MOMENT OF SILENCE FOR HAITI EARTHQUAKE VICTIMS

(Ms. LEE of California asked and was given permission to address the House for 1 minute.)

Ms. LEE of California. Madam Speaker, I rise to ask for a moment of silence for the people of Haiti, for the American citizens in Haiti, for the Haitian American community, and for all of those whose families and friends have been injured or killed in this devastating earthquake. Of course, Haiti has suffered through many challenges and crises—earthquakes, hurricanes, food insecurity, hunger, poverty. Haiti needs increased attention and resources from the United States and the international community to help it recover during this difficult period. Of course, at this moment our priority is search and rescue.

We have been in touch with the administration, and the President is quickly deploying all available assets and resources to assist. We ask the global humanitarian community to help us in this massive, massive undertaking. Our commitment to Haiti must extend beyond this emergency period to recovery and to rebuilding efforts. Our thoughts and our prayers go out to all of those who have been impacted by this catastrophe of enormous proportions.

CONCERN FOR THOSE MISSING IN
THE HAITIAN EARTHQUAKE

(Ms. JACKSON LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE of Texas. Mr. Speaker, I want to join my colleagues, so many of whom I have heard discussing on the floor of the House the overwhelming tragedy, the catastrophic incident that has occurred in our neighboring country of Haiti. But I particularly want to offer my deepest sympathy to my constituents, my Haitian American constituents in Houston, Texas, many of whom are suffering because their relatives are in Haiti, and they cannot find them.

I wanted to acknowledge a delegation of Rotary Club members from Houston, Texas, who came to Haiti just yesterday, and their family members are expressing concern for their location and status. It makes it relevant to know that this hurricane-like earthquake is the largest earthquake that we've seen in the Western Hemisphere over the last number of years. We know that all resources have to be pointed toward Haiti. To the United Nations, for the losses they are experiencing, my sympathy. To the Haitian Government, my sympathy. And my commitment is that you will never walk alone. We will stand with you in this battle to recover Haiti.

DEFICITS MADE IN CALIFORNIA
SHOULD STAY IN CALIFORNIA

(Mr. MCCLINTOCK asked and was given permission to address the House for 1 minute.)

Mr. MCCLINTOCK. Mr. Speaker, yesterday I addressed the demand of Governor Schwarzenegger for Federal aid by noting the devastating impact that his tax increases have had on California's economy. Tax increases that were supposed to bring in \$13 billion of additional revenue have, instead, crushed California's brittle economy and cost \$10 billion in lost revenues in just 9 months.

California's revenue problem isn't the only thing that was made in Sacramento. Their spending problem is also self-inflicted. When Schwarzenegger took office, California was spending \$78 billion a year. Instead of hitting the brakes, he hit the accelerator and in just 4.5 years increased spending by a stunning 40 percent. When State revenues peaked at their all-time high in July of 2008 at \$97 billion, California was already running a \$9 billion deficit.

Mr. Speaker, budget deficits that are made in California need to stay in California, and that goes for the 49 other States as well.
