HONORING FLORIDA PARENT TEACHER ASSOCIATION (PTA)

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 22, 2010

Mr. MEEK of Florida. Madam Speaker, today I rise to recognize and congratulate Florida Parent Teacher Association, PTA on receiving the 2010 Outstanding Advocacy Awards. Their advocacy efforts at state, local and individual levels were recognized because of their dedication, leadership and sustained efforts to positively affect child related policy, regulation and legislation. This association serves a critical role in helping to provide the best possible educational environment for our students throughout Florida.

As the largest volunteer child advocacy association in the nation, the PTA reminds our country of its obligations to children and provides parents and families with a powerful voice to speak on behalf of every child while

providing the best tools for parents to help their children be successful students.

It is important to recognize that Florida PTA is being honored for their efforts while facing proposed education budget cuts. The state PTA formed a coalition with major education groups during these efforts. Unfortunately, Florida ranks near the bottom in the country in school funding. But, Florida PTA's initiatives created sustained advocacy and generated new-found enthusiasm for parents and local PTAs to work together for education funding for Florida children. Advocates sent more than 3,000 letters of protest to the Florida Governor and state legislators, held regular conference calls with regional and local PTAs, developed an advocacy toolkit, and held one of the largest rallies at the state Capitol steps. As a result of Florida's PTA efforts, Florida legislators did not reduce education funding as proposed.

Madam Speaker, please join me in congratulating Florida Parent Teacher Association for their outstanding achievement. The dedicated involvement from parents throughout Florida reflects a strong commitment to public education and community service. I offer my strong support for Florida PTA and their dedicated volunteers.

A TRIBUTE TO KATYA RATTRAY

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, March 22, 2010

Mr. TOWNS. Madam Speaker, I rise today in recognition of Katya Rattray for her commitment to social service and her years of service in the Brooklyn community.

Katya Rattray's story is that of the quintessential American immigrant experience. Katya Rattray was born in Georgetown Guy-

ana of mixed race parentage and spent her early years in Guyana and Nassau, Bahamas before immigrating to the U.S. almost three decades ago.

Tragedy struck with the passing of her father Patrick Thorne, a sworn land surveyor, while she was still a teenager. She and her family, mother Eslyn Thorne and brother Maxim Thorne, immigrated to the United States in search of a better future.

Katya deferred her studies and worked in retail and administrative services in the legal and banking industries in New York to help support her mother and younger brother. Throughout this period however, she kept her eyes on the goals of resuming her education and giving back to her community as best she could.

Upon resuming her studies, she excelled at Rutgers University where she double majored in sociology and women's studies. She became a Mabel Smith Douglass Honors student focusing on racial justice in the U.S. and the plight and struggles of young women of African descent in the period leading up to and through the Civil Rights movement.

She later went on to achieve a masters in business administration with a dual specialization in marketing and logistics from the University of Miami and embarked on her career in the private sector as an international management consultant focusing on issues facing minority communities.

Katya also served a brief stint as a political campaign manager, before joining the executive management of Brooklyn Child and Family Services, Inc. (BCAFS), a 501(c)(3) non-profit, community-based organization that receives millions in public and private grants. She has served as both the Interim Executive Director and the Head Start and Early Head Start Program Director. She oversees a full range of early educational and comprehensive social services to over 800 families in a predominantly low-income population where many are African American, Latino and immigrant. BCAFSS has been a provider of community-based education, social and other supportive services in the Bedford Stuyvesant, Fort Greene, Flatbush, Bushwick, Brooklyn Heights, Williamsburg and surrounding Brooklyn neighborhoods since 1963.

Under her leadership, Ms. Rattray has engineered a significant transformation to the operations of the program and drastically increased its operating efficiency, program outreach and education outcomes; no small feat in these trying times.

She has achieved an almost one hundred percent enrollment in the program that is unprecedented in this history of the organization, community partnerships have dramatically increased, and once again a Policy Council from the community is vibrant and engaged in helping the agency, all hallmarks of the Head Start ethos.

Under Ms. Rattray's stewardship, Brooklyn Children and Family Services is once again poised to become a beacon in the 10th Congressional District of New York.

Katya is married to her soul mate, Ken Rattray, an international management and technology consultant, and together they have three wonder children, Kyra, Kenneth Patrick (KP), and Kalyan.

Madam Speaker, I urge my colleagues to join me in recognizing Katya Rattray.

HONORING MS. SALLIE HICKS

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 22, 2010

Mr. MEEK of Florida. Madam Speaker. Today I rise to pay tribute to the life and legacy of the late Ms. Sallie Hicks, a constituent in the Congressional district I represent who was known for her contagious, spiritual and endearing personality. It is with both profound sadness, but also an enduring sense of gratitude that I recognize her for the tremendous inspiration she provided to the South Florida community.

Ms. Hicks was born on April 6, 1913 in Chipley, Florida to the late Mr. and Mrs. Charlie Hicks. She was the second child of 14 siblings. Her early years were spent in Chipley until her family moved to Live Oak, Florida where she attended Suwannee County Public Schools.

Affectionately known as "Dr. Sally", Ms. Hicks was employed by the Mary Elizabeth Hotel. Upon retiring, she began a second career as a caregiver at Betty's Sunshine and Sunset Daycare. Soon thereafter, she established her own daycare in her home. She created a loving home, gave guidance, potty trained, and provided health information. Most importantly, all of her children were loved. She was the surrogate grandmother to more than 15 children.

Moreover, Ms. Hicks was a faithful member at Greater Bethel African Methodist Episcopal Church since the early 1950s.

Ms. Hicks was blessed with a loving family who took pleasure in every aspect of her life and her interests. I offer my heartfelt condolences to her two daughters, Eveline and Cathia; granddaughter, Kimberly; and great-granddaughter, Evelyn.

Madam Speaker, I ask you and all the members of this esteemed legislative body to join me in recognizing the extraordinary life and accomplishments of Ms. Sallie Hicks. She will be missed by all who knew her, and I appreciate this opportunity to pay tribute to her before the United States House of Representatives. While she will indeed be missed, her legacy, as well as the outstanding contributions she made to Greater Bethel A.M.E Church and the South Florida community will live on.

RECONCILIATION ACT OF 2010

SPEECH OF

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Sunday, March 21, 2010

Mr. ROSKAM. Madam Speaker, I rise in strong opposition to the reconciliation procedure that will transform over one-sixth of our nation's economy and increasingly cause reliance on the federal government for healthcare and education. Beyond my procedural and political problems, I have major concerns with the elimination of the Federal Family Education Loan program because it will destroy an important tool for need-based graduate student aid—the School as Lender program. Overhauling the federal student loan program will have unintended consequences in the form of lost private sector jobs and lost opportunities for graduate students in Illinois' Sixth Congressional District. Millions of dollars in financial aid for thousands of students across the country will be lost. I also fear the program will add to our nation's already record deficit.

Procedurally, the proposal has not received a hearing or markup in the United States Senate. At least nine Democrats in the Senate have written with concerns on the proposal's effect on job losses in the private sector.

The elimination of the School as Lender program ignores the needs of graduate students. Schools obtain credit to make loans and use the proceeds from their origination to support financial aid. Proceeds from the sale of loans must be returned to graduate students in the form of need-based grants. A
