PENNSYL-VANIA

SPEECH OF

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES Wednesday, February 24, 2010

Ms. DELAURO. Madam Speaker, I rise today to pay my respects to a tireless champion for soldiers, veterans, and the middle class, a venerable lion of this body, and a treasured friend, Congressman Jack Murtha.

The first Vietnam veteran ever elected to the House of Representatives, Congressman Murtha dedicated his career to America's fighting men and women, and always worked to put our troops and their safety first. I consistently relied on his wisdom and his insights on matters of defense and national security.

From his position as Chairman of the Defense Appropriations Committee, Jack's extraordinary dedication to the well-being of our troops and their families was evident in his actions every day. He knew that keeping our soldiers out of harm's way meant providing them with state-of-the-art equipment, from submarines to helicopters. And with that in mind, he helped to maintain a defense-industrial base that brought high-paying, high-skilled manufacturing jobs both to his home state of Pennsylvania and my own state of Connecticut. His legacy will live on not only in his service to military men and women, but through the millions of jobs he helped to create in our region.

Jack was also concerned with the well-being of Americans waging another kind of battle, and he always supported critical funding for research on diseases such as cancer, AIDS, and diabetes. In short, he was a great ally to Connecticut, a great Pennsylvanian, and a great American, and he will be deeply missed. This House is smaller after his passing.

HONORING EDWARD BALOIAN

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES Thursday, February 25, 2010

Mr. RADANOVICH. Madam Speaker, I rise today to commend and congratulate Edward "Ed" Baloian upon being awarded with the Ag One "2010 Community Salute." Mr. Baloian will be recognized on Saturday, February 27, 2010 at the Ag One event benefiting the Jordan College of Agricultural Science and Technology at California State University, Fresno.

In 1923, Ed Baloian's father, Charles, started a full-service produce business, Charles Baloian Company, Inc. In 1945, upon returning home from serving their country in World War II, Ed and his brother, James, joined their father as partners in the family business.

In 1965, the Baloians formed Pam Pak Distributors, Inc., to package and market fresh

vegetables from a large number of local growers. Ed Baloian took on the responsibility of managing the operations at Pam Pak Distributors. Just three years later, in an effort to increase their annual business and to supply the rising local demand for their products, Pam Pak began its own farming operation.

Mr. James Baloian retired from the family business in 1985, and later that year, Mr. Baloian and his son, Tim, started a new branch to the company, Baloian Packing. This new business continued the efforts of Pam Pak, their number one label, and included Marty Boy, Balo and Valley Jewels. With the increased business, Mr. Ed Baloian was elected Chairman of the Board and Mr. Tim Baloian was elected President of the Board of Pam Pak Distributors.

Today, the company continues to be headquartered in Fresno, California. Under Mr. Baloian's leadership the company has grown to include a majority of the San Joaquin Valley, with extensions into Mexico and Chile. The company is a leading California fresh fruit and vegetable grower, shipper and packer. The company specializes in bell peppers, lettuce, eggplant, red onions, melons and squash. The company ships these products to grocery stores, restaurants and food service customers around the United States and Canada.

Outside of the farming and shipping industry, Mr. Baloian is very active in Rotary, is a Paul Harris Fellow and has served on the council at Peoples Church in Fresno, California. Recently, Mr. Baloian accepted the Central California Excellence in Business Award on behalf of his company.

Madam Speaker, I rise today to commend and congratulate Edward Baloian upon being awarded with the Ag One "2010 Community Salute" for his tremendous support of the agriculture community. I invite my colleagues to join me in wishing Mr. Baloian many years of continued success.

CONGRATULATING THE LAPORTE FAMILY YMCA ON ITS 100TH ANNIVERSARY

HON. JOE DONNELLY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES Thursday, February 25, 2010

Mr. DONNELLY of Indiana. Madam Speaker, today I rise to honor the LaPorte Family YMCA, celebrating its 100th anniversary of serving the people of LaPorte and the surrounding communities.

For 100 years, the LaPorte Family YMCA has offered a variety of resources to its members. Its dedicated administrators, volunteers and community partners work tirelessly to uphold the organization's mission to promote positive values, investment in community, and mental, physical, and spiritual well-being.

