IN MEMORY OF CROSWELL FIRE
CHIEF THOMAS A. DICKENSHEETS

HON. CANDICE S. MILLER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2010

Mrs. MILLER of Michigan. Madam Speaker, I come to the floor today to honor and remember the life of Thomas A. Dickensheets. Sadly, at just the age of 55 years old, he unexpectedly died on Sunday, March 7th, 2010. I offer my deepest sympathy and condolences to his family, friends and colleagues from the City of Croswell. I know this is an extremely difficult time as they mourn his passing, but hopefully they can find comfort and solace and eventually start the healing process.

Tom was a loyal and dedicated employee for the City of Croswell. He served his community with great pride and enthusiasm while performing numerous functions in many different capacities. He worked for the Croswell Department of Public Works (DPW) for 25 years, serving as the Superintendent for 11 years as well as the City's Zoning Administrator and Cemetery Sexton.

In addition, he achieved 34 years of service as a Volunteer Fireman and was the Chief for the past 22 years. His knowledge, expertise, and commitment to the safety and security of this community will be significantly missed. He dedicated his life to protecting property and saving lives. Instead of running away from a threat, Chief Dickensheets hurried to the firehouse to throw on his gear and race towards the emergency and danger that awaited him. That is an admirable characteristic that many would not choose to pursue on a daily basis and as a profession. There is no doubt his impeccable integrity has created a void throughout Sanilac County, the 10th Congressional District and the State of Michigan. He truly was an outstanding person.

Chief Dickensheets' life demonstrates a consistent pattern of going above and beyond the required call of duty. He served his community through numerous roles such as the City of Croswell Emergency Management, Sanilac County 911 Committee Member, and President of the Sanilac County Firemen's Association, President of the Sanilac County Police Firemen Field Day Association, Regional Homeland Security Committee Member, and a Sanilac County Fire Training Committee Member. These are just some of the leadership roles Tom pursued during his tenure with the city.

I cannot imagine how heart-breaking this time is for the family of Mr. Dickensheets and the City of Croswell. Tom was an inspirational leader and a wonderful man. He loved his family, community and country very much. He always strived to improve the world around him and the fire department he served so proudly. Without question, he will be severely missed but definitely not forgotten.

In closing, it is an honor to have an opportunity to recognize his lifetime of achievements and offer my sincere gratitude and thanks for his service. My thoughts and prayers go out to all of those who knew Chief Dickensheets. May he rest in peace and receive eternal rest.

MOURNING THE PASSING OF JON JONES

HON. JANE HARMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2010

Ms. HARMAN. Madam Speaker, I rise today to mourn the passing of my friend Jon Jones, the Vice President of Raytheon Company and President of Raytheon Space and Airborne Systems (SAS)—and to celebrate his life.

Jon was a single father with sole custody of his two beloved daughters. He was a proud family man and was pleased to see them grow successfully into adulthood—Alexis, a nurse practitioner who does research at USC, and Ashley, a student at the University of Arizona. He was looking forward to Alexis' wedding in May.

Jon led a life devoted to others. In addition to supporting numerous veterans' charities and causes, Jon is remembered for his authenticity, his even temper, and the kindness with which he treated others.

He was a proud native of California and a true Bruins fan serving on the Dean's Advisory Council at UCLA School of Engineering, where he was scheduled to give the commencement address in May.

He was Raytheon Executive Diversity Champion and throughout his career served as a model for inclusion and embracing diverse viewpoints to solve some of our nation's most difficult technology challenges.

He pioneered the development of the Side-winder missile and the Tomahawk cruise missile, both of which have provided critical capabilities to our nation's military.

Jon served as Vice President and Deputy General Manager of Space and Airborne Systems before becoming its president in 2005. He demonstrated for his 12,400 employees the professionalism and self-confidence that allows them to serve their country so well. He demanded excellence and got it, turning a troubled Raytheon contract around after some major challenges.

Jon was an admired innovator. He won the Malcolm R. Currie Innovation award in 1996. He was named the State of Arizona's Innovator of the Year in 1997, and he received Raytheon's corporate Excellence in Technology Award for advancements in infrared guided missiles in 2001.

He was an advocate for the warfighter, a patriot, and a successful businessman and innovator, but most importantly, a devoted and wonderful father. My colleagues and I who knew and worked closely with him mourn his passing.

AFGHANISTAN WAR POWERS RESOLUTION

SPEECH OF

HON. KURT SCHRADER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 10, 2010

Mr. SCHRADER. Madam Speaker, I believe it is time to bring the United States Military's involvement in Afghanistan to a close. Last year I became a cosponsor of H.R. 2404, to require the President to issue a plan for withdrawal from Afghanistan by the end of 2009; and I voted for an amendment to the FY2010 Defense Authorization Act to mandate the same. Although a majority of my colleagues did not join me in supporting those measures, H. Con. Res. 248 is not the right approach.

It is unrealistic to ask President Obama to remove military forces from Iraq within the next 30 days or even the next 10 months as H. Con. Res. 248 demands. Ending a war is unfortunately more complicated than beginning one. Even as a candidate in 2008, President Obama recognized an expedited withdrawal of troops from Iraq would take 15 to 24 months. Asking for a 10 month window for withdrawal from Afghanistan is unrealistic.

