#### TRIBUTE TO PAGE AND LINCOLN ELEMENTARY SCHOOLS

#### HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 25, 2010*

Mr. LATHAM. Madam Speaker, I rise today to recognize and congratulate the students at Page and Lincoln elementary schools in Boone, Iowa, for their efforts in raising money to help those devastated by the earthquake in Haiti.

The devastation in Haiti hit close to home for Page Elementary kindergarten teacher Heidi McPartland. In 2009 she traveled to Haiti for a mission trip to assist in painting and completing work on a medical facility. Heidi put her heart and compassion into motion by initiating a "Hearts for Haiti" fundraising project to help the American Red Cross's relief efforts. During the entire month of February, students at Page and Lincoln elementary schools raised money for this humanitarian cause. Not only did it raise money for people in need, but it taught the children the importance of caring for others and how their efforts can really benefit those who are less fortunate.

This collective effort at Lincoln and Page elementary schools is a characteristic of what Iowa is all about—citizens motivated and dedicated to improving the daily life of people in need, and in this case those who have lost everything. I commend all the students, their families and especially Heidi McPartland, who generated this heartwarming effort. I consider

it an honor to represent Heidi and all of those involved in this mission for Haiti in the United States Congress and again I congratulate them for their great act of kindness and charity.

#### 24TH ANNIVERSARY OF BROTHERS' KEEPER

#### HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 25, 2010*

Mr. VISCLOSKY. Madam Speaker, it is with great pleasure that I stand before you to recognize one of Northwest Indiana's most generous and valued organizations, Brothers' Keeper, Incorporated. Brothers' Keeper, a non-profit organization located in Gary, Indiana, celebrates its twenty-fourth anniversary this month. In honor of its anniversary, a celebratory banquet, which will also help raise funds for the continued operation of Brothers' Keeper, will take place on Thursday, March 25, 2010, at the Genesis Convention Center in Gary, Indiana.

The anniversary banquet will feature a keynote speech by Harry Porterfield, who is well known in Chicago media and is the creator and host of "People You Should Know." The banquet will also feature the inspirational music of The Winslett Family Singers.

Founded by the late Reverend James Anderson of Washington Street Church of God on March 16, 1986, Brothers' Keeper is the

oldest and only full service men's homeless shelter in Northwest Indiana. Throughout the years, thousands of lives have been improved through the many services and programs offered by Brothers' Keeper. Brothers' Keeper offers not only food, clothing, and shelter to the men it serves, but also counseling services, information and referral services, job placement assistance, and weekly motivational sessions, as well as a new computer room for members of the community to utilize.

While many people have benefited from these services and from the generosity of the Brothers' Keeper staff, the organization has also made extraordinary efforts to reach out to the surrounding community. In addition to the services offered at the shelter, Brothers' Keeper also operates a soup kitchen, food pantry, clothing bank, recycling program, community service work site, and a senior aid work site.

Madam Speaker, at this time, I ask that you and my other distinguished colleagues join me in recognizing the tireless efforts of Brothers' Keeper's Executive Director, Mary Edwards, and the many staff members and volunteers whose generosity and selflessness have touched thousands of lives throughout the last twenty-four years. Their efforts are to be commended, and they are to be honored for their unwavering commitment to their community.

#### HONORING THE LIFE OF DEAMONTE DRIVER AND CHILDREN'S DENTAL HEALTH MONTH

#### HON. ELIJAH E. CUMMINGS

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 25, 2010*

Mr. CUMMINGS. Madam Speaker, I rise today to recognize the life of a young Maryland boy, Deamonte Driver, whose life was cut drastically short when an untreated tooth infection spread to his brain. I also rise to recognize Children's Dental Health Month with hope in my heart and a renewed steadfast commitment to ensuring that all children across this great nation will have access to quality dental healthcare.

Deamonte's tragic death haunts me to this day.

Eighty dollars worth of dental care might have saved his life, but he never got that care.

As many of you know, I have made it my personal mission to ensure that from this boy's untimely death, we will bring hope and life.

With the passage of the Children's Health Insurance Program Reauthorization Act of 2009 (H.R. 2/PL 111-3) and the American Recovery and Reinvestment Act of 2009 (H.R. 1/PL 111-5), we have made significant progress to provide dental care to children.

Notably, the SCHIP Reauthorization mandated for the first time that children eligible for the program receive dental coverage.

