

RECOGNIZING THE DISTINGUISHED  
SERVICE OF DR. JUDITH  
FALKENRATH

### HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 24, 2010*

Mr. CONNOLLY of Virginia. Madam Speaker, it is my great honor to rise today to recognize Dr. Judith Falkenrath for her distinguished service to the Annandale Christian Community for Action (ACCA) and her years of dedicated service to the well-being and educational development of children in Northern Virginia.

During the last 24 years, Dr. Falkenrath has had immeasurable impacts on the lives of countless children and their families. Beginning in 1986 and continuing for 12 years, Dr. Falkenrath worked with the Fairfax County Office for Children. There she served as Early Childhood Specialist for Community Education as well as Education Coordinator for Fairfax County Head Start.

In 1998, Dr. Falkenrath joined ACCA. Founded in 1967, ACCA was created to address the needs of the working poor in our community. Since that time, ACCA has grown and diversified the services that they offer. Currently ACCA is an alliance of 26 churches in the Annandale area and together they provide assistance in areas such as Child Development Center, Family Emergency Services, Housing Repair, Furniture, Meals on Wheels, Scholarships, Shelter Assistance, and Transportation.

Believing that all children deserve quality care and education, Dr. Falkenrath, as Director of the Child Development Center, has provided leadership and dedication in providing quality preschool education and in furthering the goals of ACCA in reaching out to the poor and disadvantaged in our community. All children are accepted regardless of their circumstances or background.

Although Dr. Falkenrath is retiring from ACCA, where I know she will be sorely missed, I am pleased to note she is continuing to serve the children of Fairfax County as a member of the Child Care Advisory Council.

Madam Speaker, I ask my colleagues to join me in thanking Dr. Judith Falkenrath for her years of service and also in congratulating her on the occasion of her retirement. Her efforts and leadership have been a great benefit to the children of our community, and truly merit our highest praise.

HONORING CAROL A. MEISSNER

### HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 24, 2010*

Mr. HIGGINS. Madam Speaker, I rise today to recognize the dedicated service of Ms. Carol A. Meissner. In her 32 years of service to the Town of Evans, Ms. Meissner has helped to advance many important initiatives and has tirelessly served her community.

As Evans Town Clerk she helped modernize the Clerks office and improved both efficiency and quality of service. She served two terms as the president of the Erie County Town Clerk's Association and she was honored as

the New York State Town Clerk of the year in 2001.

Ms. Meissner's service to her community goes well above her role as Town Clerk. She also has been active in local schools, working to register graduating seniors and teaching younger students about the value of being an engaged citizen. Working with local youth is a passion of Ms. Meissner's, she sponsors a youth baseball and soccer team, and she is a guest reader at her local elementary school.

In addition to serving the young adults of her community Ms. Meissner also serves honorably as a member of The Town of Evans Volunteer Fire Company's Ladies Auxiliary. Throughout her years of service Ms. Meissner has had an impact on countless projects and programs, and she has assuredly made her community a better place. For her service she has received Certificates of Appreciation from the Town of Evans Lions Club, and The Future Business Leaders of America.

Madam Speaker, it is my honor to recognize Ms. Carol A. Meissner for her dedication to her community. She is an excellent role model for the young adults she works with, a leader for her fellow community members, and a shining example of what it means to be a public servant. I ask my colleagues in the House to join me in congratulating Carol Meissner on her retirement from the Town of Evans Office of the Clerk.

HONORING ZANE ERIC CLARK

### HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 24, 2010*

Mr. GRAVES. Madam Speaker, I proudly pause to recognize Zane Eric Clark, a very special young man who has exemplified the finest qualities of citizenship and leadership by taking an active part in the Boy Scouts of America, Troop 87, and in earning the most prestigious award of Eagle Scout.

Zane has been very active with his troop participating in many Scout activities. Over the many years Zane has been involved with Scouting, he has not only earned numerous merit badges, but also the respect of his family, peers, and community.

Madam Speaker, I proudly ask you to join me in commending Zane Eric Clark for his accomplishments with the Boy Scouts of America and for his efforts put forth in achieving the highest distinction of Eagle Scout.

COMMEMORATING MARCH AS RED  
CROSS MONTH

### HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 24, 2010*

Ms. RICHARDSON. Madam Speaker, I rise today to recognize March as National Red Cross Month. The American Red Cross has provided assistance and comfort to communities stricken by disasters large and small since it was founded in 1881 by Clara Barton. For over 100 years, the American Red Cross has continued to help ensure our communities are prepared and resilient in the face of future disasters.

