Tuesday, April 13, 2010

Mr. HIGGINS. Madam Speaker, I rise today to pay tribute to the years of service given to the people of Chautauqua County by Ms. Diane Lawson. Ms. Lawson served her constituency faithfully and justly during her tenure as the Ripley Town Assessor.

Public service is a difficult and fulfilling career. Any person with a dream may enter but only a few are able to reach the end. Ms. Lawson served her term with her head held high and a smile on her face the entire way. I have no doubt that her kind demeanor left a lasting impression on the people of Chautauqua County.

We are truly blessed to have such strong individuals with a desire to make this county the wonderful place that we all know it can be. Ms. Lawson is one of those people and that is why Madam Speaker I rise in tribute to her today.

HONORING NELSON SMOTHERMAN
ON A LIFETIME OF SERVICE

HON. BART GORDON

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 2010

Mr. GORDON of Tennessee. Madam Speaker, I rise today to honor Nelson Smotherman, who is retiring after 60 years as a sports statistician in middle Tennessee.

Nelson began keeping statistics for sports broadcasts in 1950. His first broadcast was for a Murfreesboro Central football game for WGN radio. This March, Nelson worked his 4,000th game.

He has been called a legend and a walking encyclopedia, whose remarkable mind for sports statistics and 60 years of experience in the field have made him a pillar of our State's athletic programs.

Nelson's institutional memory has been an invaluable asset for the athletes of middle Tennessee. In his time in the booth, Nelson witnessed the integration of high school sports teams. He saw women's basketball shift from a 6-on-6 half-court game to 5-on-5 full-court play. He had a chance to work with some 50 different broadcasters. He maintains basketball records that go back to when the game was new, and has kept stats at State tournaments in four different sports. Nelson has been inducted into the Hall of Fame of the Tennessee Secondary School Athletic Association and has a softball field named in his honor in Murfreesboro.

Nelson's impact on the lives of young people in our community reaches well beyond the broadcast booth. He has served as Sunday School Secretary at the First Presbyterian Church in Murfreesboro for more than 50 years, and he continues to help coach the Oakland High School girls' softball team.

Nelson, your involvement in middle Tennessee sports will be missed, but I wish you all the best. I hope you enjoy a long and happy retirement.

HEALTH INSURANCE MARKETS

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 2010

Ms. MOORE of Wisconsin. Madam Speaker, with a large number of concentrated health insurance markets across the country, it is imperative that health care reform initiatives focus on enhancing competition among insurers and providing American consumers with affordable health care coverage. Many health insurance markets in the United States appear to have one dominant insurer, and in many other markets, the top two insurers serve most enrollees. And the two top
