TRIBUTE TO CHIEF STAN CROSBLEY, SIDNEY DEPARTMENT OF FIRE AND EMERGENCY SERVICES

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 20, 2010

Mr. JORDAN of Ohio. Madam Speaker, it is my honor to commend to the House the admirable service of R. Stanley Crosley, chief of the city of Sidney's Department of Fire and Emergency Services, as he retires after a career of more than three decades with the city.

Joining the department in 1978, Stan was tapped to serve as chief in 1992. Under his leadership, the department has continually met the challenges inherent to the lifesaving work entrusted to it. The chief is hailed by his colleagues and peers for setting up a joint city-county fire investigation unit, initiating firefighter wellness programs, and expanding Sidney's fire prevention program.

Stan was named Shelby County Firefighter of the Year in 1977. He received the county's Distinguished Service Award in 2002 and the Ohio Fire Chiefs Association's Distinguished Service Award in 2006. In addition, he served as President of the OFCA from 2002 to 2004.

His dedication to civic duty is further expressed in his work with the Shelby County United Way and Wilson Memorial Hospital.

Stan received the department's Distinguished Service Award, its highest honor, at a Sidney City Council meeting earlier this month. This Friday, the department will host an open house where the public will gather to thank him for his 32 years of service on their behalf.

I am proud to join the Chief's fellow firefighters in congratulating him on his long and distinguished career in public safety. He established a solid foundation on which his successor can continue to build to the benefit of everyone in Sidney.

We wish Stan and his wife, Carole, every success as they move to a new chapter in their lives.

TAKE COMFORT, IN HONOR OF A REAL AMERICAN HERO, CPT KYLE A. COMFORT, THE UNITED STATES ARMY 3RD BATTALION 75TH RANGER REGIMENT

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 20, 2010

Mr. ROGERS of Alabama. Madam Speaker, I rise today to honor, and to mourn the death

of a brilliant American hero, from my great state of Alabama, Ranger Captain Kyle A. Comfort. On May 8, 2010, Kyle gave that last full measure for God and country in Afghanistan. Our prayers are with him, his lovely wife Brooke Catherine, and their new daughter Kinleigh Ann. May our Lord hold them in his arms, I ask that this poem penned in honor of him, by Albert Caswell be placed in the RECORD.

TAKE COMFORT

Take Comfort!

As you lay your head down to sleep . . .
All in your hearts of love, so very deep . . .
Of all of those most precious memories, so to keep!

Of all of those Magnificent Ones, who have so brought us peace . . .

But, with their fine lives . . . as it's but for them we now so weep!

Take Comfort!

In such hearts of honor and love . . . so very deep!

Who to all of ours so brilliantly do so speak!
As a gentle rain, rolls across Alabama this night . . . All in our sleep . . .

Are but our Lord's tears, coming down from Heaven from his heart so very deep . . .
All because of you Kyle, and your most selfless sacrifice so very sweet . . .

And all of this pain, your family must now so ever keep!

Take Comfort!

In hearts, now so very deep . . .

As this you must, believe!

That a new Angel, our Lord God . . . up in Heaven, has so received!

To watch over us, indeed!

To fight the darkness, you see!

And on this day, as you hold your family so very tight!

And all, seems so very right!

All because of a Hero, who for us has so died this night!

Because, Freedom is not Free!

But, bought and paid for . . . by all of these, most selfless souls . . . so indeed!

By men like Kyle, our Most Brilliant of All Lights!

And the families, who now so cry . . . all in their tears of heartache, this night!

So, hush little baby Kinleigh Ann . . . don't you cry!

For one day, up in Heaven you will look into your fine Father's eyes!

And you, Brooke . . . his lovely wife . . .

Your Hero Kyle, but wants you to have a happy life!

For there will be an eternity together, up in Heaven so very bright!

So this night, as you lay your head down to rest . . . but remember, all of our very best!

Take Comfort, all in how . . . our world they bless!

My Lord, Take Comfort . . . he's yours . . . as we lay his body down to rest!

Amen!

Mr. WILSON of South Carolina. Madam Speaker, last night, members of the House Armed Services Committee completed the markup of the 2011 National Defense Authorization Act. I want to thank Chairman IKE SKELTON and Ranking Member BUCK MCKEON for working to ensure America's heroes and military families are recognized for their service.

I am grateful for the "Defend America Plan" comprised of several amendments that include: labeling the Fort Hood and Little Rock shootings as part of the Global War on Terrorism; preventing the transfer of detainees from Guantanamo Bay; and demanding strategies to deal with Iran's missile and nuclear threat.

I want to thank my colleagues for supporting my amendment to ensure TRICARE is protected from the health care takeover. Their support is also appreciated on my Yucca Mountain amendment to help examine the reckless decision to close the waste repository and my amendment to promote the State Guard.

In conclusion, God bless our troops, and we will never forget September 11th in the Global War on Terrorism.

CONGRATULATING PASTOR
ARTHUR JACKSON, III

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 20, 2010

Mr. MEEK OF Florida. Madam Speaker, I am pleased to recognize and extend my congratulations to Pastor Arthur Jackson, III on his 19th anniversary of pastoral ministry in service to Antioch Missionary Baptist Church of Carol City, Florida.

A native of South Florida, Pastor Jackson was born to Reverend and Mrs. Arthur Jackson, Jr. on May 5, 1964. Pastor Jackson was licensed as a Minister on October 9, 1988, at the New Shiloh Missionary Baptist church in Miami, Florida where he served as an Associate Minister under the leadership of his father, Rev. Arthur Jackson, Jr.