It also included several critical provisions aimed at improving children's access to dental care, each of which was included in a bill I introduced, H.R. 462, the Medicaid-SCHIP Dental Benefits Improvement Act of 2009.

Specifically the bill:

Guarantees a dental benefit for children covered by SCHIP that includes preventive, restorative, and emergency dental care;

Provides dental education for parents of newborns;

Allows community health centers to contract with private dentists for the purpose of providing dental care under Medicaid and SCHIP; Requires states to report the status of children's oral health for children covered by Medicaid and SCHIP;

Improves access to dental provider information for Medicaid and SCHIP patients through the Insure Kids Now website ([www.insurekidsnow.gov](http://www.insurekidsnow.gov)) and hotline (1-877-KIDS-NOW);

Requires the GAO to conduct a study assessing children's access to dental care within 18 months of the bill's enactment; and

Directs the Secretary of Health and Human Services to establish a core set of child health quality measures for assessing states' Medicaid and SCHIP programs, including measures for the availability of dental services and the quality of pediatric dental care.

I was also extremely pleased that we included language in the bill to provide "wrap around" dental benefits to children who are eligible for SCHIP but have private medical insurance that does not include dental insurance.

The Recovery Act included an estimated \$87 billion over two years in additional federal matching funds to help states maintain their Medicaid programs which provide dental health services to low-income children.

I rise today with a renewed commitment to oral health which is an integral component of overall health.

Hundreds of thousands of Deamonte Drivers are walking the streets of America every day in unbearable pain—unable to concentrate in school, unable to eat and speak properly, and at risk for serious disease or even death.

We simply cannot relent until every single one of those children gets the care he or she needs to end this needless suffering—and to prevent it in future generations.

During Children's Dental Health Month, I thank the many partners who have joined me in this effort, specifically the Children's Dental Health Project, the American Dental Association, the National Dental Association, the American Academy of Pediatric Dentists, the American Dental Education Association, the American Hygienists Association, and the UnitedHealth Group.

It is through sound legislative initiatives and partnerships like these that give me hope:

Hope that we can prevent the single most common childhood chronic disease which is tooth decay.

Hope that our children, regardless of race or economic status will have access to proper dental care.

Hope that as we pledge never to forget the life of Deamonte Driver, we strive to ensure that not one more child will suffer his fate.

Mr. ROSKAM. Madam Speaker, I rise today to congratulate the Reverend Kevin Williams, who has been installed as a new Pastor in the Second Baptist Church of Wheaton, which is located in my Congressional district.

The Second Baptist Church is the oldest African American Church in DuPage County. Ever since it opened its doors to worshippers in 1907, this church has worked diligently to

#### HONORING CARNEGIE MEDAL RECIPIENT, DEREK CREEL

##### HON. SPENCER BACHUS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 2010

Mr. BACHUS. Madam Speaker, it is an honor to bring to the attention of my colleagues the heroism of a constituent, Derek J. Creel of Warrior, Alabama. Guided by his faith, Derek put his own life at risk to save the life of a young child during a tragic outing on raging waters.

In recognition of his courageous and selfless action, Derek has been awarded the Carnegie Medal by the Carnegie Hero Fund Commission.

The criteria for this prestigious award was established by the philanthropist Andrew Carnegie in 1904, when he wrote on the Commission's founding Deed of Trust that, "We live in a heroic age. Not seldom are we thrilled by deeds of heroism where men or women are injured or lose their lives in attempting to preserve or rescue their fellows."

Derek Creel displayed extraordinary heroism in swimming to a father and son who had been overtaken by a strong current in the Black Warrior River on March 27, 2009. Excruciatingly, he could not save the father from the cold and swift waters. But he both saved and comforted the frightened young boy while rescue help arrived. Derek's spiritual strength was every bit as important to their survival during that challenging time as his physical strength.

Warrior Police Chief Raymond Horn, who was at the scene, wrote a gripping account of Derek's heroism in nominating him for the Carnegie Medal. It is a description of an exceptional action by a prayerful man that I commend to your reading.

On 03/27/09 the Warrior River, Locust Branch, was well above normal depth from recent rain storms. The currents were very strong and swift with a lot of debris, i.e., stumps, trees and rocks in this river. There were more storms moving into the area later that night with flash flood warnings being posted.

The rescuer, Derek Creel, was at the river fishing. He witnessed a canoe, with an adult male and a male child, capsized. The two victims were caught in the swift currents and very
