So the amendment was agreed to.

The result of the vote was announced as above recorded.

Stated for:

Ms. BORDALLO. Mr. Chair, I was absent from the Chamber today, Thursday, April 15, 2010, due to the travel schedule for my return to my district on account of official business. Had I been present for the rollcall votes taken today in the Committee of the Whole House on the State of the Union on the amendments that were offered to H.R. 4715, the Clean Estuaries Act of 2010, I would have voted as follows: “aye” on the amendment offered by Ms. SHEA-PORTER of New Hampshire (rollcall vote 207).

The CHAIR. There being no further amendments, under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. WEINER) having assumed the chair, Mr. CUELLAR, Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 4715) to amend the Federal Water Pollution Control Act to reauthorize the National Estuary Program, and for other purposes, pursuant to House Resolution 1248, he reported the bill back to the House with sundry amendments

adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Pursuant to House Resolution 1248, the question on adoption of the amendments will be put engros.

The question is on the amendments.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mr. JORDAN of Ohio. Mr. Speaker, I have a motion to recommit.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. JORDAN of Ohio. I am.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Jordan of Ohio moves to recommit the bill H.R. 4715 to the Committee on Transportation and Infrastructure to report the same back to the House forthwith with the following amendments:

Page 13, strike lines 1 through 3, and insert the following:

“(1) IN GENERAL.—There is authorized to be appropriated to the Administrator an amount as determined under paragraph (3) for each of fiscal years 2011 through 2016 for—
 Page 14, line 2, strike the closing quotation marks and the final period.

Page 14, after line 2, insert the following:

“(3) AMOUNT OF AUTHORIZATION.—In any fiscal year following a fiscal year in which there is no national deficit, the amount authorized under paragraph (1) shall be \$50,000,000. In any fiscal year following a fiscal year in which there is a national deficit, the amount authorized under paragraph (1) shall be \$35,000,000.”.

Mr. JORDAN of Ohio (during the reading). Mr. Speaker, I ask unanimous consent that we dispense with the reading.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?

Mr. OBERSTAR. I object. I only just received the amendment. I want to read it.

The SPEAKER pro tempore. Objection has been heard.

The Clerk will continue.

The Clerk continued to read.

The SPEAKER pro tempore. The gentleman from Ohio is recognized for 5 minutes.

Mr. JORDAN of Ohio. Mr. Speaker, I have a simple motion that every American can understand. It says: Stop the out-of-control spending until we balance the budget and get our fiscal house in order. People are worried. They are worried about what this Congress is doing to their children's futures, and rightly so.

This year, the Federal Government will take in \$2.1 trillion but will spend \$3.6 trillion. Let me say that again. It will take in \$2.1 trillion and spend \$3.6 trillion. Only in Congress does that math make sense. That's like a family

making \$50,000 a year but spending \$80,000. If that were your family, Mr. Speaker, making 50 and spending 80, you'd do something about it. You'd cut back. You'd tighten the belt. You'd make responsible decisions. But not this Congress. No, not this Congress. This Congress is spending like there is no tomorrow.

This year, the Federal Government will run a deficit of at least \$1.4 trillion. That's 10 percent of GDP. Any economist in the world will tell you that deficits shouldn't be more than 2 or 3 percent of GDP.

What are we spending money on today? Estuaries. That's right. Estuaries. Most Americans have probably never heard of the term.

With our Nation over \$12 trillion in debt, borrowing money from China every day to pay our bills, taking in \$2.1 trillion, spending \$3.6 trillion, record deficits as far as the eye can see, not dealing with the energy crisis, not dealing with the entitlement crisis, replacing freedoms with mandates, replacing private-sector growth with 16,000 new IRS agents, what are we spending people's money on today, on Tax Day? We are spending it on estuaries, a massive increase in funding for estuaries.

Mr. Speaker, come on. Americans are taking to the streets all across the country today, Tax Day, dumping tea in the harbor and standing up against Congress, which is bankrupting their country. What are the Democrats offering them? More spending on estuaries.

Mr. Speaker, before Congress even considers doubling the funding for this program or any other nonessential spending, we must first balance the Federal budget and begin paying down some of the money we borrowed from China and other countries. Estuaries can wait, Mr. Speaker, but fiscal responsibility cannot.

All this motion says is to keep the spending at what it was last year. After all, a lot of families, a lot of taxpayers, a lot of small business owners have been living on last year's spending levels, maybe even something less.