Madam Speaker, at home and abroad, one in five Americans is touched by the Red Cross every single year. On September 29, an 8.0 earthquake in the Pacific Ocean generated tsunami waves in American Samoa, Samoa and Tonga, killing more than 170 people. The district I represent, the 37th of California, has the largest population of Samoans in the continental United States, so this tragedy directly impacted many families in my district. I would like to recognize the American Red Cross for their invaluable assistance and quick response in providing relief after this event. I can attest to the good work they did when I traveled to American Samoa to deliver supplies donated by my constituents. The American Red Cross mobilized 90 volunteers to provide food, water, and relief supplies, as well as tracing services for families separated during the disaster. The Samoan Red Cross mobilized 200 volunteers to distribute relief items and support camps sheltering the homeless, with the goal of assisting 15,000 people.

In my district, the Greater Long Beach Chapter of the American Red Cross has 590 registered volunteers. They have certified 32,160 people in CPR/first aid, AED and water safety skills, and more than 4,330 people have received disaster preparedness training through health fairs, speaking engagements or trained in preparedness classes. In addition, the Disaster Action Teams (DAT) responded to 33 local emergency operations, opened 3 shelters and provided disaster shelter and food to 58 individuals, and financial support to 39 families. Finally, our volunteer youth group served 1,000 needy adults and children at their annual Holiday Project.

In conclusion, Madam Speaker, I ask that you and my distinguished colleagues join me in applauding the hard work of the American Red Cross volunteers and celebrating March as American Red Cross Month.

CONGRATULATIONS TO UMB BANK

### HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 24, 2010*

Mr. CLEAVER. Madam Speaker, Chairman FRANK and I would like to extend our congratulations to UMB Bank, its officers, directors, shareholders and employees on being designated by Forbes magazine as the second-best bank in America in 2009. UMB Financial Corporation headquartered in Kansas City, Missouri, is a \$10.2 billion bank founded in 1913 with first day deposits of \$1,100.00. Six generations of the Kemper family have owned and/or operated UMB. Currently Mariner Kemper is the Chairman and Chief Executive Officer, Peter deSilva, is the President and Chief Operating Officer, Peter Genovese is the Vice Chairman and Michael Hagedorn is the Chief Financial Officer. UMB operates in seven states—Missouri, Illinois, Colorado, Kansas, Oklahoma, Nebraska and Arizona and is the second largest bank holding company headquartered in Missouri.

The Bank's shared corporate vision is "To be recognized for THE unparalleled customer experience." One of the corporation's shared values is "Customers First—We do the unparalleled to create an environment that consistently exceeds the expectations of our customers."

UMB Bank embodies strong community involvement in all the communities it serves. From financing for small businesses, to providing working capital loans to companies that support job creation and retention, to employee volunteerism and corporate donations UMB stands tall with their communities. In fact UMB just received an "Outstanding" rating from the Office of the Comptroller of the Currency in their most recent public evaluation of UMB's community lending and participation.

When the largest banks in America were trying to repay billions of dollars in TARP funds and to improve their balance sheets and to deal with the impact of severe economic problems in the states where they do business, UMB was keeping to their business strategy, conservative with slow, steady growth. Their non-performing loans as a percent to total loans was 0.7 percent, the fourth best in this category in the country; reserves as a percentage of nonperforming loans was 210 percent; and their Tier 1 capital ratio was 13.5 percent. Their stock trades at 1.5 times its book value. In a September 2009 *TheStreet.com* article "UMB's Kemper Proves Boring Is Better: Best In Class", Mariner Kemper said "The Street, the investor population, believed that we . . . could leverage [our] earnings streams more, if we had taken the same risks as the rest of the industry. I'm thrilled to be able to stand up and say: Those strategies worked for us! We didn't erase 20 years of earnings by taking three years of risks."

To be rated the second-best bank in America in 2009 by *Forbes* out of the 100 largest banks and thrifts in America is "A great source of pride for everyone at UMB", Mariner Kemper said in a January press release. He went on to say, "This ranking also shows that the regional banking model works. UMB sticks to our time-tested prudent business practices, such as making loans within our territory, building relationships with our customers and understanding that strong underwriting practices produce quality results. Our standards have remained unchanged in all economic conditions. This principle, as well as a focus on a diversified income stream from fee-based businesses, affords us steady growth."

Madam Speaker, again we offer UMB Bank and all its employees, officers, directors and shareholders our heartiest congratulations on a job well done.

HONORING W. GLENN WINFREY

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 24, 2010

Mr. GRAVES. Madam Speaker, I proudly pause to recognize W. Glenn Winfrey, a very special young man who has exemplified the finest qualities of citizenship and leadership by taking an active part in the Boy Scouts of America, Troop 82, and in earning the most prestigious award of Eagle Scout.

Glenn has been very active with his troop participating in many Scout activities. Over the many years Glenn has been involved with Scouting, he has not only earned numerous merit badges, but also the respect of his family, peers, and community.

