CONGRESSIONAL RECORD—HOUSE

nongroup or individual market. Right now, you only have this tax break if you're an employee of a corporation. That is not fair to all Americans. Everyone should have that same tax break.

The beauty of that is that you would have a tax advantaged purchase price on your health care premiums and you would own that premium. It wouldn't have to come to you through your job. and then it would be portable. If you go to another job, if you transfer, if you lose your job, you don't lose your coverage. It goes with you when you buy it yourself. That is why that point is so important.

Number two, coverage is truly owned by the patients. Like I said, this gives greater choice and portability and it expands the individual market. We can also, to accomplish this goal, create pooling mechanisms such as association health plans. I have friends who are Realtors in the real estate industry. They would love to form a national association of real estate agents and brokers and employees all over this country. That association would have tremendous buying power and economies of scale, but right now, that is prohibited by law. That is a commonsense solution that Republicans have offered and, I dare say, would have bipartisan support by this body.

And thirdly, we need to rein in outof-control costs, and 3400 does that as well. It reforms the medical liability system. It establishes administrative health care tribunals—you could call them health courts-in each State and adds affirmative defense through provider-established best practice measures. That would be a defense if you're charged with some kind of malpractice as a provider. This would encourage, also, the speedy resolution of claims and would cap noneconomic damages.

So, Mr. Speaker, let me just conclude by saving that there are reforms that the Republicans have offered that would be not a massive overhaul of one-sixth of our Nation's economy and that would incorporate free market mechanisms and procedures that the American people would be much more comfortable in. If you look at the polling. Americans do not want a massive takeover of health care.

At this point, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Missouri (Mr. SKELTON) that the House suspend the rules and agree to the resolution. H. Res. 1075, as amended.

Mr. BUCHANAN changed his vote from "nay" to "yea."

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

HONORING FORMER INTERIOR SECRETARY STEWART UDALL

(Mr. PASTOR of Arizona asked and was given permission to address the House for 1 minute.)

Mr. PASTOR of Arizona. Madam Speaker, it is with great sadness that I inform the House that former Interior Secretary Stewart Udall, father of our former House colleague, Senator TOM UDALL, and uncle of our other former Member, Senator MARK UDALL, passed away this morning at his home in Santa Fe, New Mexico, surrounded by his family. He was 90 years old.

Stewart Udall was born in St. Johns, Arizona, on January 31, 1920, to the former Supreme Court Justice Levi S. Udall and Louise Lee Udall. He attended the University of Arizona where he earned undergraduate and law degrees.

During World War II, Stewart served 4 years in the United States Air Force as a gunner. He flew 50 missions over Western Europe for which he received the Air Medal with Three Oak Leaf Clusters.

In 1954, Stewart was elected to serve from Arizona's Second Congressional District to the U.S. House of Representatives. He was elected to serve four terms in Congress, which he did with great distinction.

In 1960, he proved instrumental in helping persuade Arizona Democrats to support then-Senator John F. Kennedy during the Democratic National Convention. Upon election in 1960, President Kennedy appointed Stewart Udall Secretary of the Interior, where his accomplishments under Presidents Kennedy and Johnson made him an icon in environmental and conservation communities.

Legislative achievements from Secretary Udall's Cabinet career include the Wilderness Act of 1964, the Wild and Scenic Rivers Act, the expansion of the National Park System, and the creation of the Land and Water Conservation Fund.

Until his passing, Stewart Udall continued his dedication to public service as an author, historian, scholar, lecturer, and environmental activist, lawyer and citizen of the outdoors. He was the last surviving member of the President Kennedy's original Cabinet.

Stewart Udall was preceded in death by his wife of 55 years, Erma Lee Udall. He is survived by his six children, TOM, Scott, Lynn, Lori, Denise, and Jay, and other family members including eight grandchildren.

The country is greater for Stewart Udall's service, and on behalf of the House I wish to extend my deepest condolences to the Udall family. I ask that we join for 1 minute of remembrance. I thank the House.

PARLIAMENTARY INQUIRIES

Mr. FLAKE. Madam Speaker, I have a parliamentary inquiry.

The SPEAKER pro tempore (Ms. BALDWIN). The gentleman will state his parliamentary inquiry.

Mr. FLAKE. Many of us are confused about the last vote we took. We just need to see if we have it right.

We had the vote to include TRICARE for life because it is not included in the Senate bill that we will vote on tomorrow. Is that correct?

The SPEAKER pro tempore. Members may consult the respective legislative texts.

Mr. FLAKE. Madam Speaker, I have a further parliamentary inquiry.

The SPEAKER pro tempore. The gentleman will state his parliamentary inquiry.

Mr. FLAKE. Madam Speaker, it is our understanding that the Senate bill did not include coverage for TRICARE for life in the vote that we will take tomorrow. And so we are amending a bill that hasn't been passed yet. Is that correct?

I apologize. I meant to say TRICARE. not TRICARE for life.

It is our understanding here that the Senate bill that we will vote on tomorrow does not include coverage for TRICARE. Is that correct?

The SPEAKER pro tempore. Members may consult the relevant legislative text and come to their own conclusions.

Mr. FLAKE. I thank the Chair.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Without objection, 5-minute voting will resume. There was no objection.

THE JOURNAL

The SPEAKER pro tempore. The unfinished business is the question on agreeing to the Speaker's approval of the Journal, on which the yeas and navs were ordered.

The question is on the Speaker's approval of the Journal.

This will be a 5-minute vote.

The vote was taken by electronic device, and there were-yeas 211, nays 186, not voting 33, as follows:
