HONORING COLONEL DAVID F. EVERETT

HON. NITA M. LOWEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2010

Mrs. LOWEY. Madam Speaker, I rise today to pay tribute to Colonel David F. Everett whose commitment to military and civilian service will be honored at the Jewish Board of Family and Community Services in New York on April 21, 2010.

Col. Everett's decorated military career includes Operation Desert Storm in 1991, where, as a Major, he volunteered for active duty and served in Saudi Arabia, Iraq and Kuwait. In 2005, as a Colonel, he volunteered for service in Operation Iraqi Freedom, where he was assigned to the Civilian Police Assistance Training Team. While in Iraq, Mr. Everett was the principal Coalition Forces advisor to the Director of International Affairs of Iraq's Ministry of Interior. In 2009, David again volunteered for service in Operation Enduring Freedom and was deployed to Afghanistan as a Senior Military Advisor to the Chief of Police of Kabul.

Col. Everett was twice awarded the Bronze Star for his service in Operations Desert Storm and Iraqi Freedom as well as the Department of Defense Meritorious Service Medal for his service in Afghanistan. Col. Everett serves on the Service Academy Review Board for my congressional office where he works with young people in the 18th congressional district of New York who apply for nominations to the U.S. service academies. He has helped enrich the lives of countless youth seeking the opportunity to serve their country and become active citizens.

In 1981, Col. Everett became a Big Brother with the Jewish Board of Family and Community Services, dedicating his time to mentoring youth. Now, Col. Everett is Vice President of the Board and has been a trustee for nearly 20 years.

I urge you to join me in honoring this man who truly embodies the kind of service that makes our country great.

HONORING DELFINO LOZANO III

HON. HENRY CUELLAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2010

Mr. CUELLAR. Madam Speaker, I rise today to honor Mr. Delfino Lozano III. Mr. Lozano passed away recently, but will be remembered and honored for his kindness and contributions to the people of South Texas.

Mr. Lozano was born in 1939 in Laredo, Texas, and spent the majority of his life in South Texas. He graduated from St. Joseph's Academy in 1958 and went on to St. Mary's University in San Antonio. Later, he joined the Air Force Reserves. During his time in the Air Force, he was on active duty during the Pueblo crisis for more than a year. Aside from serving his country, he co-founded Med-Loz Lease Service Inc., which is based in Zapata, Texas. He held an active role in the operations of the business, which placed as one of the Nation's top 500 Hispanic-owned businesses in the "Hispanic Business" publication. Prior to his co-founding, he worked at the Texas Employment Commission and was also an avid rancher.

While spending time with family and friends, Mr. Lozano was also deeply committed to community volunteer work. His service included the Zapata County Fair Association as past president and director, as well as the Zapata County Little League Organization as president. In 1989, the Lozano family was honored as Grand Marshals of Zapata County Fair Parade. Mr. Lozano's kindness and generosity touched many people in the form of scholarships, financial assistance for home acquisitions, and financial assistance for medical problems.

Madam Speaker, I am proud to have this opportunity to recognize the contributions of Mr. Delfino Lozano III. I thank you for this time.

IN RECOGNITION OF HOT SPRINGS NATIONAL PARK

HON. MIKE ROSS

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2010

Mr. ROSS. Madam Speaker, I rise today to recognize two milestones for Hot Springs National Park located in my home state of Arkansas. This day not only marks the 178th anniversary of Hot Springs Reservation—which later became Hot Springs National Park—but it also marks the release date of the Hot Springs National Park quarter, the first installment of the U.S. Mint's America the Beautiful Quarters program.

On April 20, 1832, Hot Springs Reservation was the first piece of federal land set aside for preservation primarily because of the area's natural hot springs, which people have used for more than two hundred years for recreation and for their therapeutic qualities. The Reservation—eventually becoming known as "The American Spa"—became Hot Springs National Park in 1921.

Because of its important place in American history, the U.S. Mint also released the Hot Springs National Quarter today as the first of

56 quarters in the America the Beautiful Quarters program, which Congress established in 2008. The U.S. Mint will subsequently release five new coins per year and one in 2021 honoring the rest of our Nation's many national parks, forests and wildlife refuges in the order they were first preserved by the federal government.