Madam Speaker, I proudly ask you to join me in commending W. Glenn Winfrey for his

accomplishments with the Boy Scouts of America and for his efforts put forth in achieving the highest distinction of Eagle Scout.

## RECONCILIATION ACT OF 2010

SPEECH OF

HON. DENNIS A. CARDOZA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Sunday, March 21, 2010

Mr. CARDOZA. Mr. Speaker, I would like to submit for the record a letter sent to me by the Physician Insurers Association (PIAA) expressing their concerns that multiple provisions of H.R. 3590 could potentially create new causes of action for medical liability claims despite the assurances I received from the committees and others that there would be no impact.

Mr. Speaker, the House-passed H.R. 3962 prevented these causes of action from being created by adding Section 261. Section 261 stated that the development, recognition, or implementation of any guideline or other standard shall not be construed to establish the standard of care or the duty of care owed by healthcare providers to their patients in any malpractice action or claim.

Mr. Speaker, for the record, it was the legislative intent of Congress to insert Section 261 or similar language in any Conference Committee bill to prevent new causes of action. It was not and never has been the intent of this legislation to create any new causes of action or claims premised on the development of guidelines or other standards.

PHYSICIAN INSURERS  
ASSOCIATION OF AMERICA,  
Rockville, MD, March 9, 2010.

Hon. DENNIS CARDOZA,  
Longworth Building,  
Washington, DC.

DEAR CONGRESSMAN CARDOZA: On behalf of the 60 domestic primary medical professional liability insurance company members of the Physician Insurers Association of America (PIAA), I am writing regarding the healthcare reform legislation passed by the Senate. Specifically, I would like to share our concerns about the legislation creating new causes of action for medical liability claims.

The PIAA is the only trade association in the nation dedicated solely to the medical professional liability insurance industry. Our members are physician and other healthcare provider owned or operated professional liability insurers which provide indemnification for over 60% of America's doctors, as well as dentists, hospitals and other healthcare providers. Our member insurance companies were formed by state medical, dental and hospital associations over the past 30 years, to include 4 which are domiciled in California. They were formed with the specific goals of lowering insurance costs for providers and helping patients through sound underwriting and patient safety practices. In this regard, we are uniquely qualified to offer our perspective on medical liability issues.

As approved by the Senate, H.R. 3590 contains at least 14 provisions which could create new causes of action for medical liability claims. These include:

Section 2701 (adult health quality measures).

Section 2702 (payment adjustments for health care acquired conditions).

Section 3001 (Hospital Value-Based Purchase Program).

Section 3002 (improvements to the Physician Quality Reporting Initiative).

Section 3003 (improvements to the Physician Feedback Program).

Section 3007 (value based payment modifier under physician fee schedule).

Section 3008 (payment adjustment for conditions acquired in hospitals).

Section 3013 (quality measure development).

Section 3014 (quality measurement).

Section 3021 (Establishment of Center for Medicare and Medicaid Innovation).

Section 3025 (hospital readmission reduction program).

Section 3501 (health care delivery system research, quality improvement).

Section 4003 (Task Force on Clinical and Preventive Services).

Section 4301 (research to optimize delivery of public health services).

Sufficient questions were raised about these sections of H.R. 3590 that a provision was added to the bill commissioning a Government Accountability Office (GAO) study to see if these sections did indeed result in new avenues for medical liability claims to be filed. Quite simply, such a study is unnecessary and possibly harmful. If Congress intends to create multiple new avenues for the filing of medical liability claims, it does not need to commission the study. If, as we have been told, it does not intend to substantially increase medical liability litigation, a study will only needlessly create an opening for such cases to be filed until Congress finds the opportunity to correct the issue.

Congress should not wait for a study to be conducted—it should clearly state its intent in the legislation to not create new medical liability causes of action which could dramatically increase medical liability insurance premiums and potentially decrease access to healthcare providers in the process. The PIAA recommends the following legislation language to address this issue:

Sec. XXXX—Construction Regarding Standard of Care

The development, recognition, or implementation of any guideline or other standard under any provision of this Act shall not be construed to establish the standard of care or duty of care owed by healthcare providers to their patients in any medical malpractice action or claim (as defined in section 431(7) of the Health Care Quality Improvement Act of 1986 (42 U.S.C. 101151(7))).

From the very beginning of the healthcare reform debate, there has been broad consensus that medical liability reform was a necessary component in making our healthcare system more efficient and effective. While the exact nature of that reform has been the source of some disagreement, no one has been suggesting that our medical system will be improved by having new opportunities for even more medical liability claims to be filed. Congress should ensure such opportunities are not created by healthcare reform legislation.

Thank you for your time and consideration of this critically important issue. Should you have any questions about these proposals, or need additional information, please do not hesitate to contact me. We look forward to working with you on this most important issue.

Sincerely,

LAWRENCE E. SMARR,  
President.
