WE NEED AN "ALL OF THE ABOVE" ENERGY STRATEGY NOW

**HON. ADRIAN SMITH**

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 6, 2010

Mr. SMITH of Nebraska. Madam Speaker, last week this Administration announced it would allow the private investment and development of the Cape Wind Energy Project off the coast of Massachusetts.

This is a step in the right direction, toward a real, comprehensive energy plan.

As higher energy prices hit American families, it becomes once again necessary for Congress to take an "all of the above" approach to our energy policy.

It is absolutely essential we continue to utilize our natural energy resources through research, development, and domestic exploration.

The American Energy Act, which I support, encourages clean and renewable sources of energy such as nuclear power, solar, and wind.

It also lowers fuel costs, reduces our dependence on foreign oil, and creates jobs.

We have delayed an "all of the above" energy strategy for too long. Now is the time to act.

IN HONOR OF MISS AYNSLEY TAYLOR INGLIS

**HON. MICHAEL N. CASTLE**

OF DELAWARE

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 6, 2010

Mr. CASTLE. Madam Speaker, it is with great pleasure that I rise today to recognize Aynsley Taylor Inglis, a Delaware native, who has been selected to compete in the International Ballet Competition this summer. This competition is the most prestigious international competition held in North America, with contestants from around the globe com-

peting every four years in an Olympic style event. This is truly a remarkable accomplishment, as Miss Inglis' selection to this competition distinguishes her as being among the elite professional ballerinas in the world.

As a participant in the International Ballet Competition held in Jackson, Mississippi, Aynsley will represent the First State Ballet Theatre, her home State of Delaware, and the United States of America. She will be one of only six American competitors in a field of 39 professional female ballerinas from around the world. According to the USA International Ballet Competition Executive Director, Sue Lobrano, there were a record number of applicants for this year's event, making it the most competitive year in the history of the prestigious competition.

I commend Aynsley for her hard work and tireless dedication to achieving excellence within her profession, and because of her commitment to excellence, she is truly deserving of this great honor. I have the utmost confidence that Aynsley will make us proud by representing our State and Nation with grace and poise.

COMMEMORATING THE KIDNEY DIALYSIS SEMINARS KICK-OFF

**HON. JOHN H. ADLER**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 6, 2010

Mr. ADLER of New Jersey. Madam Speaker, I rise today to commemorate the Kidney Dialysis Seminars annual 'KDS Kick-Off' taking place on May 6, 2010. KDS is a non-profit organization that provides quality motivational education events for patients on dialysis throughout South Jersey.

I would particularly like to honor KDS for their efforts coordinating this event, and for their tremendous commitment to educating the community about Chronic Kidney Disease and renal disease. The proceeds from the event will support its valuable programs, such as motivational education seminars and cooking demonstrations to encourage patients to adhere to their treatment regimens and enhance their quality of life.

More than 20 million Americans have chronic kidney disease, which if left untreated can lead to End Stage Renal Disease. Complications associated with kidney disease are common, but can be reduced if appropriate education is provided prior to the onset of renal failure. KDS helps people with a number of steps chronic kidney disease patients can take to reduce renal failure and better prepare themselves for dialysis, including making lifestyle changes, learning about renal replacement options, and seeking a compatible kidney donor.

Kidney disease cannot be reversed, but, with appropriate education, its effects can be slowed, improving the quality of life for renal patients. Madam Speaker, please join me in applauding the efforts of the Kidney Dialysis Seminars organization. I am confident that this event will do much to increase support and funding for those whose lives are intimately affected by chronic kidney disease.

RECOGNIZING THE 50TH ANNIVERSARY OF THE DOERBIRDS OF TRAINING SQUADRON TWO

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 6, 2010

Mr. MILLER of Florida. Madam Speaker, it is my great pleasure to rise and recognize the 50th anniversary of the Doerbards of Training Squadron Two. Over the years, the Doerbards have served our country with great distinction and valor. For their commitment to training outstanding student aviators, Training Squadron Two rightfully holds a place in the annals of naval history. For that reason, I am proud to recognize the Doerbards of Training Squadron Two for their exceptional training and excellent performance over the last 50 years.

The current Doerbards of Training Squadron Two picked up the torch lit by their predecessors on May 1, 1960. On that day, Training Squadron Two was commissioned with the task of providing primary and intermediate stage flight training to select student aviators from the United States Navy, Marine Corps, Coast Guard and several allied nations. Each year Training Squadron Two graduates approximately 210 student aviators. Logging nearly 2,000 flight hours each month, they have flown in excess of 1,800,000 flight hours and trained more than 19,000 students since their commissioning.

