

eyes because someone has said by definition it doesn't exist? That is what is going on here.

They will argue by definition they don't want to fund illegals, but the result is 6.1 million illegals taking advantage of the Senate version of the bill by the calculations of the non-partisan Congressional Budget Office. The House version funds illegals. The Senate version funds illegals. And the House version, I know a little better, it funds them in a myriad of ways.

Also, the Senate version funds abortion with American people's tax dollars. That is something also that the President says they are not doing. That is something that the Speaker of the House says they are not doing. And I haven't actually heard Majority Leader HARRY REID say one way or the other.

But there are a couple of ways that this happens. One of them is in this chart right here. And so, Madam Speaker, it goes like this:

When you have Americans that have to fund into these three different systems, pay taxes, or enroll in an exchange plan, or enroll in an exchange plan that covers abortions, some of them will be enrolled in an exchange plan that covers abortions unintentionally because their employer will offer that. And they will sign up and they won't ask the question, and they won't know that their premium is going to fund abortion. But in any case, they will enroll in the red version here that funds abortions.

Mr. GOHMERT. Would the gentleman yield?

Mr. KING of Iowa. I would yield.

Mr. GOHMERT. If you look at page 122, the exact point is made that you are making. It says that there is at least one such health care plan that provides coverage of services described in clauses i and ii of subparagraph (b).

You look at subparagraph (b)(i), and it says: The services described in this clause are abortions for which the expenditure of Federal funds appropriated for the Department of Health and Human Services is not permitted based on the laws in effect at the date that is six months before the beginning of the plan year.

So this has actually misled people into thinking, oh, there is a provision here that prevents you from using money—

I am sorry. We were told we had 6 minutes, and we have used 4. Okay.

Mr. KING of Iowa. In that case, I take the gentleman's point and I think it has been driven home effectively by this chart and the language that we know.

Mr. Speaker, I appreciate your indulgence. And if I called you Madam Speaker, I apologize. I didn't have a rearview mirror. And I yield back the balance of my time.