Founded on December 9, 1908, it took LaPorte citizens less than 2 weeks to raise the

bulk of the \$65,000 necessary for the construction of the original YMCA facility. This building was completed in 1911. Since that time, the original YMCA building in LaPorte has undergone numerous renovations and additions. Finally, in 1995, the LaPorte YMCA was expanded to its current size of 11,000 sq. ft., which encompasses a teen center, weight room, pool, and a child care center.

As an evolving organization, the YMCA seeks to adapt to the community's needs while promoting family values. The LaPorte Family YMCA remains committed to the original mission of the organization to respond to the needs of the surrounding community. Today, the LaPorte Family YMCA continues to successfully fulfill this mission by providing quality services stressing literacy, safe child care and healthy lifestyle choices. These programs are not only well managed and effectively run but are also vital to the community at large and the YMCA's effort to make a difference in the community "one child, one senior, one family at a time."

So today, on behalf of the citizens of the Second District, I would like to congratulate the dedicated administrative personnel and community volunteers who make the LaPorte Family YMCA such an upstanding organization and outstanding resource for LaPorte and the surrounding communities.

COMMEMORATION OF TAIWAN'S ''2-28 MASSACRE''

HON. SCOTT GARRETT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 25, 2010

Mr. GARRETT of New Jersey. Madam Speaker, I rise today to recognize the 63th commemoration of Taiwan's "2–28 Massacre." In the Fall of 1945, 50 years of Japanese occupation of Taiwan ended with World War II. The United Nations gave administrative control of Taiwan to the Chinese Nationalist Party. After more than a year, the Taiwanese people were frustrated by the corruption and economic mismanagement that seemed to plague the party.

On February 28, 1947, an elderly woman was arrested and beaten. A group of Tai-wanese confronted the Chinese troops responsible. One of the Taiwanese was shot, riots raged, and Chinese soldiers gunned down thousands of unarmed civilians.

During the following days, government troops arrived from mainland China. The Chinese soldiers began capturing and executing leading Taiwanese lawyers, doctors, students, and other citizens. It is estimated more than

18,000 people lost their lives. During the following four decades, the Chinese Nationalists continued to rule Taiwan with an iron fist under Martial Law that was not lifted until 1987

The Massacre had far reaching implications. Over the next half-century, these events helped galvanize Taiwan's struggle for independence and for its transformation from a dictatorship to a thriving and pluralistic democracy.

I urge other Members to join me in commemorating this important historical event.

HONORING THE ORGAN PIPE CACTUS NATIONAL MONUMENT FOR BEING RECOGNIZED BY THE INTERMOUNTAIN REGION'S WILDERNESS STEWARDSHIP AWARDS PROGRAM

HON. RAÚL M. GRIJALVA

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES Thursday, February 25, 2010

Mr. GRIJALVA. Madam Speaker, I rise today honor the employees of Organ Pipe Cactus National Monument. The staff of Organ Pipe Cactus National Monument has been recognized by the Intermountain Region's Wilderness Stewardship Awards Program with the top award for 2009 as true Wilderness Champions.

Organ Pipe Cactus National Monument covers 330.689 acres and, of that acreage, 95 percent is designated wilderness. Founded in 1937, the employees of this National Monument have continuously monitored and evaluated the land use and local environment. President Franklin D. Roosevelt preserved this land for its scenic views but also for its ecological wonders. Having been occupied by American Indians, Mexicans and Europeans the diverse history of this land makes it valuable around the globe. In addition, in 1976 the United Nations bestowed the title of International Biosphere Reserve on Organ Pipe Cactus National Monument further confirming not only its local importance, but its value internationally. Twenty-six species of cactus flourish in the harsh conditions, as well as many species of birds. lizards, bats and rodents. They all delicately coexist in this wonderful ecosystem.

Until the 1970s, this land was used for ranching and mining, making the jobs of the current staff challenging. Catching up with the damage done during these times has proven to be the stimulus for all the wonderful projects taken on by the employees at Organ Pipe. Most notable is the Organ Pipe Cactus National Monument Ecological Monitoring Program. This program has been diligently working since 1997 to monitor and evaluate critical aspects of the region. From reporting changes in the ecosystem, to documenting damage to the land by neighboring developers, this program has proven vital to the stability of the National Monument, as well as to the ecosystem of Southern Arizona.

Organ Pipe Cactus National Monument is also a vital part of the community and offers guided tours, hiking, camping, excellent birding and plenty of beautiful picnic areas. Organ Pipe also offers wonderful educational opportunities through student field trips and its
