**HONORING SISTERS OF CHARITY
OF SAINT ELIZABETH IN CON-
VENT STATION, MORRIS TOWN-
SHIP, NEW JERSEY**

HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 2010

Mr. FRELINGHUYSEN. Madam Speaker, I rise today to honor the Sisters of Charity of Saint Elizabeth in Convent Station, Morris Township, New Jersey, which is celebrating its 150th Anniversary this year.

The Sisters of Charity were founded under the authority of the first American, Catholic bishop, John Carroll, Bishop of Baltimore by Saint Elizabeth Ann Seton, in the spirit of Saint Vincent de Paul and Saint Louise de Marillac, in Emmitsburg, Maryland, in 1809. In 1859, Mother Mary Xavier Mehegan founded the New Jersey community known as the Sisters of Charity of Saint Elizabeth.

For fifty-six years, from 1859 until her death June 24, 1915, Mother Xavier headed the Sisters of Charity. Parish schools, academies, hospitals, a day nursery, orphanages, a home for the incurably ill, and a residence for working women were established. In 1899, a time when New Jersey had no baccalaureate-degree-granting college for women, Mother Xavier founded the College of Saint Elizabeth, New Jersey's oldest four-year college for women and one of the first colleges for women in the United States.

Since 1859, the Morristown location, now known as Convent Station, has become a center of learning, of spirituality, and of service to others and to the community as a whole. Convent Station is home to the Academy of St. Elizabeth, the Convent of St. Elizabeth, the College of Saint Elizabeth, Saint Anne Villa, and the Xavier Center.

Today the Sisters of Charity of Saint Elizabeth are engaged in over 100 education, health care, pastoral and social service ministries in 15 states, and in the U.S. Virgin Islands, El Salvador, Central America, Juarez, Mexico and Haiti. These ministries include: Education, Diocesan and Parish Ministry, Hospitals, Homes for the Aged, Health Care, Community Centers and Social Services.

Madam Speaker, I ask you and my colleagues to join me in congratulating the Sisters of Charity of Saint Elizabeth as they celebrate 150 dedicated years of service.

**INTRODUCTION OF THE END THE
MANDATE ACT**

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 2010

Mr. PAUL. Madam Speaker, today I am introducing the End the Mandate Act. This legislation repeals the sections of the recently-passed health reform bill that force all Americans to purchase federally-approved health insurance plans.

Forcing every American to obtain health insurance is a blatant violation of the Constitution. Defenders of this provision claim the Congress's constitutional authority to regulate "interstate commerce" gives Congress the power to mandate every American obtain a federally-approved health insurance plan. However, as Judge Andrew Napolitano and other distinguished legal scholars and commentators have pointed out, even the broadest definition of "regulating interstate commerce" cannot reasonably encompass forcing Americans to engage in commerce by purchasing health insurance.

Forcing every American to obtain a congressionally-approved health insurance plan is not just unconstitutional; it is a violation of the basic freedom to make our own decisions regarding how best to meet the health care needs of ourselves and our families.

Madam Speaker, the new law requires Americans to have what is defined as "minimum essential coverage." Some people may claim that the requirement to have "minimal essential coverage" does not impose an unreasonable burden on Americans. There are two problems with this claim.

First, the very imposition of a health insurance mandate, no matter how "minimal" violates the principles of individual liberty upon which this country was founded.

Second, the mandate is unlikely to remain "minimal" for long. The experience of states that allow their legislatures to mandate what benefits health insurance plans must cover has shown that politicizing health insurance inevitably makes health insurance more expensive. As the cost of government-mandated health insurance rises, Congress will likely respond by increasingly subsidizing health insurance for an ever increasing number of Americans.

When the cost of government-mandated insurance proves to be an unsustainable burden on individuals, small employers, and the government, Congress will likely impose price controls on medical treatments, and even go so far as to limit what procedures and treatments mandatory insurance will reimburse.

Madam Speaker, Congress made a grave error by forcing all Americans to purchase health insurance. The mandate violates fundamental principles of individual liberty, and will lead to further government involvement in health care. I therefore ask all of my colleagues to join me in correcting this mistake by cosponsoring the End the Mandate Act.

HONORING AWREY BAKERIES

HON. THADDEUS G. McCOTTER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 2010

Mr. McCOTTER. Madam Speaker, today I rise to honor and acknowledge Awrey Bakeries, upon its 100th anniversary. Awrey Bakeries stands in my hometown of Livonia, Michigan, as a true model of the American Dream and the persevering spirit of those bent on attaining that dream. From its humble beginnings as a one woman shop Awrey's has grown to a more than 200,000 square foot facility employing 400 people, grossing \$90 million in sales.

