MOURNING THE LOSS OF PRESIDENT OF POLAND AND OTHER MEMBERS OF THE POLISH DELEGATION

The SPEAKER. The Chair would ask all present to rise for the purpose of a moment of silence.

Mr. LIPINSKI. Madam Speaker, I ask unanimous consent to speak out of order.

The SPEAKER. Without objection, the gentleman from Illinois is recognized for 1 minute.

There was no objection.

Mr. LIPINSKI. We have all heard of the tragic events that occurred over the weekend in Russia where an official delegation from Poland, including President Lech Kaczynski, the First Lady, and 94 others, were killed in a plane crash.

This tragedy is made only more painful by the fact that they were traveling to commemorate the Katyn massacre, the 1940 murder of more than 20,000 Polish officers, intellectuals, and others by the Soviet secret police.

The citizens of the United States and Poland have a deep and long-lasting friendship based on mutual values and respect, and we are proud to call Poland a trusted and close ally.

Today we are joined by Polish Ambassador Robert Kupiecki and others from the Polish Embassy. As we mourn the loss of the President and other members of the Polish delegation, we extend our most solemn condolences to their families, the people of Poland, and those of Polish descent everywhere.

I now request that we observe a moment of silence to honor those who passed away in this tragic event.

MOMENT OF SILENCE

The SPEAKER. The Chair asks that the House now observe a moment of silence in solidarity with the people of Poland and in remembrance of those who lost their lives in that terrible tragedy.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

NOTICE OF INTENTION TO OFFER RESOLUTION RAISING A QUESTION OF THE PRIVILEGES OF THE HOUSE

Mr. FLAKE. Mr. Speaker, pursuant to clause 2(a)(1) of rule IX, I hereby notify the House of my intention to offer a resolution as a question of the privileges of the House.

The form of my resolution is as follows:

Whereas, the Committee on Standards of Official Conduct initiated an investigation into allegations related to earmarks and campaign contributions in the Spring of 2009.

Whereas, on December 2, 2009, reports and findings in seven separate matters involving the alleged connection between earmarks and campaign contributions were forwarded by the Office of Congressional Ethics to the Standards Committee.

Whereas, on February 26, 2010, the Standards Committee made public its report on the matter wherein the Committee found, though a widespread perception exists among corporations and lobbyists that campaign contributions provide a greater chance of obtaining earmarks, there was no evidence that Members or their staff considered contributions when requesting earmarks.

Whereas, the Committee indicated that, with respect to the matters forwarded by the Office of Congressional Ethics, neither the evidence cited in the OCE's findings nor the evidence in the record before the Standards Committee provided a substantial reason to believe that violations of applicable standards of conduct occurred.

Whereas, the Office of Congressional Ethics is prohibited from reviewing activities taking place prior to March of 2008 and lacks the authority to subpoena witnesses and documents.

Whereas, for example, the Office of Congressional Ethics noted that in some instances documents were redacted or specific information was not provided and that, in at least one instance, they had reason to believe a witness withheld information requested and did not identify what was being withheld.

Whereas, the Office of Congressional Ethics also noted that they were able to interview only six former employees of the PMA Group, with many former employees refusing to consent to interviews and the OCE unable to obtain evidence within PMA's possession.

Whereas, Roll Call noted that "the committee report was five pages long and included no documentation of any evidence collected or any interviews conducted by the committee, beyond a statement that the investigation 'included extensive document reviews and interviews with numerous witnesses.'" (Roll Call, March 8, 2010)