With thousands of Oregon Guardsmen currently serving in Iraq and hundreds more deploying to Afghanistan, such a resolution at this time, in this manner, would be inappropriate.

COMMEMORATING THE 31ST ANNUAL WINDHAM SPECIAL OLYMPICS INVITATIONAL SWIM MEET

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2010

Mr. COURTNEY. Madam Speaker, I rise today to commemorate and honor the 31st Annual Windham Special Olympics Invitational Swim Meet. This Saturday, I will have the great pleasure of attending the Opening Ceremony of this event with hundreds of athletes, families and volunteers from around the region. I am familiar with the good work of Special Olympics Connecticut and am particularly excited for Saturday's meet.

All of the events that the Special Olympics organizes are first and foremost about the athletes who participate in them. They provide a unique opportunity for these individuals to compete and learn the benefits of regular training and physical fitness activities. In addition

to the athletic component, I want to highlight the overwhelmingly positive impact that Special Olympics competitions have on the lives of the athletes. The social, educational, and professional skills that are gained from mere involvement in these programs are outcomes that the organization and the athletes should be tremendously proud of.

I also want to take this opportunity to acknowledge the many volunteers and other members of the community that make each and every Special Olympics event possible. Without them, the athletes and their families could not enjoy the activities and terrific memories that come from these events. Thank you for all your service and good luck to the athletes competing in the Windham Special Olympics Invitational Swim Meet.

I am confident that she will continue to hold herself to the highest standards in the future. This is an accomplishment for which Lacy can take pride in for the rest of her life.

RECOGNIZING THE 189TH ANNIVERSARY OF GREEK INDEPENDENCE

SPEECH OF

HON. JOHN CONYERS, JR.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 9, 2010

Mr. CONYERS. Madam Speaker, I rise today in support of H. Res. 1107, which recognizes the 189th anniversary of the independence of Greece and celebrates Greek and American democracy. This resolution honors the Greek republic on its 189th anniversary, but the culture of the Greek people is over three thousand years old and has been the intellectual and philosophical foundation for many democracies throughout modern history.

Modern Greece is a living, breathing example of the trials and struggles of many countries over the last hundred and eighty-nine years. Greece had to remove the shackles of empire to forge its own identity and destiny. The Greek people joined the allies in their fight against fascism during World War II. In the war's aftermath, Greece was in the physical and geopolitical center of the east and west struggle in the Cold War.

The Greek people and culture have also had a lasting impact in the Detroit Metropolitan area. What started out as a small group of people on Monroe Street who wanted to preserve their rich culture, has grown into a successful group of business owners and, most of all, great Detroiters.

Greece is an example of the steadfast determination that all people admire. The Greek People have seen their land invaded by foreign nations, experienced coups and rebuilt after tragedy. While this happened, America stood with them offering aid and assistance. It is only fitting we celebrate this occasion with them.

CONGRATULATING THE REV. BERNARD R. MCLHENNY, S.J., THE RECIPIENT OF THE PRESIDENT'S AWARD FROM THE FRIENDLY SONS OF ST. PATRICK OF LACKAWANNA COUNTY

HON. PAUL E. KANJORSKI

OF PENNSYLVANIA

Mr. KANJORSKI. Madam Speaker, I rise today to ask you and my esteemed colleagues in the House of Representatives to pay tribute to the Rev. Bernard R. McIlhenny, S. J., who is being honored by the Friendly Sons of St. Patrick of Lackawanna County, Pennsylvania, with their 2010 President's Award.

Currently the Dean of Admissions Emeritus at the University of Scranton and minister of the Jesuit Community at Scranton, Father McIlhenny was ordained a priest at Woodstock College on June 17, 1956. He spent the last year of his training at Auriesville, New York.

On July 1, 1958, he was named fourth headmaster at Scranton Preparatory School where he spent the next eight years. In 1966, he was assigned as Dean of Admissions at the University of Scranton where he remained for the next 31 years.

On June 1, 1997, Father McIlhenny retired as Dean of Admissions to become Administrator of the Scranton Jesuit Community.

He received an honorary degree from the University of Scranton on May 26, 1998, and, on September 13, 2009, the University recognized Father McIlhenny's years of dedicated service by naming the Rev. Bernard R. McIlhenny Ballroom in his honor.

Born in Philadelphia on March 27th, 1926, Father McIlhenny is the son of Bernard and Marie Seiberlich McIlhenny. He graduated from St. Joseph's Preparatory School in Philadelphia. He entered St. Joseph's University in 1943 and entered the Novitiate of the Society of Jesus in Wernersville, Pennsylvania, in February, 1944.

Father McIlhenny attended his first Friendly Sons of St. Patrick dinner in 1959 and has been enjoying the event ever since.

Father McIlhenny has distinguished himself throughout northeastern Pennsylvania over the years for his extraordinary service to his Church, to his community and to the Friendly Sons of St. Patrick of Lackawanna County.

Madam Speaker, please join me in congratulating Father McIlhenny on this auspicious occasion. His personal example has been an inspiration to many and he has contributed greatly to the improvement of the quality of life throughout the region.