To mark this great occasion, the Doerbards will be honoring a great man and one of their own. Major Daniel S. Haworth is one of the many distinguished pilots to be a part of Training Squadron Two. Major Haworth was an instructor pilot with the Doerbards from 1981 to 1985. While Major Haworth logged over 1,000 hours in the T-34C Turbomentor aircraft and was honored by being named instructor of the month four times, his greatest legacy is one that will always be remembered for its level of courage and selflessness in the face of adversity. On October 4, 1987, Major Haworth was flying a night vision goggle shooting exercise in his UH-1N Huey helicopter. During the exercise, the aircraft suffered a tail rotor malfunction. Sacrificing his life, the courage and composure displayed by Major Haworth at the controls are solely attributed for the survival of all the crewmembers on board.

Madam Speaker, on behalf of the United States Congress, I am privileged to recognize the Doerbards for going above and beyond the call of duty on their 50th anniversary. To this day, the Doerbards of Squadron Two continue to provide the highest quality training to student aviators. As they remain resolute and steadfast to doing their part to defend our nation, we must do our part to remember their unwavering commitment with our hearts and minds.

PRINCESS HIRRIHIGUA DAR CHAPTER OF ST. PETERSBURG, FLORIDA CELEBRATES ITS 100TH ANNIVERSARY

**HON. C.W. BILL YOUNG**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 6, 2010

Mr. YOUNG of Florida. Madam Speaker, The Daughters of the American Revolution Princess Hirrihigua Chapter of St. Petersburg, Florida will celebrate its 100th anniversary this Saturday.

This is a milestone event for the chapter's members who take great pride in fulfilling their motto of "Service to God, Family and Country." Indeed, under the leadership of Regent Gayle Freeland, Vice Regent Deborah Magiolo, Chaplain Sarah Osterholt, Recording Secretary Judith Sallops, Treasurer Patricia Strait, Registrar Diana Clemons, Historian Norma Sandvig and Librarian Mary Nic Dodd, the chapter has done just that.

Chapter members have made it their priority to support our men and women serving abroad with their cards, letters and packages.

This is a tradition that has carried forth ever since their founding in 1910 as they have supported our service members in every war and overseas conflict since then. In addition to serving our current heroes, they also serve our heroes of the past at our local VA hospitals in Bay Pines and Tampa.

Named for the famous Princess Hirrihigua Indian Mound on Pinellas Point in St. Petersburg, Florida, the chapter members hold firm to the study of the history of our area and our nation. They provide scholarships to high school students going off to college, they hold an American History Contest for students, they honor Good Citizenship Medals to Junior Achievers, and they provide support to DAR schools for underprivileged students in Florida and three other southeastern states.

Madam Speaker, the women of the Princess Hirrihigua Chapter of the DAR are proud of our nation's history and of their service to our nation's heroes and they seek to instill that pride in our next generation of citizens. Please join me in congratulating these women for their 100 years of service to our nation and to our heritage.

WELCOMING HONOR FLIGHT SOUTH ALABAMA TO WASHINGTON, DC

**HON. JO BONNER**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 6, 2010

Mr. BONNER. Madam Speaker, it is with great pride and pleasure that I rise to commend Honor Flight South Alabama and the 98 World War II veterans this very special organization is bringing to Washington, DC on May 12, 2010.

Founded by the South Alabama Veterans Council, Honor Flight South Alabama is an organization whose mission is to fly heroes from Mobile, Baldwin, Washington, Clarke, Monroe, Covington, and Escambia counties in Alabama to see their national memorial.

Over six decades have passed since the end of World War II and, regrettably, it took nearly this long to complete work on the memorial that honors the spirit and sacrifice of the 16 million who served in the U.S. armed forces and the more than 400,000 who died. Sadly, many veterans did not live long enough to hear their country say "thank you" yet, for those veterans still living, Honor Flight provides for many their first—and perhaps only—opportunity to see the National World War II Memorial, which honors their service and sacrifice.

This Honor Flight begins at dawn when the veterans will gather at Mobile Regional Airport to board a US Airways flight to Washington. During their time in their nation's capital, the veterans will visit the World War II Memorial, Arlington National Cemetery, and other memorials. The veterans will return to Mobile Regional Airport Wednesday evening, where some 1,000 people are expected to greet them.

Madam Speaker, today's journey of 98 heroes from south Alabama is an appropriate time for us to pause and thank them—and all of the soldiers who fought in World War II—for they collectively—and literally—saved the world. They personify the very best America