I would ask my colleagues this, Mr. Speaker:

How bad does it have to get before we can begin to take that modest first step and say maybe estuaries can get by on the same amount of money they were on last year? That's all this motion says. All this motion says is let's just keep them where they were last year.

A "yes" vote on this motion tells the people you represent back home, the people who are paying their taxes today, who elected us and entrusted us to protect their hard-earned money: Yes, I agree that Congress must set priorities. Yes, I agree that we should forgo such increases until the budget is balanced. Yes, I respect you, the taxpayer, enough to say that I can hold the line on spending even if it means only \$35 million for estuaries this year.

Mr. Speaker, I had a coach in high school who was a chemistry and phys-

ics teacher—the toughest teacher in the school and the toughest coach in the State. Every single day in class, every single day in the practice room, he would talk about discipline. He had a great definition. He said that discipline is doing what you don't want to do when you don't want to do it. Basically, that meant doing it his way when you'd rather do it your way. It meant doing things the right way when you'd rather do them the convenient way, the easy way.

Discipline is the quality we need in this Congress today. The easiest thing to do in the world is to spend money, particularly someone else's money.

Really simply, this amendment says: Let's have the discipline to say "no" to spending. Let's have the discipline to say let's do the right thing today. Let's not do the convenient thing. Let's hold the line on spending and treat taxpayers with a little respect on this day of all days. Treat them with a little respect.

I urge a "yes" vote.

I yield back the balance of my time.

Mr. OBERSTAR. I rise in opposition to the motion.

The SPEAKER pro tempore. The gentleman from Minnesota is recognized for 5 minutes.

Mr. OBERSTAR. I am sorry the gentleman from Ohio doesn't have an estuary in his district, but his State is a Great Lakes State. The Great Lakes, as the Nation's fourth seacoast, designated by an act of Congress in 1970, are also designated in this bill as a place of estuaries, of freshwater estuaries.

I am sorry that the gentleman doesn't understand that a great many people do understand what an estuary is. Three-fourths of our population live along areas that are designated as estuaries. Estuaries, the meeting place of fresh and salt water—where new forms of life are created, where new forms of fish and aquatic plants are created—are the richest places on Earth for the creation of maritime life. Estuaries are the common heritage of all Americans. There is a national interest in their protection and in their enhancement.

□ 1645

I am quite surprised at this amendment because in committee consideration no issue was raised about the funding level. Make no mistake about it. The purpose of this amendment is to cut \$15 million out of the authorization level.

Mr. JORDAN of Ohio. Will the gentleman yield?

Mr. OBERSTAR. I do not have time to yield to correct all the gentleman's mistakes.

In the consideration of the bill, I yielded to Mr. PETRI. "We support H.R. 4715," said he. He yielded to the ranking member of the Coast Guard Subcommittee, Mr. LoBIONDO, cosponsor of the bill, and he concluded, saying, "I urge all Members to support H.R. 4715, and I yield back."

There was no discussion in committee. No amendment was filed with the Rules Committee to cut the funding level. The ranking member of our committee, Mr. MICA, who designates himself proudly as a conservative, is supporting this bill.

This is a jobs bill.

Go ahead and laugh. Go ahead and laugh. It shows you don't understand much, Mr. Speaker, those who are laughing. Twenty-eight million jobs depend on coastal areas of the United States, \$185 billion in commercial and recreational fishing from estuaries of the United States, 2 million jobs at stake. Three-fourths of all commercial fishing depend on estuaries. Three-fourths of the U.S. commercial fish catch and 80 percent of the recreational fish catch occurs in the estuarine areas of the United States, and annual fish harvests have declined by \$1.5 billion every year for the last 20-plus years because of impaired estuaries.

This is an investment in America's future. This is an investment in the young people of this country for whom the gentleman proclaims to propose cutting \$15 million. This is an investment. This is not an entitlement. This is an authorization to compete with other programs for the funding necessary to protect our estuaries, which are the beginning places of new life and the homes of millions of jobs and new forms of life and the future of America.

Vote down this pernicious motion.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

RECORDED VOTE

Mr. JORDAN of Ohio. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 8 and clause 9 of rule XX, this 15-minute vote on the motion to recommit will be followed by 5-minute votes on passage of the bill, if ordered; and the motion to suspend the rules and adopt House Resolution 1242, if ordered.