It is also fitting that we reach these two milestones during National Park Week, a time to celebrate and recognize national and state parks, national monuments, and historic sites in the United States.

I stand today proud to represent Hot Springs National Park, Arkansas. This truly is a great honor and will draw much-deserved recognition and unprecedented attention to one of our nation's most beautiful and unique national parks. God has blessed Arkansas with many natural wonders and Hot Springs National Park is just the beginning. I invite all Americans and their families to come to Arkansas and see what makes these hot springs and our state so special.

HONORING DONNA BEDNARSKI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2010

Mr. McCOTTER. Madam Speaker, today I rise to honor Donna Bednarski of Canton, Michigan at the culmination of her term as President of the American Nephrology Nurses' Association.

Throughout her career, Donna has served our community through her work as a nurse practitioner and clinical nurse specialist at Harper University Hospital in Detroit. For the past 20 years, Donna has been an active member of the American Nephrology Nurses' Association and has served in various leadership roles. Notably, since May 2009, she has served as President and worked to implement initiatives which will improve care for patients dependent on dialysis and other kidney replacement treatments.

As she concludes her term as President of the American Nephrology Nurses' Association, I ask my colleagues to join me in honoring her dedication and recognizing her years of devoted service to our community and our country.

HONORING THE CITY OF KALAMAZOO, MICHIGAN

HON. FRED UPTON

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2010

Mr. UPTON. Madam Speaker, it is with great pride I rise today in honor of the City of Kalamazoo, Michigan on the occasion of its 125th anniversary.

First settled in 1829 upon the Kalamazoo River, the city's namesake, the city was incorporated in 1885, midway between Detroit and Chicago.

Over the past 125 years, Kalamazoo has made a name for itself as a pioneer in the health sciences, industry, and higher education. The city is the birthplace of many classic American icons, such as Gibson Guitars, Shakespeare fishing rods, and Checker taxi cabs. As a leader in the medical field, Kalamazoo is also home to the Upjohn Company, the longtime pharmaceutical manufacturer, and Stryker Corporation, a global leader in the development of medical implants, equipment, and technologies. While many changes have come to the region over the years, hard work and innovation remain hallmarks of the local economy.

More recently, Kalamazoo attracted national recognition for the groundbreaking "Kalamazoo Promise," a pledge made by a group of anonymous area donors to pay the tuition for graduates of Kalamazoo's public schools to attend any of the state's public colleges or universities. This philanthropic model has since been adopted in states across the country with great success.

Kalamazoo is home to Western Michigan University, the fourth largest higher education institution in our state as well as Kalamazoo College, one of the nation's oldest and most respected higher education institutions dedicated to the liberal arts. Kalamazoo Valley Community College has distinguished itself as a national leader in the development of alternative energy and other important technologies.

Over the years, Kalamazoo has also earned a reputation as a community passionately dedicated to the arts, a reflection of its cultural diversity and exceptional level of community engagement. Kalamazoo has also produced and attracted its share of national celebrities, including New York Yankees' Derek Jeter, Green Bay Packers' Greg Jennings, Seattle Seahawks' T.J. Duckett, and American Idol favorite Matt Giraud.

Despite the great economic challenges faced by our state, the people of Kalamazoo have continued to work together, as they always have, for the benefit of their entire community. This has been the secret to the city's long success and an example for other communities to replicate.

Again, it is my honor to stand today in recognition of the City of Kalamazoo for its rich 125 year history. Here is to the next 125 years.

HONORING THE LIFE OF MARY
BUXTON WARD

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2010

Mr. HOLT. Madam Speaker, I rise to pay tribute to Mary Buxton Ward, a woman of valor and commitment who died on Tuesday, March 2nd in Princeton, New Jersey. She is mourned by her daughters, Shelley Rhodes and Heather Ward, her two grandsons, Justin and Shane Rhodes, and all who knew her and admired her life of service.

After serving with the State Department in Libya, Panama and Hong Kong, Mary returned

to the United States and eventually settled in Princeton in the 1960's. For 16 years she served as the Executive Director of the Princeton Art Association, before leaving to work with the Coalition for Nuclear Disarmament as Secretary and Assistant Director for six years. She retired in 2004 from the University Medical Center at Princeton after 20 years of service in various capacities.

