Ms. KILPATRICK of Michigan, Mr. Speaker. I was unable to attend to several votes today. Had I been present, I would have voted "aye" on Final Passage of H. Res. 1186, "aye" on Final Passage of H.R. 3976 and "aye" on Final Passage of H.R. 4592 as amended.

### HEALTH CARE REFORM

(Mr. CRENSHAW asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CRENSHAW. Mr. Speaker, I think we all know that Sunday night the health care bill passed the House, and today it's Tuesday, and there is an awful lot of celebrating going on. But I can tell you firsthand that a lot of people are not celebrating. In fact, a lot of people are very unhappy this bill passed. And I heard from them last night because I had one of my regularly scheduled live telephone town hall meetings, and at the peak of that town hall meeting, we had almost 8,000 people on the call.

And I asked the question, Do you feel that your concerns were heard by the Democratic leadership before that bill was brought to the House? Well, 86 percent of the people said no. And later in that town hall call I said, Do you favor or oppose this health care bill? Ninety percent of the people on that call said we do not favor that bill.

And I happen to listen to my constituents. That is why I spoke out against this bill, this government takeover. That's why I'm going to continue to speak out, and I'm going to work to make a better way.