As Canadian farming foundered in the early 1900s, Fletcher Awrey chose to immigrate to Detroit, Michigan, in hopes of finding work in the burgeoning auto industry. To supplement the family income Fletcher's wife, Elizabeth, baked breads and pastries in her wood-fired stove and sold them to her neighbors. As demand for the baked goods grew, her sons sold them door to door.

The Awrey family opened a retail outlet in 1914 and installed mechanized baking equipment in 1929. In 1930 the company operated 32 stores. Expansion was not slowed by the Great Depression but the sugar shortage due to rationing during World War II put growth on hold. However, by 1950 Awrey's expanded to 120 locations and operated a home delivery service. The company introduced a line of frozen baked goods aimed at the food service market in 1968 and continued to experience growth for several decades after moving its present location in Livonia in the 1970s. In 2002, Awrey's was one of the first companies in the United States to receive the prestigious Bakers Seal Award from the American Institute of Baking.

After 95 years of family ownership, Awrey's Bakeries was purchased by Hilco Equity and Monomoy Capital Partners who have taken great pride in continuing the tradition of high quality baked goods that have placed the Awrey's name among Detroit's homegrown favorites.

Madam Speaker, for 100 years Awrey Bakeries has stood as a tribute to the hard work of Fletcher and Elizabeth Awrey and their family. As the company celebrates this enormous milestone, it personifies a legacy of excellence, ingenuity, and the irrepressible spirit of the American entrepreneur. Today, I ask my colleagues to join me in congratulating Awrey Bakeries and recognizing their years of loyal service to our community and country.

Mr. QUIGLEY. Madam Speaker, I rise today to recognize the long and distinguished career of Ronald J. Kelty. Mr. Kelty, a Citizen of the Ojibwe and Potawatomie Tribes of Wisconsin, and Native Veteran of the United States Army, has dedicated his life to serving the nation, the American Indian Center of Chicago, and our local community.

Mr. Kelty began his work at the American Indian Center by taking on the important leadership role of running a social service food pantry with only the help of a few volunteers. STATEMENT IN SUPPORT OF H.
RES. 1041 AND H. RES. 1042

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 2010

Mr. SIMPSON. Madam Speaker, I rise today to offer my support for H. Res. 1041 and H. Res. 1042, both offered by my colleague from Idaho, Congressman WALT MINNICK.

The resolutions honor the successes of two excellent college football programs in Idaho and commend them on their historic 2009 seasons.

H. Res. 1041 congratulates the University of Idaho's football team, led by head coach Rob Akey, for their remarkable season, capped by their thrilling come from behind victory in the Rody's Humanitarian Bowl. The success of this team marked an exceptional turnaround for a program that has struggled in the past and now is amongst the best in the conference after a stellar 2009. It can be expected that Coach Akey and his staff will continue to succeed in Moscow, where they have developed a mindset that expects to win.

H. Res. 1042 commends Boise State University for another fantastic football season in 2009. Coach Chris Peterson has developed BSU into one of the most prestigious programs in the nation. Indeed, 2009 was perhaps the most successful in Boise, with the Broncos posting a 14–0 undefeated record, culminating in a convincing victory in the Tostitos Fiesta Bowl and a number four national ranking to end the season. Coach Peterson was also awarded the Paul 'Bear' Bryant Award, as the NCAA college football national coach of the year, a deserved honor. Enough cannot be said about the work of Coach Peterson and the players to transform BSU into a national powerhouse in only a few years.

As we look ahead to 2010, we can expect more good things from both of these programs, and both of these universities. The people of Idaho are truly blessed to have such world class universities in their state.

IN MEMORY OF BOB FRANKS

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 13, 2010

Mr. HOLT. Madam Speaker, it is with great sadness that I rise to honor the life of an outstanding Member of Congress from New Jersey, Bob Franks, who passed away on Friday after a battle with cancer.

During his 14 years in the General Assembly and eight years as a member of this body, Bob was dedicated to bettering the lives of New Jerseyans.

Principled, relentless, genial and magnanimous, Bob, like few others, had the ability to work across the aisle and earn the trust and respect of political allies and opponents alike—a skill regrettably in short supply these days.

After leaving Congress, Bob remained active in public affairs—while spending more time with family than the Congressional schedule would permit—leading the HealthCare Institute of New Jersey. It was during his time

as president of the HealthCare Institute of New Jersey that I worked closely with Bob and was able to know his good nature and policy acumen first-hand. I feel fortunate to have had such an opportunity.

I ask that the Members of the House extend sympathy to Bob's wife Fran, his family and friends. He will be missed.