Pastor Jackson became Senior Pastor of Antioch Missionary Baptist Church of Carol City on March 8, 1991. Under his leadership, the Church has grown from the "Faithful Fifty" members to a blossoming ministry of over 7,000 that continues to grow at record pace.

To accommodate the tremendous membership growth, several phases of building expansions have been realized under the direction of Pastor Jackson. Phase One, a 17,500 square foot Worship Center, has already been completed. Another building project is in the planning and design stages and should be completed within the next three years. This project will add an additionally 126,000 square feet to the Worship Compound. The Church has 75 established ministries.

Often sought over much of the United States as an evangelist, speaker and lecturer, Pastor Jackson often travels to spread "Good News of the Gospel." His radio broadcast can be heard weekly on WMBM-AM 1490 in Miami, Florida. He is married to Jacquaneise Jackson. They are blessed with one daughter, Jaden.

Madam Speaker and my colleagues, I ask that you join me in honoring Pastor Arthur Jackson, III, a humble servant of God, a true beacon of hope and a guiding light in the 17th Congressional District of Florida.

Mr. HALL of Texas. Madam Speaker, it is a privilege to rise today in honor of a dear woman of God, and my friend Sister Damian Murphy, Vice President of Mission Integration at Christus St. Michael Health System in Texarkana, Texas.

A native of County Cork, Ireland, Sister Damian joined the Sisters of Charity of the Incarnate Word in 1950. She graduated from Sacred Heart Dominican College in Houston, TX, with a B.S. in Nursing and holds a Master of Science in Health Care Administration from the University of Houston, Clear Lake City.

She also completed one year of intensive study in theology at the School of Applied Theology, Berkeley, CA; one year of study in pastoral ministry at St. Madeleine Sophie Center for the Mentally Underdeveloped in El Cajon, CA; and study in clinical pastoral education from St. John's Regional Medical Center, Oxnard, CA.

Her role developed into that of Vice President of Mission Integration, where she daily reaffirms to staff and community the mission of Christus St. Michael which is extending the healing ministry of Jesus Christ.

COURT APPOINTED SPECIAL
ADVOCATES (CASA)

HON. LORETTA SANCHEZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 20, 2010

Ms. LORETTA SANCHEZ of California. Madam Speaker, I rise today in recognition of a very special non-profit organization in my district, Court Appointed Special Advocates (CASA), who celebrates 25 years of being the voice for abused and neglected children in Orange County.

Founded in 1985, CASA of Orange County is dedicated to providing quality intervention and advocacy services for children who are caught up in the courts and unable to safely live at home—many of whom are abused, abandoned and neglected children.

CASA of Orange County began with 15 volunteers and now has over 700 volunteers serving as mentors and advocates for child abuse victims.

In Orange County, on any given day, there are over 2,500 children and teens in foster care who have been removed from their homes due to chronic or severe abuse.

In a sea of social workers, attorneys, therapists and caregivers, it's the court appointed volunteer who is a consistent and caring friend and advocate for the child.

I want to commend CASA's volunteers and staff who are heroes to many of these children.

Thank you for your compassion and commitment to positively influencing the lives of these very special children—one child at a time.

DRILLING MORATORIUM—NOT SO
FAST

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 20, 2010

Mr. POE of Texas. Madam Speaker, in response to the BP oil spill, Secretary Salazar ordered a prohibition for the Minerals Management Service from issuing any new offshore drilling permits including both shallow water and deep water offshore drilling. While it is important to fully determine the cause of any accident of this magnitude, and learn from the mistakes, the unintended consequences of this wide ranging ruling are far reaching. I believe that a ban on new permits for both shallow water and deepwater drilling is an over-reaction that has the potential to cause widespread economic damage to the Gulf Coast.

Shallow water drilling is fundamentally different from deep water drilling, and has operated in the Gulf safely for 60 years. First of all, drilling in shallow waters is primarily for natural gas. The oil remaining in these reservoirs has been largely produced, so it is at lower pressures than the oil found at deeper depths. Second, the blowout preventers in shallow water drilling are located above the sea surface, as opposed to the sea floor with deep water drilling. So, most of the problems we have seen with the blowout preventer in the BP spill would not be present in shallow water drilling.

Additionally, water temperatures are warmer in shallow water, and relief wells can be drilled much quicker and easier than in deeper water. The bottom line is that shallow water and deep water drilling are fundamentally different—yet this prohibition treats them the same.

For these reasons, I believe the Secretary of the Interior should allow new drilling permits to be issued for shallow water drilling in the Gulf immediately. Swift action is imperative, as up to 50 drilling rigs will complete wells in the next six weeks and will be unable to accept new work as long as the current ban on new permits is in effect. Additionally, shallow water drilling wells operate on a much shorter time frame for permitting than deep water wells, sometimes as little as 30–60 days. Therefore, it will be the shallow water drilling that is the most adversely affected in the short term by this ban on new permitting.

With over 180,000 Americans directly employed in the oil and gas and mining industries along the Gulf Coast, the prospect for severe economic hardship is very real. This hardship will only be compounded by the already high unemployment rates found along the Gulf Coast and throughout our country. In Port Arthur, Texas, unemployment is hovering around 15 percent.

Additionally, offshore crude production accounts for around 30 percent of total U.S. crude oil production, so it is vital to our energy supply that safe offshore drilling resume as quickly as possible. We cannot afford to give up a source of domestic energy and American jobs at this time. I urge Secretary Salazar to immediately lift the ban on new permitting for shallow water drilling.

And that's just the way it is.