But it was for her role as a volunteer and activist that Mary Ward deserves to be remembered. Never one to sit back and watch, Mary made her presence and her ideals felt. She was arrested several times for demonstrating in support of civil rights, withdrawal from Vietnam, and nuclear disarmament. Her protest against nuclear testing at the Nevada Test Site in 1986 resulted in a 5-day jail sentence. She was never afraid to fight for what she believed was right.

Mary Ward was a life-long advocate for justice. During her years in Princeton, she served on the boards of Nuclear Dialogue, Coalition for Peace Action, Federated Art Associations of New Jersey, Teamwork Dance, and as a volunteer member of the court-appointed Child Placement Review Board of Mercer County. She also volunteered with Centurion Ministries, an advocacy group for those unjustly imprisoned.

Mary Ward was not a famous woman, but she was the kind of principled, committed citizen that makes America stronger. The world is a better place because of her.

HONORING THE LIFE OF BERTEL
WACHTER HERZ

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2010

Mr. COHEN. Madam Speaker, I rise today to honor the life of Mrs. Bertel Wachter Herz, an extraordinary woman who overcame war and the death of loved ones to become a successful entrepreneur in Memphis, Tennessee. She was born to Pepi and Bernhard Wachter on January 4, 1907 in Stolberg, Germany.

Bertel Wachter Herz was the eldest of seven children, and the first to emigrate to the United States. Mrs. Herz first arrived in New York in April of 1939, and subsequently moved to Memphis with her husband, Arthur Sauerbrunn, at the request of Arthur's cousin, Phillip Belz. After settling in Memphis, Bertel worked to bring four of her siblings to the United States, providing refuge from the destruction of World War II and, thus, preventing the tragic fate that had already taken her parents and eldest brother.

Mrs. Herz, being accustomed to the working realm, found life for women in 1940's America unsatisfying. Realizing she had a natural talent for retail, Bertel opened a shop on Union Avenue called Trousseau, a shop that still continues to provide sophisticated, European-style lingerie and linens. Her elegant pieces appealed to many brides, mothers and families, which furthered Bertel's reputation for her exquisite taste and distinguished vision. Devoted employees and loyal customers alike always had nothing but the best to say about Mrs. Herz, who worked tirelessly until her retirement at age 95.

Bertel Herz was known as a woman who lived by a code of integrity, loyalty and love for

her family. Her persistence and indomitable spirit served as an inspiration to her daughter and granddaughters to be strong, independent, assertive women. Even today, the third generation of women in her family continues to manage Trousseau, which will be celebrating its 61st anniversary this year.

On March 14, 2010, Mrs. Herz passed away at 103 years of age. She is survived by her daughter, Eden, two granddaughters, Amy Friedman and Pasha Izenberg, and her sister, Regina Farber. Mrs. Herz will be remembered by her fellow Memphians for her hard work, dedication and service to Memphis.

RECOGNIZING THE NATIONAL ASSOCIATION OF LETTER CARRIERS AND THEIR 18TH ANNUAL "STAMP OUT HUNGER" FOOD DRIVE

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 20, 2010

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, I rise today to recognize Lone Star Branch No. 132 of the National Association of Letter Carriers as they prepare for their 18th annual "Stamp Out Hunger" food drive.

During the "Stamp Out Hunger" food drive, letter carriers collect nonperishable food donations along their routes for the North Texas Food Bank and food pantries. Last year they collected more than 73 million pounds of food in one day, and by so doing, they helped to feed some of the neediest people in North Texas. Their hard work is greatly appreciated, and I extend my sincere thanks for their efforts.

Often considered America's "hidden" epidemic, hunger is a problem that affects numerous individuals across the country. In 2008, roughly 49 million Americans were food insecure, meaning that they were unsure as to whether or not they would have access to food. Additionally, it is important to note that African-American and Hispanic households experience food insecurity at a much higher rate than the national average. For this reason, events like the "Stamp Out Hunger" food drive are incredibly important in helping end this tragic problem.

Madam Speaker, I encourage my fellow colleagues to join me today in recognizing the efforts of Lone Star Branch No. 132 of the National Association of Letter Carriers for their efforts in helping to end hunger in North Texas and across the country.
